About First Advantage

First Advantage (NASDAQ: FA) is a global software and data company. We provide comprehensive, end-to-end identity solutions, criminal background screening, credential verifications, drug and health screening, and continuous risk monitoring. Combining AI-powered proprietary technology platforms with proprietary data, primary source data, and third-party data, we help organizations hire with confidence and manage risk across the entire employee lifecycle. With over 80,000 customers worldwide – including approximately two-thirds of the Fortune 100 – we deliver fast, comprehensive, and reliable solutions for employers, their candidates, and their employees. We conduct more than 200 million screens annually across over 200 countries and territories, supported by our verticalized go-to-market strategy, decades of experience, and proprietary databases containing over 1 billion records.
