First Advantage Corporation
Notes to Unaudited Condensed Consolidated Financial Statements

Note 1. Organization, Nature of Business, and Basis of Presentation

First Advantage Corporation, a Delaware corporation, was formed on November 15, 2019. Hereafter, First Advantage Corporation and its subsidiaries will collectively be referred to as the “Company”.

The Company derives its revenues from a variety of background check and compliance services performed across all phases of the workforce lifecycle from pre-onboarding services to post-onboarding and ongoing monitoring services, covering employees, contractors, contingent workers, tenants, and drivers. We generally classify our service offerings into three categories: pre-onboarding, post-onboarding, and adjacent products.

Pre-onboarding services are comprised of an extensive array of products and solutions that customers typically utilize to enhance their evaluation process and support compliance from the time a job or other application is submitted to a successful applicant’s onboarding date. This includes searches such as criminal background checks, drug / health screenings, extended workforce screening, biometrics and identity checks, education / workforce verification, driver records and compliance, healthcare credentials, and executive screening.

Post-onboarding services are comprised of continuous monitoring and re-screening solutions which are important tools to help keep their end customers, workforces, and other stakeholders safer, more productive, and more compliant. Our post-monitoring solutions include criminal records, healthcare sanctions, motor vehicle records, social media, and global sanctions screening continuously or at regular intervals selected by our customers.

Adjacent products include products that complement our pre-onboarding and post-onboarding products and solutions. This includes fleet / vehicle compliance, hiring tax credits and incentives, resident / tenant screening, employment eligibility, and investigative research.

Basis of Presentation — The accompanying unaudited condensed consolidated financial statements have been prepared in accordance with accounting principles generally accepted in the United States of America (“GAAP”) and include the accounts of the Company and its wholly owned subsidiaries. All significant intercompany transactions and balances have been eliminated. The Company includes the results of operations of acquired companies prospectively from the date of acquisition.

The condensed consolidated financial statements included herein are unaudited, but in the opinion of management, such financial statements include all adjustments, consisting of normal recurring adjustments, necessary to summarize fairly the Company’s financial position, results of operations, and cash flows for the interim periods presented. The interim results reported in these condensed consolidated financial statements should not be taken as indicative of results that may be expected for future interim periods or the full year. For a more comprehensive understanding of the Company and its condensed consolidated financial statements, these interim financial statements should be read in conjunction with the Company’s Annual Report on Form 10-K for the year ended December 31, 2022.

The Company has historically experienced seasonality with respect to certain customer industries as a result of fluctuations in hiring volumes and other economic activities. Generally, the Company’s highest revenues have historically occurred between October and November of each year, driven by many customers’ pre-holiday season hiring initiatives.

Use of Estimates — The preparation of the condensed consolidated financial statements in accordance with GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reported period. Changes in these estimates and assumptions may have a material impact on the condensed consolidated financial statements and accompanying notes.

Significant estimates, judgments, and assumptions, include, but are not limited to, the determination of the fair value and useful lives of assets acquired and liabilities assumed through business combinations, revenue recognition, capitalized software, and income tax liabilities and assets. The Company bases its estimates on historical experience and on various other assumptions that are believed to be reasonable under the circumstances. Actual results could differ from these estimates.

Note 2. Summary of Significant Accounting Policies

Fair Value of Financial Instruments — Certain financial assets and liabilities are reported at fair value in the accompanying consolidated balance sheets in accordance with Financial Accounting Standards Board (“FASB”) Accounting Standards Codification (“ASC”) 820, *Fair Value Measurement*. ASC 820 establishes a framework for measuring fair value and expands disclosures about fair value measurements. ASC 820 defines fair value as the price that would be received upon sale of an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The valuation techniques required by ASC 820 are based upon observable and unobservable inputs. Observable inputs reflect market data obtained from independent sources, while unobservable inputs reflect internal market assumptions. These two types of inputs create the following fair value hierarchy:

Level 1 — Quoted prices for identical instruments in active markets.

Level 2 — Quoted prices for similar instruments in active markets, quoted prices for identical or similar instruments in markets that are not active, and model-derived valuations whose inputs are observable or whose significant value drivers are observable.

Level 3 — Significant inputs to the valuation model are unobservable (supported by little or no market activities). These inputs may be used with internally developed methodologies that reflect the Company’s best estimate of fair value from a market participant.

The fair value of an asset is considered to be the price at which the asset could be sold in an orderly transaction between unrelated knowledgeable and willing parties. A liability’s fair value is defined as the amount that would be paid to transfer the liability to a new obligor, rather than the amount that would be paid to settle the liability with the creditor. Assets and liabilities recorded at fair value are measured using a three-tier fair value hierarchy, which prioritizes the inputs used in measuring fair value.

The carrying amounts of cash and cash equivalents, short-term investments, receivables, and accounts payable approximate fair value due to the short-term maturities of these financial instruments (Level 1). The fair values and carrying values of the Company’s long-term debt are disclosed in Note 5.

The following table presents information about the Company’s financial assets and liabilities that are measured at fair value on a recurring basis and their assigned levels within the valuation hierarchy as of June 30, 2023 (in thousands):

	Level 1	Level 2	Level 3
Assets			
Interest rate collars	\$ —	\$ 7,652	\$ —
Interest rate swap	\$ —	\$ 344	\$ —

Assets and Liabilities Measured at Fair Value on a Nonrecurring Basis

Other intangible assets are subject to nonrecurring fair value measurement as the result of business acquisitions. The fair values of these assets were estimated using the present value of expected future cash flows through unobservable inputs (Level 3).

Impairment of Long-Lived Assets — The Company regularly evaluates whether events and circumstances have occurred that indicate the carrying amount of property and equipment, ROU assets, and finite-life intangible assets may not be recoverable or that indicate useful lives warrant revision. The Company determined that triggering events occurred for certain leases exited during the three and six months ended June 30, 2023 which required an impairment review of certain ROU assets. Based on the results of the analysis, the Company recorded non-cash impairment charges of \$0.7 million and \$1.8 million for the three and six months ended June 30, 2023, respectively, primarily related to office space exited during the year. Write down of abandoned property and equipment no longer in use was \$0.2 million and \$0.3 million for the three and six months ended June 30, 2023, respectively.

Concentrations of Credit Risk — Financial instruments which potentially subject the Company to concentrations of credit risk consist principally of cash and cash equivalents and accounts receivable. Cash is deposited with major financial institutions and, at times, such balances with each financial institution may be in excess of insured limits. The Company has not experienced, and does not anticipate, any losses with respect to its cash deposits. Accounts receivable represent credit granted to customers for services provided. The Company performs ongoing credit evaluations of its customers’ financial condition and generally does not require collateral on accounts receivable. The Company had one customer which represented approximately 11% and 10% of its consolidated revenues during the three and six months ended June 30, 2023, respectively. The Company did not have any customers which represented 10% or more of consolidated revenues for the three and six months ended June 30, 2022. Additionally, the Company did not have any customers which represented 10% or more of consolidated accounts receivable, net for any period presented.

Foreign Currency — The functional currency of all of the Company’s foreign subsidiaries is the applicable local currency. The translation of the applicable foreign currencies into U.S. dollars is performed for balance sheet accounts using current exchange rates in effect at the balance sheet date and for revenues and expense accounts using average exchange rates prevailing during the fiscal year. Adjustments resulting from the translation of foreign currency financial statements are accumulated net of tax in a separate component of equity. Currency translation income (loss) included in accumulated other comprehensive income (loss) was approximately \$0.2 million and \$(11.3) million for the three months ended June 30, 2023 and 2022, respectively. Currency translation income (loss) included in accumulated other comprehensive income (loss) was approximately \$1.1 million and \$(12.8) million for the six months ended June 30, 2023 and 2022, respectively.

Gains or losses resulting from foreign currency transactions are included in the accompanying condensed consolidated statements of operations and comprehensive income, except for those relating to intercompany transactions of a long-term investment nature, which are captured in a separate component of equity as accumulated other comprehensive income (loss). Currency transaction income included in the accompanying condensed consolidated statements of operations and comprehensive income was approximately \$0.2 million and \$0.3 million for the three months ended June 30, 2023 and 2022, respectively. Currency transaction (loss) income included in the accompanying condensed consolidated statements of operations and comprehensive income was approximately \$(0.3) million and \$1.3 million for the six months ended June 30, 2023 and 2022, respectively.

Recent Accounting Pronouncements — There were no accounting pronouncements issued during the six months ended June 30, 2023 that are expected to have a material impact on the condensed consolidated financial statements.

Recently Adopted Accounting Pronouncements — In October 2021, the FASB issued ASU 2021-08, Business Combinations (Topic 805): *Accounting for Contract Assets and Contract Liabilities from Contracts with Customers*, which requires contract assets and contract liabilities acquired in a business combination to be recognized and measured by the acquirer on the acquisition date in accordance with ASC 606, Revenue from Contracts with Customers. Prior to the issuance of this guidance, contract assets and contract liabilities were recognized by the acquirer at fair value on the acquisition date. This guidance is effective for annual reporting periods beginning after December 15, 2022 including interim periods therein. Adoption of this standard on January 1, 2023 did not have a material impact on the condensed consolidated financial statements. However, if the Company acquires material customer contracts in the future, this standard will impact the accounting for those arrangements which may have a material effect on future results.

In March 2020, the FASB issued ASU No. 2020-04, *Reference Rate Reform (Topic 848): Facilitation of the Effects of Reference Rate Reform on Financial Reporting* and in January 2021 issued ASU No. 2021-01, *Reference Rate Reform (Topic 848): Scope*. These ASUs provide temporary optional expedients and exceptions to existing guidance on contract modifications and hedge accounting to facilitate the market transition from existing reference rates, such as the London Inter-bank Offered Rate (“LIBOR”), to alternate reference rates, such as the Secured Overnight Financing Rate (“SOFR”). These standards were effective upon issuance and allowed application to contract changes as early as January 1, 2020. Adoption of this standard in June 2023 did not have a material impact on the condensed consolidated financial statements.

Note 5. Long-term Debt

The fair value of the Company's long-term debt obligation approximated its book value as of June 30, 2023 and December 31, 2022 and consisted of the following (in thousands):

	June 30, 2023	December 31, 2022
First Lien Credit Facility	\$ 564,724	\$ 564,724
Less: Deferred financing costs	(7,148)	(8,075)
Long-term debt, net	<u>\$ 557,576</u>	<u>\$ 556,649</u>

The Company is a party to a First Lien Credit Agreement with its banking group ("Credit Agreement"), which provides for a term loan of \$766.6 million due January 31, 2027 carrying an interest rate of 2.75% to 3.00%, based on the first lien ratio, plus LIBOR ("First Lien Credit Facility") and a \$100.0 million revolving credit facility due July 31, 2026 ("Revolver"). In June 2023, the Credit Agreement was amended to transition the reference rate from LIBOR to SOFR (the Secured Overnight Financing Rate as administered by the Federal Reserve Bank of New York), with the addition of an applicable margin. The Credit Agreement is collateralized by substantially all assets and capital stock owned by direct and indirect domestic subsidiaries and are governed by certain restrictive covenants including limitations on indebtedness, liens, and other corporate actions such as investments and acquisitions. In the event the Company's outstanding indebtedness under the Revolver exceeds 35% of the aggregate principal amount of the revolving commitments then in effect, it is required to maintain a consolidated first lien leverage ratio no greater than 7.75 to 1.00. As of June 30, 2023, there were no outstanding borrowings under the Revolver and \$564.7 million outstanding under the First Lien Credit Facility. As the Company had no outstanding amounts under the Revolver, it was not subject to the consolidated first lien leverage ratio covenant. The Company was compliant with all other covenants under the agreement as of June 30, 2023.

Note 6. Derivatives

To reduce exposure to variability in expected future cash outflows on variable rate debt attributable to the changes in one-month LIBOR, the Company has historically entered into interest rate derivative instruments to economically offset a portion of this risk and may do so in the future. In June 2023, the Company transitioned the reference rate for its interest rate derivative agreements from one-month LIBOR to one-month SOFR.

As of June 30, 2023, the Company had the following outstanding derivatives that were not designated as a hedge in qualifying hedging relationships:

Product	Effective Date	Maturity Date	Notional	Rate
Interest rate collars ^(a)	June 30, 2023	February 29, 2024	\$300.0 million	0.48% floor/1.47% cap
Interest rate swap ^(b)	June 30, 2023	February 28, 2026	\$100.0 million	4.32%

(a) In conjunction with the June 2023 transition of the reference rate from LIBOR to SOFR, the cap rate was reduced from 1.50% to 1.47%.

(b) In conjunction with the June 2023 transition of the reference rate from LIBOR to SOFR, the fixed rate was reduced from 4.36% to 4.32%.

Derivatives not designated as hedges are not speculative and are used to manage the Company's exposure to interest rate movements; however, the Company has not elected to apply hedge accounting for these instruments.

The following is a summary of location and fair value of the financial positions recorded related to the derivative instruments (in thousands):

Note 8. Revenues

Substantially all of the Company's revenues are recognized at a point in time when the orders are completed and the completed reports are reported, or otherwise made available. For revenues delivered over time, the output method is utilized to measure the value to the customer based on the transfer to date of the services promised, with no rights of return once consumed. In these cases, revenues on transactional contracts with a defined price but an undefined quantity is recognized utilizing the right to invoice expedient resulting in revenues being recognized when the service is provided and becomes billable. Additionally, under this practical expedient, the Company is not required to estimate the transaction price.

The Company considers negotiated and anticipated incentives and estimated adjustments, including historical collections experience, when recording revenues.

The Company's contracts with customers generally include standard commercial payment terms acceptable in each region, and do not include any financing components. The Company does not have any significant obligations for refunds, warranties, or similar obligations. The Company records revenues net of sales taxes.

Contract balances are generated when the revenues recognized in a given period varies from billing. A contract asset is created when the Company performs a service for a customer and recognizes more revenues than what has been billed. The contract asset balance was \$7.4 million and \$6.5 million as of June 30, 2023 and December 31, 2022, respectively, and is included in accounts receivable, net in the accompanying condensed consolidated balance sheets.

A contract liability is created when the Company transfers a good or service to a customer and recognizes less than what has been billed. The Company recognizes these contract liabilities as deferred revenues when the Company has an obligation to perform services for a customer in the future and has already received consideration from the customer. The contract liability balance was \$1.3 million and \$1.1 million as of June 30, 2023 and December 31, 2022, respectively, and is included in deferred revenues in the accompanying condensed consolidated balance sheets. An immaterial amount of revenues was recognized in the current period related to the beginning balance of deferred revenues.

For additional disclosures about the disaggregation of our revenues see Note 14, "Reportable Segments."

The modification, effective May 10, 2023, allowed for unvested and unearned Performance Awards outstanding as of the date of the modification, to vest based on time on the fourth, fifth, and sixth anniversaries of the relevant vesting commencement date, as set forth in each grant agreement (the "Vesting Commencement Date"), while preserving the eligibility to vest upon the Company's investors receiving a targeted money-on-money return, subject to continued service. Note 11. Commitments and Contingencies

There have been no material changes to the Company's contractual obligations as compared to December 31, 2022.

The Company is involved in litigation from time to time in the ordinary course of business. At times, the Company, given the nature of its background screening business, could become subject to lawsuits, or potential class action lawsuits, in multiple jurisdictions, related to claims brought primarily by consumers or individuals who were the subject of its screening services.

For all pending matters, the Company believes it has meritorious defenses and intends to defend vigorously or otherwise seek indemnification from other parties as appropriate. However, the Company has recorded a liability of \$4.9 million and \$4.4 million at June 30, 2023 and December 31, 2022, respectively, for matters that it believes a loss is both probable and estimable. This is included in accrued liabilities in the accompanying condensed consolidated balance sheets.

The Company will continue to evaluate information as it becomes known and will record an estimate for losses at the time when it is both probable that a loss has been incurred and the amount of the loss is reasonably estimable.

Note 12. Related Party Transactions

The Company had no material related party transactions.

Note 13. Net Income Per Share

Basic weighted-average shares outstanding excludes nonvested restricted stock. Diluted weighted average shares outstanding is similar to basic weighted-average shares outstanding, except that the weighted-average number of shares is increased to include the number of additional common shares that would have been outstanding if the potentially dilutive common share had been issued, including the dilutive impact of nonvested restricted stock. Basic and diluted net income per share was calculated as follows:

	Three Months Ended June 30,		Six Months Ended June 30,	
	2023	2022	2023	2022
Basic net income per share	\$ 0.07	\$ 0.09	\$ 0.08	\$ 0.18

For the three months ended June 30, 2023 and 2022, 4,961,441 and 2,533,594 stock options and RSUs were excluded from the calculation of diluted net income per share, respectively, because their effects were anti-dilutive. For the six months ended June 30, 2023 and 2022, 4,681,847 and 2,292,520 stock options and RSUs were excluded from the calculation of diluted net income per share, respectively, because their effects were anti-dilutive.

Note 14. Reportable Segments

We have two reportable segments, Americas and International. Our chief operating decision maker (“CODM”) uses the profit measure of Adjusted EBITDA, on both a consolidated and a segment basis, to allocate resources and assess performance of our businesses. We use Adjusted EBITDA as our profit measure because it eliminates the impact of certain items that we do not consider indicative of operating performance, which is useful to compare operating results between periods. Our Board of Directors and executive management team also use Adjusted EBITDA as a compensation measure for both segment and corporate management under our incentive compensation plans. Adjusted EBITDA is also a measure frequently used by securities analysts, investors, and other interested parties in their evaluation of the operating performance of companies similar to ours.

We define Adjusted EBITDA as net income before interest, taxes, depreciation, and amortization, and as further adjusted for loss on extinguishment of debt, share-based compensation, transaction and acquisition-related charges, integration and restructuring charges, and other non-cash charges. We exclude the impact of share-based compensation because it is a non-cash expense and we believe that excluding this item provides meaningful supplemental information regarding performance and ongoing cash generation potential. We exclude loss on extinguishment of debt, transaction and acquisition related charges, integration and restructuring charges, and other charges because such expenses are episodic in nature and have no direct correlation to the cost of operating our business on an ongoing basis.

The segment financial information below aligns with how we report information to our CODM to assess operating performance and how the Company manages the business. Corporate costs are generally allocated to the segments based upon estimated revenue levels and other assumptions that management considers reasonable. The CODM does not review the Company’s assets by segment; therefore, such information is not presented. The accounting policies of the segments are the same as described in Note 2, “Summary of Significant Accounting Policies” and Note 8, “Revenues.”

The following is a description of our two reportable segments:

Americas. This segment performs a variety of background check and compliance services across all phases of the workforce lifecycle from pre-onboarding services to post-onboarding and ongoing monitoring services, covering employees, contractors, contingent workers, tenants, and drivers. We generally classify our service offerings into three categories: pre-onboarding, post-onboarding, and adjacent products. We deliver our solutions across multiple vertical industries in the United States, Canada, and Latin America markets.

International. The International segment provides services similar to our Americas segment in regions outside of the Americas. We primarily deliver our solutions across multiple vertical industries in the Europe, India, and Asia Pacific markets.

A reconciliation of Segment Adjusted EBITDA to net income for the three and six months ended June 30, 2023 and 2022 is as follows (in thousands):

Additionally includes incremental professional service fees incurred related to the initial public offering and subsequent one-time compliance efforts. The three and six months ended June 30, 2023 and 2022 include a transaction bonus expense related to one of the Company’s 2021 acquisitions.

Overview

First Advantage is a leading global provider of employment background screening and verification solutions. We deliver innovative services and insights that help our customers manage risk and hire the best talent. Enabled by our proprietary technology, our products help companies protect their brands and provide safer environments for their customers and their most important resources: employees, contractors, contingent workers, tenants, and drivers.

Our comprehensive product suite includes criminal background checks, drug / health screening, extended workforce screening, biometrics and identity, education / work verifications, resident screening, fleet / driver compliance, executive screening, data analytics, continuous monitoring, social media monitoring, and hiring tax incentives. We derive a substantial majority of our revenues from pre-onboarding screening and perform screens in over 200 countries and territories, enabling us to serve as a one-stop-shop provider to both multinational companies and growth companies. Our approximately 33,000 customers are global enterprises, mid-sized companies, and small companies, and our products and solutions are used by personnel in recruiting, human resources, risk, compliance, vendor management, safety, and/or security.

Our products are sold both individually and packaged. The First Advantage platform offers flexibility for customers to specify which products to include in their screening package, such as Social Security numbers, criminal records, education and work verifications, sex offender registry, and global sanctions. Generally, our customers order a background screening package or selected combination of screens related to a single individual before they onboard that individual. The type and mix of products and solutions we sell to a customer vary by customer size, their screening requirements, and industry vertical. Therefore, order volumes are not comparable across both customers and periods. Pricing can also vary considerably by customer depending on the product mix in their screening packages, order volumes, screening requirements and preferences, pass-through and third-party out of pocket costs, and bundling of products.

We enter into contracts with our customers that are typically three years in length. These contracts set forth the general terms and pricing of our products and solutions but generally do not include minimum order volumes or committed order volumes. Accordingly, contracts do not provide guarantees of future revenues. Due to our contract terms and the nature of the background screening industry, we determined our contract terms for ASC 606 purposes are less than one year. Through our ongoing dialogue with our customers, we have visibility into their expected future order volumes, although these can be difficult to accurately forecast due to the dynamic nature of forecasting hiring and business needs. We typically bill our customers at the end of each month and recognize revenues as completed orders are reported or otherwise made available to our customers. Over 92% of the criminal searches performed in the United States in 2022 were completed the same day they were submitted.

We generated revenues of \$185.3 million for the three months ended June 30, 2023, as compared to \$201.6 million for the three months ended June 30, 2022 and generated revenues of \$360.8 million for the six months ended June 30, 2023, as compared to \$391.4 million for the six months ended June 30, 2022. Approximately 86% of our revenues for the six months ended June 30, 2023 was generated in the Americas, predominantly in the United States, while the remaining 14% was generated in our International segment. Other than the United States, no single country accounted for 10% or more of our total revenues for the three and six months ended June 30, 2023. Please refer to “Results of Operations” for further details.

Segments

We manage our business and report our financial results in two reportable segments, Americas and International:

- **Americas.** This segment performs a variety of background check and compliance services across all phases of the workforce lifecycle from pre-onboarding services to post-onboarding and ongoing monitoring services, covering employees, contractors, contingent workers, tenants, and drivers. We generally classify our service offerings into three categories: pre-onboarding, post-onboarding, and adjacent products. We deliver our solutions across multiple vertical industries in the United States, Canada, and Latin America markets.
- **International.** The International segment provides services similar to our Americas segment in regions outside of the Americas. We primarily deliver our solutions across multiple vertical industries in the Europe, India, and Asia Pacific markets.

Seasonality

We experience seasonality with respect to certain industries due to fluctuations in hiring volumes and other economic activity. For example, pre-onboarding revenues generated from our customers in the retail and transportation industries are historically highest during the months of October and November, leading up to the holiday season and lowest at the beginning of the new year, following the holiday season. Certain customers across various industries also historically ramp up their hiring throughout the second quarter of the year as winter concludes, commercial activity tied to outdoor activities increases, and the school year ends, giving rise to student and graduate hiring. In addition, apartment rental activity and associated screening activity typically decline in the fourth quarter heading into the holiday season. We expect that further growth in e-commerce, the continued digital transformation of the economy, and other economic forces may impact future seasonality, but we are unable to predict these potential shifts and how our business may be impacted.

Recent Developments

Current Economic Conditions

Macroeconomic factors, including inflation, increased interest rates, instability in the global banking system, the prolonged COVID-19 pandemic, global supply chain constraints, and global economic and geopolitical developments, have negatively impacted significant portions of the global economy, and created volatility in the financial markets.

While our overall productivity has not been materially adversely impacted, we have experienced, and may continue to experience, the lengthening of certain sales cycles. If the economic uncertainty is sustained or increases, we may experience a negative impact on new business, customer renewals and demand levels, sales and marketing efforts, revenues growth rates, customer deployments, customer collections, product development, or other financial metrics. Any of these factors could harm our business, financial condition, and operating results.

Despite the continuing uncertainty associated with these events, we are confident in the long-term overall health of our business, the strength of our product offerings, and our ability to continue to execute on our strategy and help our customers hire smarter and onboard faster. Our ability to deliver innovative products and solutions that enhance workplace safety and address compliance risks has contributed to the durability of our financial results. For additional information, see our “Risk Factors” and “Management’s Discussion and Analysis of Financial Condition and Results of Operations” included in the Company’s Annual Report on Form 10-K for the year ended December 31, 2022.

Components of our Results of Operations

Revenues

The Company derives revenues from a variety of background screening and adjacent products that cover all phases of the workforce lifecycle from pre-onboarding screening services to post-onboarding and ongoing monitoring services, covering employees, contractors, contingent workers, tenants, and drivers. We generally classify our products and solutions into three major categories: pre-onboarding, post-onboarding, and adjacent products, each of which is enabled by our technology, proprietary internal databases, and data analytics capabilities. Pre-onboarding products, which comprise the substantial majority of our revenues, span an extensive array of products that customers typically utilize to enhance their applicant evaluation process and ensure compliance with their workforce onboarding criteria from the time an application is submitted to an applicant’s successful onboarding. Post-onboarding products are comprised of continuous monitoring, re-screening, and other solutions to help our customers keep their end customers, workforces, and other stakeholders safer, more productive, and more compliant. Adjacent products include products that complement our pre-onboarding and post-onboarding solutions such as fleet / vehicle compliance, hiring tax credits and incentives, resident / tenant screening, employment eligibility, and investigative research.

Our suite of products is available individually or through packaged solutions that can be configured and tailored according to our customers’ needs. We typically bill our customers at the end of each month and recognize revenues after completed orders are reported or otherwise made available to our customers, with a substantial majority of our customers’ orders completed the same day they are submitted. We recognize revenues for other products over time as the customer simultaneously receives and consumes the benefits of the products and solutions delivered.

Operating Expenses

We incur the following expenses related to our cost of revenues and operating expenses:

- *Cost of Services:* Consists of amounts paid to third parties for access to government records, other third-party data and services, and our internal processing fulfillment and customer care functions. In addition, cost of services includes expenses from our drug screening lab and collection site network as well as our court runner network. Third-party cost of services are largely variable in nature and are typically invoiced to our customers as direct pass-through costs. Cost of services also includes our salaries and benefits expense for personnel involved in the processing and fulfillment of our screening products and solutions, as well as our customer care organization and robotics process automation implementation team. Other costs included in cost of services relate to allocations of certain overhead costs for our revenue-generating products and solutions, primarily consisting of certain facility costs and administrative services allocated by headcount or another related metric. We do not allocate depreciation and amortization to cost of services.
- *Product and Technology Expense:* Consists of salaries and benefits of personnel involved in the maintenance of our technology and its integrations and APIs, product marketing, management of our network and infrastructure capabilities, and maintenance of our information security and business continuity functions. A portion of the personnel costs are related to the development of new products and features that are primarily developed through agile methodologies. These costs are partially capitalized, and therefore, are partially reflected as amortization expense within the depreciation and amortization cost line item. Product and technology expense also includes third-party costs related to our cloud computing services, software licensing and maintenance, telecommunications, and other data processing functions. We do not allocate depreciation and amortization to product and technology expense.
- *Selling, General, and Administrative Expense:* Consists of sales, customer success, marketing, and general and administrative expenses. Sales, customer success, and marketing expenses consist primarily of employee compensation such as salaries, bonuses, sales commissions, share-based compensation, and other employee benefits for our verticalized Sales and Customer Success teams. General and administrative expenses include travel expenses and various corporate functions including finance, human resources, legal, and other administrative roles, in addition to certain professional service fees and expenses incurred in connection with our IPO and now as a public company. We expect our selling, general, and administrative expenses to increase in the short-term, primarily as a result of additional public company related reporting and compliance costs. Over the long-term, we expect our selling, general, and administrative expenses to decrease as a percentage of revenues as we leverage our past investments. We do not allocate depreciation and amortization to selling, general, and administrative expenses.
- *Depreciation and Amortization:* Property and equipment consisting mainly of capitalized software costs, furniture, hardware, and leasehold improvements are depreciated or amortized and reflected as operating expenses. We also amortize the capitalized costs of finite-life intangible assets acquired in connection with business combinations.

We have a flexible cost structure that allows our business to adjust quickly to the impacts of macroeconomic events and scale to meet the needs of large new customers. Operating expenses are influenced by the amount of revenues, customer mix, and product mix that contribute to our revenues for any given period. As revenues grow, we would generally expect cost of services to grow in a similar fashion, albeit influenced by the effects of automation, productivity, and other efficiency initiatives as well as customer and product mix shifts and third-party pass-through costs. We regularly review expenses and investments in the context of revenues growth and any shifts we see in the business in order to align with our overall financial objectives. While we expect internal operating expenses to increase in absolute dollars to support our continued growth, we believe that, in the long term, operating expenses will decline gradually as a percentage of total revenues in the future as our business grows and our operating efficiency and automation initiatives continue to advance.

Other Expense, Net

Our other expense, net consists of the following:

- *Interest Expense, Net:* Relates primarily to our debt service costs, the interest-related unrealized gains and losses of our interest rate derivative instruments and, to a lesser extent, the interest on our capital lease obligations and the amortization of deferred financing costs. Additionally, interest expense, net includes interest income earnings on our cash and cash equivalent balances held in interest-bearing accounts. We also earn interest income on our short-term investments which are fixed-time deposits having a maturity date within twelve months.

Provision for Income Taxes

Provision for income taxes consists of domestic and foreign corporate income taxes related to earnings from our sale of services, with statutory tax rates that differ by jurisdiction. Our effective tax rate may be affected by many other factors including changes in tax laws, regulations or rates, new interpretations of existing laws or regulations, shifts in the allocation of income earned throughout the world, and changes in overall levels of income before tax.

- a \$1.9 million increase in expenses related to the impairment of certain operating lease assets resulting from office space exited during the quarter;
- a \$1.3 million increase in share-based compensation expense primarily as a result of a modification to the vesting terms of outstanding unvested and unearned performance-based equity awards; and
- foreign currency exchange losses of \$0.7 million due to the impact of foreign exchange rate volatility.

Key Operating and Financial Metrics

In addition to our results determined in accordance with GAAP, we believe certain measures are useful in evaluating our operating performance. Management believes these non-GAAP measures are useful to investors in highlighting trends in our operating performance, while other measures can differ significantly depending on long-term strategic decisions regarding capital structure, the tax jurisdictions in which we operate, and capital investments. Management uses Adjusted EBITDA, Adjusted EBITDA Margin, Adjusted Net Income, and Adjusted Diluted Earnings Per Share to supplement GAAP measures of performance in the evaluation of the effectiveness of our business strategies, to make budgeting decisions, to establish discretionary annual incentive compensation, and to compare our performance against that of other peer companies using similar measures. Management supplements GAAP results with non-GAAP financial measures to provide a more complete understanding of the factors and trends affecting the business than GAAP results alone.

The presentations of these measures have limitations as analytical tools and should not be considered in isolation or as a substitute for analysis of our results as reported under GAAP. Because not all companies use identical calculations, the presentations of these measures may not be comparable to other similarly titled measures of other companies and can differ significantly from company to company. A reconciliation is provided below for each non-GAAP financial measure to the most directly comparable financial measure stated in accordance with GAAP.

Adjusted EBITDA and Adjusted EBITDA Margin

Management believes that Adjusted EBITDA is a strong indicator of our overall operating performance and is useful to management and investors as a measure of comparative operating performance from period to period. We define Adjusted EBITDA as net income before interest, taxes, depreciation, and amortization, and as further adjusted for loss on extinguishment of debt, share-based compensation, transaction and acquisition-related charges, integration and restructuring charges, and other non-cash charges. We exclude the impact of share-based compensation because it is a non-cash expense and we believe that excluding this item provides meaningful supplemental information regarding performance and ongoing cash generation potential. We exclude loss on extinguishment of debt, transaction and acquisition related charges, integration and restructuring charges, and other charges because such expenses are episodic in nature and have no direct correlation to the cost of operating our business on an ongoing basis.

Adjusted EBITDA was \$56.0 million for the three months ended June 30, 2023 and represented an Adjusted EBITDA Margin of 30.2%. Adjusted EBITDA was \$60.8 million for the three months ended June 30, 2022 and represented an Adjusted EBITDA Margin of 30.2%. Adjusted EBITDA for the three months ended June 30, 2023 decreased by \$4.9 million, or 8.0%, compared to the three months ended June 30, 2022.

Adjusted EBITDA was \$104.5 million for the six months ended June 30, 2023 and represented an Adjusted EBITDA Margin of 29.0%. Adjusted EBITDA was \$114.4 million for the six months ended June 30, 2022 and represented an Adjusted EBITDA Margin of 29.2%. Adjusted EBITDA for the six months ended June 30, 2023 decreased by \$9.9 million, or 8.7%, compared to the six months ended June 30, 2022.

Adjusted EBITDA declined as macroeconomic events impacted our revenues attributed to existing customers. Decreases were further impacted by the effects of changes in foreign currencies. These decreases were partially offset by increased revenues from certain existing and new customers, including ongoing strength in upselling and cross-selling, cost structure benefits due to increased automation, operational efficiencies, and certain other cost savings actions taken by the Company in late 2022 and 2023.

The following table presents a reconciliation of Adjusted EBITDA for the periods presented.

Additionally includes incremental professional service fees incurred related to the initial public offering and subsequent one-time compliance efforts. (b) Represents charges from organizational restructuring and integration activities, non-cash, and other charges primarily related to nonrecurring legal exposures, foreign currency (gains) losses, and (gains) losses on the sale of assets.

Adjusted Net Income and Adjusted Diluted Earnings Per Share

Similar to Adjusted EBITDA, management believes that Adjusted Net Income and Adjusted Diluted Earnings Per Share are strong indicators of our overall operating performance and are useful to our management and investors as measures of comparative operating performance from period to period. We define Adjusted Net Income for a particular period as net income before taxes adjusted for debt-related costs, acquisition-related depreciation and amortization, share-based compensation, transaction and acquisition related charges, integration and restructuring charges, and other non-cash charges, to which we then apply the related effective tax rate. We define Adjusted Diluted Earnings Per Share as Adjusted Net Income divided by adjusted weighted average number of shares outstanding—diluted.

Adjusted Net Income was \$34.8 million for the three months ended June 30, 2023, compared to \$38.0 million for the three months ended June 30, 2022. Adjusted Net Income for the three months ended June 30, 2023 decreased by \$3.2 million, or 8.4%, compared to the three months ended June 30, 2022.

Adjusted Diluted Earnings Per Share was \$0.24 for the three months ended June 30, 2023 decreased by \$0.01, or 4.0% compared to the three months ended June 30, 2022.

Adjusted Net Income was \$63.2 million for the six months ended June 30, 2023, compared to \$71.5 million for the six months ended June 30, 2022. Adjusted Net Income for the six months ended June 30, 2023 decreased by \$8.3 million, or 11.6%, compared to the six months ended June 30, 2022.

Adjusted Diluted Earnings Per Share was \$0.43 for the six months ended June 30, 2023 decreased by \$0.04, or 8.5% compared to the six months ended June 30, 2022.

Adjusted Net Income and Adjusted Diluted Earnings Per Share declined as reduced demand from customers more impacted by macroeconomic events contributed to lower revenues and profitability. Adjusted Net Income and Adjusted Diluted Earnings Per Share were further impacted by changes in acquisition-related depreciation and amortization and changes in our capital structure that are captured in interest expense. Gains or losses and actual cash payments and receipts on the Company's interest rate swaps impact the comparability of Adjusted Net Income and Adjusted Diluted Earnings Per Share across historical periods.

The following tables present a reconciliation of Adjusted Net Income for the periods presented.

- (a) Represents non-cash interest expense related to the amortization of debt issuance costs for the Company's First Lien Credit Facility (as defined below). Beginning in 2022, this adjustment also includes the impact of the change in fair value of interest rate swaps. This adjustment, which represents the difference between the fair value gains or losses and actual cash payments and receipts on the interest rate swaps, was added as a result of the increased interest rate volatility observed in 2022.
- (b) Represents the depreciation and amortization expense related to intangible assets and developed technology assets recorded due to the application of ASC 805, *Business Combinations*. As a result, the purchase accounting related depreciation and amortization expense will recur in future periods until the related assets are fully depreciated or amortized, and the related purchase accounting assets may contribute to revenue generation.
- (c) Represents charges incurred related to acquisitions and similar transactions, primarily consisting of change in control-related costs, professional service fees, and other third-party costs. Additionally includes incremental professional service fees incurred related to the initial public offering and subsequent one-time compliance efforts. The three and six months ended June 30, 2023 and 2022 include a transaction bonus expense related to one of the Company's 2021 acquisitions.
- (d) Represents charges from organizational restructuring and integration activities, non-cash, and other charges primarily related to nonrecurring legal exposures, foreign currency (gains) losses, and (gains) losses on the sale of assets.
- (e) Effective tax rates of approximately 23.5% and 24.3% have been used to compute Adjusted Net Income and Adjusted Diluted Earnings Per Share for the three and six months ended June 30, 2023, respectively. Effective tax rates of approximately 25.0% have been used to compute Adjusted Net Income and Adjusted Diluted Earnings Per Share for the three and six months ended June 30, 2022. As of December 31, 2022, we had net operating loss carryforwards of approximately \$11.0 million for federal income tax purposes available to reduce future income subject to income taxes. As a result, the amount of actual cash taxes we may pay for federal income taxes differs significantly from the effective income tax rate computed in accordance with GAAP and from the normalized rates shown above.

Liquidity and Capital Resources

Liquidity

The Company's primary liquidity requirements are for working capital, continued investments in software development and other capital expenditures, and other strategic investments. In the second quarter of 2023 the Company fully utilized its remaining U.S. Federal income tax net operating loss carryforwards. As a result, income taxes will become a material use of funds, depending on our future profitability and future tax rates. The Company's liquidity needs are met primarily through existing balance sheet cash, cash flows from operations, as well as funds available under our revolving credit facility and proceeds from our term loan borrowings. Our cash flows from operations include cash received from customers, less cash costs to provide services to our customers, which includes general and administrative costs and interest payments.

As of June 30, 2023, we had \$399.1 million in cash and cash equivalents and \$100.0 million available under our revolving credit facility. As of June 30, 2023, we had \$564.7 million of total debt outstanding. We believe our cash on hand, together with amounts available under our revolving credit facility, and cash provided by operating activities are and will continue to be adequate to meet our operational and business needs in the next twelve months. To the extent additional funds are necessary to meet our long-term liquidity needs as we continue to execute our business strategy, we anticipate that they will be obtained through the incurrence of additional indebtedness, additional equity financings or a combination of these potential sources of funds. In the event that we need access to additional cash, we may not be able to access the credit markets on commercially acceptable terms or at all. Our ability to fund future operating expenses and capital expenditures and our ability to meet future debt service obligations or refinance our indebtedness will depend on our future operating performance, which will be affected by general economic, financial, and other factors that may be beyond our control, including those described under our "Risk Factors" included in the Company's Annual Report on Form 10-K for the year ended December 31, 2022.

Share Repurchase Program

On August 2, 2022, the Company's Board of Directors authorized the repurchase of up to \$50.0 million of the Company's common stock over the 12-month period ending August 2, 2023 (the "Repurchase Program"). Stock repurchases may be effected through open market repurchases at prevailing market prices, including through the use of block trades and trading plans intended to qualify under Rule 10b5-1 under the Securities Exchange Act of 1934, as amended, privately-negotiated transactions, through other transactions in accordance with applicable securities laws, or a combination of these methods on such terms and in such amounts as the Company deems appropriate and will be funded from available capital. The Company is not obligated to repurchase any specific number of shares, and the timing, manner, value, and actual number of shares repurchased will depend on a variety of factors, including the Company's stock price and liquidity requirements, other business considerations and general market and economic conditions. No shares will be purchased from SLP Fastball Aggregator, L.P. and its affiliates. The Company may discontinue or modify purchases without notice at any time. The Company has used and plans to use its existing cash to fund repurchases made under the share repurchase program.

On November 8, 2022, the Company's Board of Directors authorized an increase to the total available amount under its Repurchase Program to \$150.0 million and extended the program through December 31, 2023. On February 28, 2023, the Company's Board of Directors authorized an increase to the total available amount under its Repurchase Program to \$200.0 million. Through August 3, 2023, the Company repurchased approximately \$114.5 million of shares under the Repurchase Program.

Dividends

On August 8, 2023, the Company's Board of Directors declared a one-time special cash dividend of \$1.50 per share to stockholders of record at the close of business on August 21, 2023. The cash dividend is expected to be paid on August 31, 2023.

Long-Term Debt

In February 2020, a new financing structure was established consisting of a new First Lien Credit Agreement ("First Lien Agreement"). The First Lien Agreement provided financing in the form of a \$670.0 million term loan due January 31, 2027 ("First Lien Credit Facility") and a \$75.0 million new revolving credit facility due January 31, 2025 ("Revolver").

On February 1, 2021, we amended the First Lien Agreement to fund \$100.0 million of additional first lien term loans and reduce the applicable margins by 0.25%.

In connection with the IPO, the Company entered into an amendment to increase the borrowing capacity under the Revolver from \$75.0 million to \$100.0 million and extend the maturity date from January 31, 2025 to July 31, 2026.

Borrowings under the First Lien Agreement bear interest at a rate per annum equal to an applicable margin plus, at our option, either (a) a base rate or (b) LIBOR, which is subject to a floor of 0.00% per annum. In June 2023, the Credit Agreement was amended to transition the reference rate from LIBOR to SOFR (the Secured Overnight Financing Rate as administered by the Federal Reserve Bank of New York), with the addition of an applicable margin. The applicable margins under the First Lien Agreement are subject to stepdowns based on our first lien net leverage ratio. In connection with the closing of the IPO, each applicable margin was reduced further by 0.25%. In addition, the borrower, First Advantage Holdings, LLC, which is an indirect wholly-owned subsidiary of the Company, is required to pay a commitment fee on any unutilized commitments under the revolving credit facility. The commitment fee rate ranges between 0.25% and 0.50% per annum based on our first lien net leverage ratio. The borrower is also required to pay customary letter of credit fees.

The First Lien Credit Facility amortizes in equal quarterly installments in aggregate annual amounts equal to 1.00% of the principal amount. The Revolver has no amortization. The First Lien Credit Facility requires the borrower to prepay outstanding term loans, subject to certain exceptions, with certain proceeds from non-ordinary course asset sales, issuance of debt not permitted by the credit agreement to be incurred and annual excess cash flows. In addition, any voluntary prepayment of term loans in connection with certain repricing transactions on or prior to August 1, 2021 were subject to a 1.00% prepayment premium. Otherwise, the borrower may voluntarily repay outstanding loans without premium or penalty, other than customary "breakage" costs.

In connection with the closing of the IPO, on June 30, 2021, the Company repaid \$200.0 million of the First Lien Credit Facility outstanding, of which \$44.3 million was applied to all of the remaining quarterly amortizing principal payments due under the First Lien Agreement. The remaining \$564.7 million term loan is scheduled to mature on January 31, 2027.

The First Lien Agreement is unconditionally guaranteed by Fastball Parent, Inc., a wholly-owned subsidiary of the Company and the direct parent of the borrower, and material wholly owned domestic restricted subsidiaries of Fastball Parent, Inc. The First Lien Agreement and the guarantees of such obligations, are secured, subject to permitted liens and other exceptions, by (1) a first priority security interest in certain tangible and intangible assets of the borrower and the guarantors and (2) a first-priority pledge of 100% of the capital stock of the borrower and of each wholly-owned material restricted subsidiary of the borrower and the guarantors (which pledge, in the case of any non-U.S. subsidiary of a U.S. subsidiary, does not include more than 65% of the voting stock of such non-U.S. subsidiary).

The First Lien Agreement contains customary affirmative covenants, negative covenants, and events of default (including upon a change of control). The First Lien Agreement also includes a "springing" first lien net leverage ratio test, applicable only to the Revolver, that requires such ratio to be no greater than 7.75:1.00 on the last day of any fiscal quarter if more than 35.0% of the Revolver is utilized on such date.

Cash flows from operating activities were impacted by the continuation of more modest hiring activity in the Americas and softness internationally resulting from the ongoing uncertainty from the economic environment that began to impact hiring demand in late 2022.

Cash Flows from Investing Activities

Net cash used in investing activities was \$13.3 million for the six months ended June 30, 2023, compared to \$34.4 million for the six months ended June 30, 2022. Net cash used in investing activities for the six months ended June 30, 2023 decreased by \$21.0 million compared to the six months ended June 30, 2022. The cash flows used in investing activities for the six months ended June 30, 2023 were driven primarily by capitalized software development costs, which increased in 2023 as the Company continued to make incremental investments in its technology platform. Cash flows used in investing activities for the six months ended June 30, 2022 were incrementally impacted by the \$19.1 million acquisition of Form I-9 Compliance, net of cash acquired.

Cash Flows from Financing Activities

Net cash (used in) provided by financing activities was \$(51.0) million for the six months ended June 30, 2023, compared to \$0.2 million for the six months ended June 30, 2022. Cash outflows from financing activities for the six months ended June 30, 2023 were primarily driven by shares repurchased under the Company's Repurchase Program. During the six months ended June 30, 2023, 3,895,737 shares were repurchased under the program for a total cost of \$52.3 million. These outflows were offset by cash inflows related to share-based compensation activity.

Evaluation of Disclosure Controls and Procedures

Our management, with the participation of our Chief Executive Officer (principal executive officer) and Chief Financial Officer (principal financial officer), has evaluated the effectiveness of the Company's disclosure controls and procedures as of the end of the period covered by this report. The term "disclosure controls and procedures" as defined in Rules 13a-15(e) and 15d-15(e) under the Securities Exchange Act of 1934, as amended (the "Exchange Act") means controls and other procedures of a company that are designed to ensure that information required to be disclosed by a company in the reports that it files or submits under the Exchange Act is recorded, processed, summarized and reported, within the time periods specified in the SEC's rules and forms and that such information is accumulated and communicated to management including the Chief Executive Officer and Chief Financial Officer, as appropriate, to allow timely discussions regarding required disclosures.

Management recognizes that any controls and procedures, no matter how well designed and operated, can provide only reasonable, not absolute, assurance of achieving their desired control objectives. Based on the evaluation of management's disclosure controls and procedures as of the end of the period covered by this report, our Chief Executive Officer and Chief Financial Officer concluded that, as of such date, the disclosure controls and procedures were effective at a reasonable assurance level.

**FIRST AMENDMENT TO
FIRST ADVANTAGE CORPORATION 2021 OMNIBUS INCENTIVE PLAN**

THIS FIRST AMENDMENT TO the First Advantage 2021 Omnibus Incentive Plan (this "Amendment"), made as of May 10, 2023, is made and adopted by First Advantage Corporation, a Delaware corporation (the "Company"). Capitalized terms used but not otherwise defined herein shall have the respective meanings ascribed to them in the Plan (as defined below).

WHEREAS, the Company maintains the First Advantage 2021 Omnibus Incentive Plan (the "Plan");

WHEREAS, pursuant to Section 13(a) of the Plan, the Plan may be amended from time to time by the Company's Board of Directors (the "Board"); and

WHEREAS, the Board desires to amend the Plan as set forth herein.

NOW, THEREFORE BE IT RESOLVED, that the Plan be amended as follows:

1. Section 2(i) of the Plan be revised in its entirety as follows:

"Change in Control" means (i) the acquisition of beneficial ownership by any Person, other than the Permitted Holders, of Equity Interests of the Company representing more than 50% of the aggregate votes entitled to vote for the election of directors of the Company, unless the Permitted Holders otherwise have the right (pursuant to contract, proxy or otherwise), directly or indirectly, to designate, nominate or appoint at least half of the Board or (ii) the sale, transfer or other disposition of all or substantially all of the assets of the Company Group (taken as a whole) to any Person that is not an Affiliate, other than a Permitted Holder.

For purposes of this definition, including other defined terms used herein in connection with this definition and notwithstanding anything to the contrary in this definition or any provision of Section 13d-3 of the Exchange Act, (A) "beneficial ownership" shall be as defined in Rules 13d-3 and 13d-5 under the Exchange Act as in effect on May 10, 2023, (B) if any group includes one or more Permitted Holders, the issued and outstanding Equity Interests of the Company, directly or indirectly owned by the Permitted Holders that are part of such group shall not be treated as being beneficially owned by such group or any other member of such group, (C) a Person or group shall not be deemed to beneficially own Equity Interests (x) to be acquired by such Person or group pursuant to a stock or asset purchase agreement, merger agreement, option agreement, warrant agreement or similar agreement (or voting or option or similar agreement related thereto) until the consummation of the acquisition of the Equity Interests in connection with the transactions contemplated by such agreement or (y) as a result of veto or approval rights in any joint venture agreement, shareholder agreement, investor rights agreement or other similar agreement and (D) a Person or group will not be deemed to beneficially own the Equity Interests of another Person as a result of its ownership of Equity Interests or other securities of such other Person's parent (or related contractual rights) unless it owns 50% or more of the total voting power of the Equity Interests entitled to vote for the election of directors of such Person's parent. and

2. Section 2 of the Plan be revised to include the following additional definitions:

“Equity Interests” means shares of capital stock, partnership interests, membership interests in a limited liability company, beneficial interests in a trust or other equity ownership interests in a Person.

“Management Investors” means current and/or former directors, officers, partners, members and employees of the Company, any parent entity thereof and/or any of their respective subsidiaries who are (directly or indirectly through one or more investment vehicles) holders of Equity Interests of the Company or any such parent entity or subsidiary on the May 10, 2023.

“Permitted Holder” means (i) the Sponsor, (ii) the Management Investors and their Permitted Transferees, and (iii) any group of which the Persons described in clauses (i) and/or (ii) are members and any other member of such group; provided, that the Persons described in clauses (i) and (ii), without giving effect to the existence of such group or any other group, collectively own, directly or indirectly, 50% or more of the Equity Interests of the Company held by such group and (iv) any employee benefit plan of the Company or its subsidiaries and any Person acting in its capacity as trustee, agent or other fiduciary or administrator of any such plan.

“Permitted Transferees” means, with respect to any Person that is a natural person (and any Permitted Transferee of such Person), (i) such Person’s Immediate Family Members, including his or her spouse, ex-spouse, children, step-children and their respective lineal descendants and (ii) without duplication with any of the foregoing, such Person’s heirs, legatees, executors and/or administrators upon the death of such Person and any other Person who was an affiliate of such Person upon the death of such Person and who, upon such death, directly or indirectly owned Equity Interests of the Company.

“Sponsor” means Silver Lake Partners V, L.P., its affiliates and any funds, partnerships, co-investment entities and other investment vehicles managed, advised or controlled thereby or by one or more directors thereof or under common control therewith (other than any portfolio company of any of the foregoing).

3. This Amendment shall be, and is hereby incorporated in and forms, a part of the Plan.
4. All other terms and provisions of the Plan shall remain unchanged except as specifically modified herein.

[Remaining of page intentionally left blank]

Re: Amendment to Performance Award Vesting for Grant ID:

Dear [Name],

Congratulations! Upon the recommendation of its Compensation Committee, the Board of Directors of First Advantage Corporation (the “**Company**”) has approved an amendment to each of your currently outstanding unearned and unvested performance-based equity awards (whether in the form of options, SARs, restricted shares or RSUs, each such unearned and unvested award, a “**Performance Award**”) that is designed to allow those Performance Awards to vest based solely on your continued employment or service to the Company through the applicable vesting dates, while preserving their eligibility to vest upon future “Realization Events” (as that term is defined in the award agreement(s) pursuant to which the Performance Awards were granted to you). This letter constitutes an amendment to the award agreement(s) pursuant to which the Performance Awards were granted to you, so please keep a copy with your award agreement(s). For the avoidance of doubt, this letter does not apply to any of your equity awards that vest based solely on your continued employment or service to the Company.

Subject only to your continued employment or service with the Company and its subsidiaries through the applicable vesting date set forth in the table below, a number of additional Performance Awards, if any, shall vest on each such vesting date as is necessary to ensure that the applicable percentage of the Performance Awards that is vested on such vesting date is equal to the percentage set forth in the table below next to such vesting date, such that 100% of the Performance Awards will be vested on [] even if no additional Realization Events occur prior to []:

Percentage of Performance Awards Vesting	Vesting Date
20%, or [] of Performance Awards	[]
40%, or [] of Performance Awards	[]
40%, or [] of Performance Awards	[]

Subject to your continued employment or service with the Company and its subsidiaries through such Realization Event, if a Realization Event occurs prior to [], the number of Performance Awards that will vest as a result of such Realization Event will be determined based on the applicable vesting criteria for Performance Awards in the award agreement(s), including, without limitation, the 20% per year time-based vesting schedule that applies to your Performance Awards in addition to the purely performance vesting criteria (collectively, the "**Performance Vesting Criteria**"). However, given the new time-based vesting schedule above, the total number of Performance Awards that will be vested following the occurrence of such Realization Event will equal the greater of (i) the total number of Performance Awards that would be vested following such Realization Event applying the Performance Vesting Criteria (including the application of the 20% per year time-based vesting schedule) and (ii) the percentage of Performance Awards that are vested as of such Realization Event as provided in the new time-based vesting schedule above.

For purposes of illustration only, if the first Realization Event since the date hereof occurs on [] and (i) the application of the Performance Vesting Criteria would result in the vesting of 50% of the Performance Awards, then no additional Performance Awards will vest in connection with the Realization Event as 60% of the Performance Awards are already vested as a result of the application of the new time-based vesting schedule above, and (ii) the application of the Performance Vesting Criteria would result in the vesting of 70% of the Performance Awards, then additional Performance Awards will vest in connection with the Realization Event so that 70% of the total number of Performance Awards will be vested following such Realization Event and, assuming no additional Realization Event occurs before such date, the remaining 30% of the Performance Awards would vest on [], subject to your continued employment or service with the Company and its subsidiaries on that date.

If a "Change in Control" (as that term, or if instead applicable, the term "Change of Control," is defined in the award agreement(s) pursuant to which the Performance Awards were granted to you) occurs prior to [], any Performance Awards that do not vest in connection with such Change in Control will not be forfeited but will instead either (i) be assumed (including, if applicable, through the grant of substitute awards) by the acquirer of the Company or an affiliate thereof in such Change in Control and (A) if the "Investor Group" (as that term is defined in the award agreement(s) pursuant to which the Performance Awards were granted to you) does not retain any direct or indirect interest in the Company or any successor entity following such Change in Control, be subject only to the time-based vesting schedule set forth above (i.e., such time-based vesting schedule is not deemed to be satisfied as a result of such Change in Control, but the Performance Vesting Criteria will no longer apply following the Change in Control) and, if your employment or service with the Company and its subsidiaries is terminated at any time during the 12-month period following such Change in Control, by the Company or its subsidiaries without "Cause" (as that term is defined in the award agreement(s) pursuant to which the Performance Awards were granted to you), all unvested Performance Awards shall become fully vested upon the date of such termination and (B) if the Investor Group retains any direct or indirect interest in the Company or any successor entity following such Change in Control and the Board of Directors of the Company, acting in its sole discretion, does not decide to accelerate the vesting of the unvested Performance Awards in connection with or following such Change in Control, remain subject to the applicable vesting terms (including, without limitation, the ability of the Compensation Committee to test Performance Awards that remain eligible for performance-based vesting following a termination of employment for vesting based on the occurrence of a hypothetical Realization Event during the 12-month period following such termination), as modified by this letter (but, for the avoidance of doubt, there will be no further vesting based on the new time-based vesting schedule set forth in this letter following a termination of employment for any reason); and (ii) vest in full on the closing of the Change in Control if not assumed (including, if applicable, through the grant of substitute awards) by the acquirer or an affiliate thereof.

Except as amended hereby, the award agreement(s) governing the Performance Awards shall remain in full force and effect in accordance with their terms, including, without limitation, provisions relating to the treatment of Performance Awards on a termination of your employment or service with the Company and its subsidiaries that occurs prior to a Change in Control.

This amendment is governed by and construed and enforced in accordance with the laws of the State of Delaware, without regard to conflicts of law principles thereof.

This amendment is effective as of the date hereof and does not require any action on your part. As noted above, please retain a copy of this amendment for your own records. Thank you for your continued service to the Company.

Sincerely,

By: Scott Staples

NOW, THEREFORE, in consideration of the premises and for other good and valuable consideration (the receipt and sufficiency of which are hereby acknowledged), the parties hereto hereby agree as follows:

SECTION 1. Defined Terms.

Capitalized terms used but not defined herein shall have the respective meanings assigned to such terms in the Credit Agreement.

SECTION 2. Amendments. Effective as of the Amendment No. 3 Effective Date (as defined below), the Credit Agreement is hereby amended to delete the stricken text (indicated textually in the same manner as the following example: ~~stricken text~~) and to add the double-underlined text (indicated textually in the same manner as the following example: double-underlined text) as set forth in the pages of the Credit Agreement attached as Annex A hereto (the "Amended Credit Agreement").

SECTION 3. Representations and Warranties.

(a) To induce the other parties hereto to enter into this Amendment, the Borrower represents and warrants to the Administrative Agent that, as of the Amendment No. 3 Effective Date, this Amendment has been duly authorized, executed and delivered by the Borrower and constitutes, and upon the occurrence of the Amendment No. 3 Effective Date and after giving effect to the transactions and amendments to occur on the Amendment No. 3 Effective Date, the Amended Credit Agreement will constitute, its legal, valid and binding obligation, enforceable against each of the Loan Parties in accordance with its terms, subject to applicable bankruptcy, insolvency, reorganization, moratorium or other laws affecting creditors' rights generally and subject to general principles of equity, regardless of whether considered in a proceeding in equity or at law.

(b) The representations and warranties of each Loan Party set forth in the Loan Documents are, after giving effect to this Amendment on the Amendment No. 3 Effective Date, true and correct in all material respects on and as of such date, except to the extent such representations and warranties specifically refer to an earlier date, in which case such representations and warranties were true and correct in all material respects as of such earlier date; provided that any representation and warranty that is qualified as to "materiality," "Material Adverse Effect" or similar language shall be true and correct in all respects on the Amendment No. 3 Effective Date hereof or on such earlier date, as the case may be.

SECTION 4. Conditions of Effectiveness. This Amendment shall become effective as of the first date (the "Amendment No. 3 Effective Date") on which the applicable conditions set forth below shall have been satisfied:

(a) The Administrative Agent shall have received counterparts of this Amendment executed by the Borrower, each Revolving Lender and the Administrative Agent; and

(b) The Administrative Agent shall have posted this Amendment to all Lenders and the Borrower five Business Days in advance of the date hereof, and as of 5:00 p.m. (New York time) on the date hereof, the Administrative Agent shall not have received written notice of objection to the Term Loan Adjustments from Lenders comprising Required Lenders.

SECTION 5. Governing Law. This Amendment shall be construed in accordance with and governed by the law of the State of New York. The provisions of Sections 9.09 and 9.10 of the Credit Agreement shall apply to this Amendment to the same extent as if fully set forth herein.

SECTION 6. Costs and Expenses. The Borrower agrees to reimburse the Administrative Agent for its reasonable out of pocket expenses in connection with this Amendment and the transactions contemplated hereby, including the reasonable fees, charges and disbursements of Cahill Gordon & Reindel LLP, counsel for the Administrative Agent.

SECTION 7. Counterparts. This Amendment may be executed in any number of counterparts and by different parties hereto in separate counterparts, each of which when so executed and delivered shall be deemed an original, but all such counterparts together shall constitute but one and the same instrument. Delivery of any executed counterpart of a signature page of this Amendment by facsimile transmission or other electronic imaging means shall be effective as delivery of a manually executed counterpart hereof. This Amendment and any document, amendment, approval, consent, information, notice, certificate, request, statement, disclosure or authorization related to this Amendment (each a "Communication"), including Communications required to be in writing, may be in the form of an Electronic Record and may be executed using Electronic Signatures. Each of the Loan Parties agrees that

any Electronic Signature on or associated with any Communication shall be valid and binding on each of the Loan Parties to the same extent as a manual, original signature, and that any Communication entered into by Electronic Signature, will constitute the legal, valid and binding obligation of each of the Loan Parties enforceable against such in accordance with the terms thereof to the same extent as if a manually executed original signature was delivered. Any Communication may be executed in as many counterparts as necessary or convenient, including both paper and electronic counterparts, but all such counterparts are one and the same Communication. For the avoidance of doubt, the authorization under this paragraph may include, without limitation, use or acceptance by the Administrative Agent and each of the Secured Parties of a manually signed paper Communication which has been converted into electronic form (such as scanned into PDF format), or an electronically signed Communication converted into another format, for transmission, delivery and/or retention. The Administrative Agent and each of the Secured Parties may, at its option, create one or more copies of any Communication in the form of an imaged Electronic Record (“Electronic Copy”), which shall be deemed created in the ordinary course of such Person’s business, and destroy the original paper document. All Communications in the form of an Electronic Record, including an Electronic Copy, shall be considered an original for all purposes, and shall have the same legal effect, validity and enforceability as a paper record. Notwithstanding anything contained herein to the contrary, the Administrative Agent is under no obligation to accept an Electronic Signature in any form or in any format unless expressly agreed to by the Administrative Agent pursuant to procedures approved by it; provided, further, without limiting the foregoing, (a) to the extent the Administrative Agent has agreed to accept such Electronic Signature, the Administrative Agent and each of the Secured Parties shall be entitled to rely on any such Electronic Signature purportedly given by or on behalf of any Loan Party without further verification and (b) upon the request of the Administrative Agent or any Lender, any Electronic Signature shall be promptly followed by such manually executed counterpart. For purposes hereof, “Electronic Record” and “Electronic Signature” shall have the meanings assigned to them, respectively, by 15 USC §7006, as it may be amended from time to time.

SECTION 8. Effect of Amendment.

(a) Except as expressly set forth herein, this Amendment shall not by implication or otherwise limit, impair, constitute a waiver of, or otherwise affect the rights and remedies of, the Lenders or the Agents under the Credit Agreement or any other Loan Document, and shall not alter, modify, amend or in any way affect any of the terms, conditions, obligations, covenants or agreements contained in the Credit Agreement or any other Loan Document, all of which are ratified and affirmed in all respects and shall continue in full force and effect. The parties hereto acknowledge and agree that the amendment of the Credit Agreement pursuant to this Amendment and all other Loan Documents amended and/or executed and delivered in connection herewith shall not constitute a novation of the Credit Agreement and the other Loan Documents as in effect prior to the Amendment No. 3 Effective Date. The Borrower agrees that (i) the Security Documents continue to be in full force and effect and are not impaired or adversely affected in any manner whatsoever, (ii) confirms its grant of security interests pursuant to the Security Documents to which it is a party as Collateral for the obligations and (iii) acknowledges that all Liens granted (or purported to be granted) pursuant to the Security Documents remain and continue in full force and effect in respect of, and to secure, the obligations. Nothing herein shall be deemed to establish a precedent for purposes of interpreting the provisions of the Amended Credit Agreement or entitle any Loan Party to a consent to, or a waiver, amendment, modification or other change of, any of the terms, conditions, obligations, covenants or agreements contained in the Amended Credit Agreement or any other Loan Document in similar or different circumstances. This Amendment shall apply to and be effective only with respect to the provisions of the Credit Agreement and the other Loan Documents specifically referred to herein.

(e) For purposes of determining the permissibility of any action, change, transaction or event that requires a calculation of any financial ratio or test (including, without limitation, Section 6.10, any First Lien Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test, the amount of Consolidated EBITDA and/or Consolidated Total Assets), such financial ratio or test shall be calculated at the time such action is taken (subject to Section 1.07), such change is made, such transaction is consummated or such event occurs, as the case may be, and no Default or Event of Default shall be deemed to have occurred solely as a result of a change in such financial ratio or test occurring after the time such action is taken, such change is made, such transaction is consummated or such event occurs, as the case may be.

(f) Notwithstanding anything to the contrary herein, with respect to any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement (including, without limitation, Section 6.01(a)(ii) (as it relates to the incurrence of any “fixed” or similar amount of Second Lien Incremental Facilities or Second Lien Incremental Equivalent Debt)) that does not require compliance with a financial ratio or test (including, without limitation, Section 6.10, any First Lien Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test) (any such amounts, the “Fixed Amounts”) substantially concurrently with any amounts incurred or transactions entered into (or consummated) in reliance on a provision of this Agreement that requires compliance with a financial ratio or test (including, without limitation, Section 6.10, any First Lien Leverage Ratio test, any Secured Leverage Ratio test, any Total Leverage Ratio test and/or any Interest Coverage Ratio test) (any such amounts, the “Incurrence-Based Amounts”), it is understood and agreed that the Fixed Amounts shall be disregarded in the calculation of the financial ratio or test applicable to the Incurrence-Based Amounts.

(g) For the avoidance of doubt, in connection with the incurrence of any Indebtedness under Section 2.20, the definitions of Required Lenders, Required Revolving Lenders and Required Term Loan Lenders shall be calculated on a Pro Forma Basis in accordance with this Section 1.04, Section 2.20 and the definition of “Incremental Cap”; provided that any waiver, amendment or modification obtained on such basis (i) will not become operative until substantially contemporaneously with the incurrence of such Indebtedness, (ii) is not required in order to avoid a covenant Default and (iii) does not affect the rights or duties under this Agreement of Lenders holding Loans or Commitments of any then outstanding Class but not the Lenders in respect of such Indebtedness to be incurred.

SECTION 1.05 Effectuation of Transactions. All references herein to Holdings, the Borrower and their subsidiaries shall be deemed to be references to such Persons, and all the representations and warranties of Holdings, the Borrower and the other Loan Parties contained in this Agreement and the other Loan Documents shall be deemed made, in each case, after giving effect to the Acquisition and the other Transactions to occur on the Effective Date, unless the context otherwise requires.

SECTION 1.06 Currency Translation; Rates.

(a) Notwithstanding anything herein to the contrary, for purposes of any determination under Article V, Article VI (other than Section 6.10) or Article VII or any determination under any other provision of this Agreement expressly requiring the use of a current exchange rate, all amounts incurred, outstanding or proposed to be incurred or outstanding in currencies other than dollars shall be translated into dollars at the Spot Rate (rounded to the nearest currency unit, with 0.5 or more of a currency unit being rounded upward); provided, however, that for purposes of determining compliance with Article VI with respect to the amount of any Indebtedness, Investment, Disposition or Restricted Payment in a currency other than dollars, no Default or Event of Default shall be deemed to have occurred solely as a result of changes in rates of exchange occurring after the time such Indebtedness or Investment is incurred or Disposition or Restricted Payment made; provided, further, that, for the avoidance of doubt, the foregoing provisions of this Section 1.06 shall otherwise apply to such Sections, including with respect to determining whether any Indebtedness or Investment may be incurred or Disposition or Restricted Payment made at any time under such Sections. For purposes of any determination of Consolidated Total Debt or Consolidated EBITDA, amounts in

currencies other than dollars shall be translated into dollars at the currency exchange rates used in preparing the most recently delivered financial statements pursuant to Section 5.01(a) or (b). Each provision of this Agreement shall be subject to such reasonable changes of construction as the Administrative Agent may from time to time specify with the Borrower's consent (such consent not to be unreasonably withheld) to appropriately reflect a change in currency of any country and any relevant market conventions or practices relating to such change in currency.

(b) The Administrative Agent does not warrant, nor accept responsibility, nor shall the Administrative Agent have any liability with respect to the administration, submission or any other matter related to the rates in the definition of "~~LIBO Rate~~Term SOFR" or with respect to any ~~rate that is an alternative or replacement for comparable~~ or successor ~~to any of such rate (including, without limitation, any LIBOR Successor Rate)~~thereto, or the effect of any of the foregoing, ~~or of any LIBOR Successor Rate Conforming Changes~~.

SECTION 1.07 Limited Condition Transactions.

Notwithstanding anything in this Agreement or any other Loan Document to the contrary, for purposes of:

- (i) determining compliance with any provision of this Agreement (other than Section 6.10) which requires the calculation of the Interest Coverage Ratio, the Total Leverage Ratio, the Secured Leverage Ratio or the First Lien Leverage Ratio;
- (ii) determining the accuracy of representations and warranties and/or whether a Default or Event of Default (or any subset of Defaults or Events of Default) shall have occurred and be continuing or would result from an action; or
- (iii) testing availability under baskets set forth in this Agreement (including baskets measured as a percentage of Consolidated EBITDA or Consolidated Total Assets or by reference to the Available Amount or the Available Equity Amount) (including the incurrence of any Incremental Facility);

in each case, in connection with a Limited Condition Transaction, at the option of the Borrower (the Borrower's election to exercise such option in connection with any Limited Condition Transaction, an "LCT Election"), with such LCT Election to be made on or prior to (a) in the case of any Limited Condition Transaction described in clause (a) of the definition of "Limited Condition Transaction," the date of execution of, at the option of the Borrower, the definitive agreement or a letter of intent related to such Limited Condition Transaction, or (b) with respect to any Limited Condition Transaction described in clause (b) or (c) of the definition of "Limited Condition Transaction," the date of delivery of irrevocable notice with respect thereto (provided that, in each case, the Borrower may subsequently elect to rescind such LCT Election), and the date of determination of whether any such Limited Condition Transaction (including any Specified Transaction or other action in connection therewith) is permitted hereunder shall be deemed to be the date the definitive agreement or a letter of intent for such Limited Condition Transaction are entered into or the date of delivery of irrevocable notice with respect to such Limited Condition Transaction, as applicable (the "LCT Test Date"), and if, after giving Pro Forma Effect to the Limited Condition Transaction, the Specified Transactions and the other transactions to be entered into in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) as if they had occurred at the beginning of the most recent Test Period ending prior to the LCT Test Date, the Borrower could have taken such action on the relevant LCT Test Date in compliance with such ratio or basket, such ratio or basket shall be deemed to have been complied with.

For the avoidance of doubt, if the Borrower has made an LCT Election and any of the ratios or baskets for which compliance was determined or tested as of the LCT Test Date (including with respect to the incurrence of Indebtedness) are exceeded as a result of fluctuations in any such ratio or basket, including due to fluctuations in Consolidated EBITDA of the Borrower or the Person subject to such Limited Condition Transaction, at or prior to the consummation of the relevant transaction or action, such baskets or ratios will not be deemed to have been exceeded as a result of such fluctuations; however, if any ratios improve or baskets increase as a result of such fluctuations, such improved ratios or increased baskets may be utilized. If the Borrower has made an LCT Election for any Limited Condition Transaction, then in connection with any subsequent calculation of the incurrence ratios subject to the LCT Election on or following the relevant LCT Test Date and prior to the earlier of (i) the date on which such Limited Condition Transaction is consummated or (ii) the date that the definitive agreement, letter of intent or notice, as applicable, for such Limited Condition Transaction is terminated or expires without consummation of such Limited

Condition Transaction, any such ratio or basket shall be calculated on a pro forma basis assuming such Limited Condition Transaction and other transactions in connection therewith (including any incurrence of Indebtedness or Liens and the use of proceeds thereof) have been consummated.

SECTION 1.08 Cashless Rollovers. Notwithstanding anything to the contrary contained in this Agreement or in any other Loan Document, to the extent that any Lender extends the maturity date of, or replaces, renews or refinances, any of its then-existing Loans with Incremental Revolving Loans, Other Revolving Loans, Incremental Term Loans, Other Term Loans or loans incurred under a new credit facility, in each case, to the extent such extension, replacement, renewal or refinancing is effected by means of a “cashless roll” by such Lender pursuant to settlement mechanisms approved by the Borrower, the Administrative Agent and such Lender, such extension, replacement, renewal or refinancing shall be deemed to comply with any requirement hereunder or any other Loan Document that such payment be made “in dollars”, “in immediately available funds”, “in cash” or any other similar requirement.

SECTION 1.09 Letter of Credit Amounts. Unless otherwise specified herein, the amount of a Letter of Credit at any time shall be deemed to be the stated amount of such Letter of Credit in effect at such time; provided, however, that with respect to any Letter of Credit that, by its terms or the terms of any other document, agreement and instrument entered into by applicable Issuing Bank and the Borrower (or any Subsidiary) or in favor of such Issuing Bank and relating to such Letter of Credit, provides for one or more automatic increases in the stated amount thereof, the amount of such Letter of Credit shall be deemed to be the maximum stated amount of such Letter of Credit after giving effect to all such increases, whether or not such maximum stated amount is in effect at such time.

SECTION 1.10 Times of Day. Unless otherwise specified, all references herein to times of day shall be references to Eastern time (daylight or standard, as applicable).

SECTION 1.11 Additional Alternative Currencies.

(a) The Borrower may from time to time request that Letters of Credit be issued in a currency other than dollars; provided that such requested currency is an Eligible Currency. Such request shall be subject to the approval of the Administrative Agent and the applicable Issuing Banks. ~~(b)~~ Any such request shall be made to the Administrative Agent not later than 11:00 a.m., twenty (20) Business Days prior to the date of the issuance, extension or increase of any Letter of Credit to be issued in such currency (or such other time or date as may be reasonably agreed by the Administrative Agent and the applicable Issuing Banks). The Administrative Agent shall promptly notify the applicable Issuing Banks thereof. The applicable Issuing Bank shall notify the Administrative Agent, not later than 11:00 a.m., ten (10) Business Days after receipt of such request whether it consents, in its sole discretion, to the issuance of Letters of Credit, as the case may be, in such requested currency. ~~(c)~~ Any failure by an Issuing Bank to respond to such request within the time period specified in the preceding clause ~~(b)~~ shall be deemed to be a refusal by such Issuing Bank to permit Letters of Credit to be issued in such requested currency. If the Administrative Agent and the applicable Issuing Bank consent to the issuance of Letters of Credit in such requested currency, the Administrative Agent shall so notify the Borrower and (A) the Administrative Agent and the ~~applicable~~ Issuing Bank may amend ~~the definition of LIBO Rate for any currency for which there is no published LIBO Rate with respect thereto~~ this Agreement to the extent necessary to add the applicable ~~LIBO Rate~~ interest rate for such currency and (B) to the extent ~~the definition of LIBO Rate~~ this Agreement reflects the appropriate interest rate for such currency or has been amended to reflect the appropriate rate for such currency, and such currency shall thereupon be deemed for all purposes to be an Alternative Currency, for purposes of any Letter of Credit issuances. If the Administrative Agent shall fail to obtain consent to any request for an additional currency under this Section 1.11, the Administrative Agent shall promptly so notify the Borrower.

ARTICLE II
THE CREDITS

SECTION 2.01 Commitments. Subject to the terms and conditions set forth herein, (a) each Term Lender agrees to make an Initial Term Loan to the Borrower on the Effective Date denominated in dollars in a principal amount not exceeding its Initial Term Commitment, (b) each Revolving Lender agrees to make Revolving Loans to the Borrower denominated in dollars from time to time during the Revolving Availability Period in an aggregate principal amount which will not result in such Lender's Revolving Exposure exceeding such Lender's Revolving Commitment, and (c) each First Additional Term Lender agrees to make a First Additional Term Loan to the Borrower on the Amendment No. 1 Effective Date denominated in dollars in a principal amount not exceeding its First Additional Term Commitment. The Borrower may borrow, prepay and reborrow Revolving Loans. Amounts repaid or prepaid in respect of Term Loans may not be reborrowed.

SECTION 2.02 Loans and Borrowings.

(a) Each Loan shall be made as part of a Borrowing consisting of Loans of the same Class and Type made by the Lenders ratably in accordance with their respective Commitments of the applicable Class. The failure of any Lender to make any Loan required to be made by it shall not relieve any other Lender of its obligations hereunder, provided that the Commitments of the Lenders are several and, other than as expressly provided herein with respect to a Defaulting Lender, no Lender shall be responsible for any other Lender's failure to make Loans as required hereby.

(b) Subject to Section 2.14, each Revolving Loan Borrowing and Term Loan Borrowing denominated in dollars shall be comprised entirely of ABR Loans or EurocurrencyTerm SOFR Loans as the Borrower may request in accordance herewith; ~~provided that all Borrowings made on the Effective Date must be made as ABR Borrowings unless the Borrower shall have given the notice required for a Eurocurrency Borrowing under Section 2.03 and provided an indemnity (which may be in an indemnity letter or a Borrowing Request) extending the benefits of Section 2.16 to lenders in respect of such Borrowings.~~ Each Lender at its option may make any Loan by causing any domestic or foreign branch or Affiliate of such Lender to make such Loan; provided that any exercise of such option shall not affect the obligation of the Borrower to repay such Loan in accordance with the terms of this Agreement.

(c) At the commencement of each Interest Period for any EurocurrencyTerm SOFR Borrowing, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum; provided that a EurocurrencyTerm SOFR Borrowing that results from a continuation of an outstanding EurocurrencyTerm SOFR Borrowing may be in an aggregate amount that is equal to such outstanding Borrowing. At the time that each ABR Borrowing is made, such Borrowing shall be in an aggregate amount that is an integral multiple of the Borrowing Multiple and not less than the Borrowing Minimum. Borrowings of more than one Type and Class may be outstanding at the same time; provided that there shall not at any time be more than a total of three EurocurrencyTerm SOFR Borrowings that are Term Loans outstanding and ten EurocurrencyTerm SOFR Borrowings that are Revolving Loans outstanding (or, in any case, such greater number of EurocurrencyTerm SOFR Borrowings as the Administrative Agent may reasonably agree).

(d) Subject to the terms and conditions set forth herein and in Amendment No. 1, each Rollover Amendment No. 1 Term Lender severally agrees to exchange its Exchanged Amendment No. 1 Term Loans for a like principal amount of Term B-1 Loans on the Amendment No. 1 Effective Date. Subject to the terms and conditions set forth herein and in Amendment No. 1, each Additional Term B-1 Lender severally agrees to make an Additional Term B-1 Loan (which shall be considered an increase to (and part of) the Term B-1 Loans) to the Borrower on the Amendment No. 1 Effective Date in the principal amount equal to its Additional Term B-1 Commitment on the Amendment No. 1 Effective Date. The Borrower shall prepay the Non-Exchanged Amendment No. 1 Term Loans with a like amount of the gross proceeds of the Additional Term B-1 Loans, concurrently with the receipt thereof. The Borrower shall pay to the Term Lenders immediately prior to the effectiveness of Amendment No. 1 all accrued and unpaid interest on the Term Loans to, but not including, the Amendment No. 1 Effective Date on such Amendment No. 1 Effective Date. The Term B-1 Loans shall have the terms set forth in this Agreement and the other Loan Documents, including as modified by Amendment No. 1; it being understood that the Term B-1 Loans (and all principal, interest and other amounts in respect thereof) will constitute "Obligations" under this Agreement and the other Loan Documents. As provided in 2.07(a) and subject to the terms hereof, the Borrower may elect that the Term B-1 Loans comprising the Borrowing hereunder of Term B-1 Loans be either ABR Loans or EurocurrencyTerm SOFR Loans.

SECTION 2.03 Requests for Borrowings. To request a Revolving Loan Borrowing or Term Loan Borrowing, the Borrower shall notify the Administrative Agent of such request, which notice may be given by (A) telephone or (B) a Borrowing Request; provided that any telephone notice must be confirmed promptly by delivery to the Administrative Agent of a Borrowing Request. Each such notice must be received by the Administrative Agent (a)(x) in the case of a EurocurrencyTerm SOFR Borrowing, not later than 2:00 p.m., New York City time, three U.S. Government Securities Business Days before the date of the proposed Borrowing (or, in the case of any EurocurrencyTerm SOFR Borrowing to be made on the Amendment No. 1 Effective Date, such shorter period of time as may be agreed to by the Administrative Agent) or (b) in the case of an ABR Borrowing, not later than 11:00 a.m., New York City time, on the date of the proposed Borrowing; provided that any such notice of an ABR Revolving Loan Borrowing to finance the reimbursement of an LC Disbursement as contemplated by Section 2.05(f) may be given no later than 2:00 p.m., New York City time, on the date of the proposed Borrowing. Each such Borrowing Request shall be irrevocable and shall be delivered by hand delivery, facsimile or other electronic transmission (or, if requested by telephone, promptly confirmed in writing by hand delivery, facsimile or other electronic transmission) to the Administrative Agent and shall be signed by the Borrower. Each such Borrowing Request shall specify the following information:

(i) whether the requested Borrowing is to be a Term Loan Borrowing, a Revolving Loan Borrowing or a Borrowing of any other Class (specifying the Class thereof);

(ii) the aggregate amount of such Borrowing;

(iii) the date of such Borrowing, which shall be a Business Day;

(iv) whether such Borrowing is to be an ABR Borrowing or a EurocurrencyTerm SOFR Borrowing;

(v) in the case of a EurocurrencyTerm SOFR Borrowing, the initial Interest Period to be applicable thereto, which shall be a period contemplated by the definition of the term "Interest Period";

(vi) the location and number of the Borrower's account to which funds are to be disbursed, which shall comply with the requirements of Section 2.06 or, in the case of any ABR Revolving Loan Borrowing requested to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f), the identity of the Issuing Bank that made such LC Disbursement, and

(vii) except on the Effective Date, that, as of the date of such Borrowing, the conditions set forth in Section 4.02(a) and Section 4.02(b) are satisfied.

If no election as to the Type of Borrowing is specified as to any Borrowing, then the requested Borrowing shall be an ABR Borrowing. If no Interest Period is specified with respect to any requested EurocurrencyTerm SOFR Borrowing, then the Borrower shall be deemed to have selected an Interest Period of one month's duration. Promptly following receipt of a Borrowing Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of the amount of such Lender's Loan to be made as part of the requested Borrowing.

SECTION 2.04 [Reserved].

SECTION 2.05 Letters of Credit.

(a) General. Subject to the terms and conditions set forth herein (including Section 2.22), each Issuing Bank that is so requested by the Borrower agrees, in reliance upon the agreement of the Revolving Lenders set forth in this Section 2.05, to issue Letters of Credit denominated in dollars or any Alternative Currency for the Borrower's own account (or for the account of any Subsidiary so long as the Borrower and such other Subsidiary are co-applicants and jointly and severally liable in respect of such Letter of Credit), in a form reasonably acceptable to the Administrative Agent and the applicable Issuing Bank, which shall reflect the standard policies and procedures of such Issuing Bank, at any time and from time to time during the period from the Effective Date until the Letter of Credit Expiration Date. In the event of any inconsistency between the terms and conditions of this Agreement and the terms and conditions of any form of letter of credit application or other agreement submitted by the Borrower to, or

entered into by the Borrower with, any Issuing Bank relating to any Letter of Credit, the terms and conditions of this Agreement shall control. Subject to the terms and conditions hereof, the Borrower's ability to obtain Letters of Credit shall be fully revolving, and accordingly the Borrower may, during the foregoing period, obtain Letters of Credit to replace Letters of Credit that have expired (without any drawing having been made thereunder that has not been rejected or honored) or that have been drawn upon and reimbursed.

(b) Issuance, Amendment, Renewal, Extension; Certain Conditions. To request the issuance of a Letter of Credit (or the amendment, renewal or extension of an outstanding Letter of Credit), the Borrower shall deliver in writing by hand delivery or facsimile (or transmit by electronic communication, if arrangements for doing so have been approved by the recipient) to the applicable Issuing Bank and the Administrative Agent (at least five Business Days before the requested date of issuance, amendment, renewal or extension or such shorter period as the applicable Issuing Bank and the Administrative Agent may agree) a notice requesting the issuance of a Letter of Credit, or identifying the Letter of Credit to be amended, renewed or extended, and specifying the date of issuance, amendment, renewal or extension (which shall be a Business Day), the date on which such Letter of Credit is to expire (which shall comply with paragraph (d) of this Section 2.05), the currency and amount of such Letter of Credit, the name and address of the beneficiary thereof and such other information as shall be necessary to prepare, amend, renew or extend such Letter of Credit. If requested by the applicable Issuing Bank, the Borrower also shall submit a letter of credit or bank guarantee application on such Issuing Bank's standard form in connection with any request for a Letter of Credit. A Letter of Credit shall be issued, amended, renewed or extended by an Issuing Bank only if (and upon issuance, amendment, renewal or extension of any Letter of Credit the Borrower shall be deemed to represent and warrant that), after giving effect to such issuance, amendment, renewal or extension, (i) the aggregate Revolving Exposures shall not exceed the aggregate Revolving Commitments, (ii) the aggregate LC Exposure shall not exceed the aggregate Letter of Credit Commitments and (iii) the LC Exposure of such Issuing Bank shall not exceed the Letter of Credit Commitments of such Issuing Bank. No Issuing Bank shall be under any obligation to issue (or amend) any Letter of Credit if (i) any order, judgment or decree of any Governmental Authority or arbitrator shall enjoin or restrain such Issuing Bank from issuing (or amending) the Letter of Credit, or any law applicable to such Issuing Bank any directive (whether or not having the force of law) from any Governmental Authority with jurisdiction over such Issuing Bank shall prohibit the issuance (or amendment) of letters of credit generally or the Letter of Credit in particular or shall impose upon such Issuing Bank with respect to the Letter of Credit any restriction, reserve or capital requirement (for which such Issuing Bank is not otherwise compensated hereunder) not in effect on the Effective Date, or shall impose upon such Issuing Bank any unreimbursed loss, cost or expense which was not applicable on the Effective Date and which such Issuing Bank in good faith deems material to it, (ii) except as otherwise agreed by such Issuing Bank, the Letter of Credit is in an initial stated amount less than \$100,000 or (iii) any Lender is at that time a Defaulting Lender, if after giving effect to Section 2.22(a)(iv), any Defaulting Lender Fronting Exposure remains outstanding, unless such Issuing Bank has entered into arrangements, including the delivery of Cash Collateral, reasonably satisfactory to such Issuing Bank with the Borrower or such Lender to eliminate such Issuing Bank's Defaulting Lender Fronting Exposure arising from either the Letter of Credit then proposed to be issued (or amended) or such Letter of Credit and all other LC Exposure as to which such Issuing Bank has Defaulting Lender Fronting Exposure. Notwithstanding the foregoing, no Issuing Bank shall be required to issue a commercial or trade Letter of Credit unless reasonably agreed between such Issuing Bank and the Borrower.

(c) Notice. Each Issuing Bank agrees that it shall not permit any issuance, amendment, renewal or extension of a Letter of Credit to occur unless it shall have given to the Administrative Agent any written notice thereof required under paragraph (m) of this Section and each Issuing Bank hereby agrees to give such notice.

(d) Expiration Date. Unless cash collateralized or backstopped pursuant to arrangements reasonably acceptable to the applicable Issuing Bank, each Letter of Credit shall expire at or prior to the close of business on the earlier of (i) the date that is one year after the date of the issuance of such Letter of Credit (or, in the case of any renewal or extension thereof, one year after such renewal or extension) and (ii) the Letter of Credit Expiration Date; provided that if such expiry date is not a Business Day, such Letter of Credit shall expire at or prior to close of business on the next succeeding Business Day; provided, however, that any Letter of Credit may, upon the request of the Borrower, include a provision whereby such Letter of Credit shall be extended automatically for additional consecutive periods of one year or less (but not beyond the Letter of Credit Expiration Date) unless the applicable Issuing Bank notifies the beneficiary thereof within the time period specified in such Letter of Credit or, if no such time period is specified, at least 30 days prior to the then-applicable expiration date, that such Letter of Credit will not be renewed.

(e) Participations.

(i) By the issuance of a Letter of Credit or an amendment to a Letter of Credit increasing the amount thereof, and without any further action on the part of the Issuing Bank that is the issuer thereof or the Lenders, such Issuing Bank hereby grants to each Revolving Lender, and each Revolving Lender hereby irrevocably and unconditionally acquires from such Issuing Bank without recourse or warranty (regardless of whether the conditions set forth in Section 4.02 shall have been satisfied), a participation in such Letter of Credit equal to such Revolving Lender's Applicable Percentage of the aggregate amount available to be drawn under such Letter of Credit. In consideration and in furtherance of the foregoing, each Revolving Lender hereby absolutely and unconditionally agrees to pay to the Administrative Agent, for the account of such Issuing Bank, such Revolving Lender's Applicable Percentage of each LC Disbursement made by such Issuing Bank and not reimbursed by the Borrower on the date due as provided in paragraph (f) of this Section 2.05, or of any reimbursement payment required to be refunded to the Borrower for any reason. Each Revolving Lender acknowledges and agrees that its obligation to acquire participations pursuant to this paragraph in respect of Letters of Credit is absolute and unconditional and shall not be affected by any circumstance whatsoever, including any amendment, renewal or extension of any Letter of Credit or the occurrence and continuance of a Default or any reduction or termination of the Revolving Commitments, and that each such payment shall be made without any offset, abatement, withholding or reduction whatsoever.

(ii) At any time after an Issuing Bank has made a payment under any Letter of Credit and has received from any Revolving Lender such Lender's Applicable Percentage of the applicable LC Disbursement in respect of such payment in accordance with Section 2.05(e)(i), if the Administrative Agent receives for the account of such Issuing Bank any payment in respect of the related unreimbursed amount of the applicable LC Disbursement or interest thereon (whether directly from the Borrower or otherwise, including proceeds of Cash Collateral applied thereto by the Administrative Agent), the Administrative Agent will distribute to such Lender its Applicable Percentage thereof in the same funds as those received by the Administrative Agent.

(iii) If any payment received by the Administrative Agent for the account of the applicable Issuing Bank pursuant to Section 2.05(e)(i) is required to be returned under any of the circumstances described in Section 9.08 (including pursuant to any settlement entered into by the Issuing Bank in its discretion), each Revolving Lender shall pay to the Administrative Agent for the account of the applicable Issuing Bank its Applicable Percentage thereof on demand of the Administrative Agent, plus interest thereon from the date of such demand to the date such amount is returned by such Lender, at a rate per annum equal to the Federal Funds Effective Rate from time to time in effect. The obligations of the Lenders under this clause shall survive the payment in full of the Obligations and the termination of this Agreement.

(f) Reimbursement. If an Issuing Bank shall make any LC Disbursement in respect of a Letter of Credit, the Borrower shall reimburse such LC Disbursement by paying to the Issuing Bank through the Administrative Agent, with notice of such payment given to the Issuing Bank, an amount equal to such LC Disbursement not later than 4:00 p.m., New York City time, on the Business Day immediately following the day that the Borrower receives notice of such LC Disbursement; provided that, if such LC Disbursement is not less than \$1,000,000, the Borrower may, subject to the conditions to borrowing set forth herein, request in accordance with Section 2.03 that such payment be financed with an ABR Revolving Loan Borrowing, in each case in an equivalent amount, and, to the extent so financed, the Borrower's obligation to make such payment shall be discharged and replaced by the resulting ABR Revolving Loan Borrowing. In the case of a Letter of Credit denominated in an Alternative Currency, the Borrower shall reimburse the Issuing Bank through the Administrative Agent in such Alternative Currency, unless (A) the Issuing Bank (at its option) shall have specified in such notice that it will require reimbursement in dollars, or (B) in the absence of any such requirement for reimbursement in dollars, the Borrower shall have notified the Issuing Bank promptly following receipt of the notice of the LC Disbursement that the Borrower will reimburse the Issuing Bank in dollars. In the case of any such reimbursement in dollars of a LC Disbursement under a Letter of Credit denominated in an Alternative Currency, the Issuing Bank shall notify the Borrower of the Dollar Equivalent of the amount of the LC Disbursement promptly following the determination thereof. In the event that (A) a LC Disbursement denominated in an Alternative Currency is to be reimbursed in dollars pursuant to the second sentence in this Section 2.05(f) and (B) the dollar amount paid by the Borrower, whether on or after the date of the LC Disbursement, shall not be adequate on the date of that payment to purchase in accordance with normal banking procedures a sum denominated in the Alternative Currency equal to the LC Disbursement, the Borrower agrees, as a separate and independent obligation, to indemnify the Issuing Bank for the loss resulting from its inability on that date to purchase the Alternative Currency in the full

amount of the LC Disbursement. If the Borrower fails to make such payment when due, the Administrative Agent shall notify each Revolving Lender of the applicable LC Disbursement, the payment then due from the Borrower in respect thereof and such Revolving Lender's Applicable Percentage thereof. Promptly following receipt of such notice, each Revolving Lender shall pay to the Administrative Agent in dollars its Applicable Percentage of the payment then due from the Borrower, and in the same manner as provided in Section 2.06 with respect to Loans made by such Lender (and Section 2.06 shall apply, mutatis mutandis, to the payment obligations of the Revolving Lenders pursuant to this paragraph), and the Administrative Agent shall promptly remit to the applicable Issuing Bank the amounts so received by it from the Revolving Lenders. Promptly following receipt by the Administrative Agent of any payment from or on behalf of the Borrower pursuant to this paragraph, the Administrative Agent shall distribute such payment to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to this paragraph to reimburse such Issuing Bank, then to such Revolving Lenders and such Issuing Bank as their interests may appear. Any payment made by a Revolving Lender pursuant to this paragraph to reimburse any Issuing Bank for any LC Disbursement (other than the funding of ABR Revolving Loans as contemplated above) shall not constitute a Loan and shall not relieve the Borrower of its obligation to reimburse such LC Disbursement.

(g) Obligations Absolute. The Borrower's obligation to reimburse LC Disbursements as provided in paragraph (f) of this Section 2.05 and the obligations of the Revolving Lenders as provided in paragraph (e) of this Section 2.05 is absolute, unconditional and irrevocable, and shall be performed strictly in accordance with the terms of this Agreement under any and all circumstances whatsoever and irrespective of (i) any lack of validity or enforceability of any Letter of Credit or this Agreement or any of the other Loan Documents, or any term or provision therein, (ii) any draft or other document presented under a Letter of Credit proving to be forged, fraudulent or invalid in any respect or any statement therein being untrue or inaccurate in any respect, (iii) payment by an Issuing Bank under a Letter of Credit against presentation of a draft or other document that does not comply with the terms of such Letter of Credit, (iv) the occurrence of any Default or Event of Default, (v) the existence of any claim, counterclaim, setoff, defense or other right that the Borrower may have at any time against any beneficiary, the Issuing Bank or any other person, (vi) any waiver by an Issuing Bank of any requirement that exists for such Issuing Bank's protection and not the protection of the Borrower or any waiver by an Issuing Bank which does not in fact materially prejudice the Borrower, (vii) any payment made by an Issuing Bank in respect of an otherwise complying item presented after the date specified as the expiration date of, or the date by which documents must be received under such Letter of Credit if presentation after such date is authorized by the UCC, the ISP or the UCP, as applicable, or (viii) any other event or circumstance whatsoever, whether or not similar to any of the foregoing, that might, but for the provisions of this Section 2.05, constitute a legal or equitable discharge of, or provide a right of setoff against, the Borrower's obligations hereunder. None of the Administrative Agent, the Lenders, the Issuing Banks or any of their Affiliates shall have any liability or responsibility by reason of or in connection with the issuance or transfer of any Letter of Credit or any payment or failure to make any payment thereunder (irrespective of any of the circumstances referred to in the preceding sentence), or any error, omission, interruption, loss or delay in transmission or delivery of any draft, notice or other communication under or relating to any Letter of Credit (including any document required to make a drawing thereunder), any error in interpretation of technical terms or any consequence arising from causes beyond the control of the Issuing Banks; provided that the foregoing shall not be construed to excuse any Issuing Bank from liability to the Borrower to the extent of any direct damages (as opposed to consequential, exemplary or punitive damages, claims in respect of which are hereby waived by the Borrower to the extent permitted by applicable law) suffered by the Borrower that are caused by such Issuing Bank's failure to exercise care when determining whether drafts and other documents presented under a Letter of Credit comply with the terms thereof. The parties hereto expressly agree that, in the absence of gross negligence or willful misconduct on the part of an Issuing Bank (as determined by a court of competent jurisdiction in a final, non-appealable judgment), such Issuing Bank shall be deemed to have exercised care in each such determination. In furtherance of the foregoing and without limiting the generality thereof, the parties agree that, with respect to documents presented that appear on their face to be in substantial compliance with the terms of a Letter of Credit, an Issuing Bank may, in its sole discretion, either accept and make payment upon such documents without responsibility for further investigation, regardless of any notice or information to the contrary, or refuse to accept and make payment upon such documents if such documents are not in strict compliance with the terms of such Letter of Credit, and any such acceptance or refusal shall be deemed not to constitute gross negligence or willful misconduct.

(h) Disbursement Procedures. The applicable Issuing Bank shall, promptly following its receipt thereof, examine all documents purporting to represent a demand for payment under a Letter of Credit. Such Issuing Bank shall promptly notify the Administrative Agent and the Borrower by telephone (confirmed by hand delivery, facsimile or electronic communication) (if arrangements for doing so have been approved by the applicable Issuing Bank) of such demand for payment and whether such Issuing Bank has made an LC Disbursement thereunder; provided that any failure to give or delay in giving such notice shall not relieve the Borrower of its obligation to reimburse such Issuing Bank and the Revolving Lenders with respect to any such LC Disbursement in accordance with paragraph (f) of this Section.

(i) Interim Interest. If an Issuing Bank shall make any LC Disbursement, then, unless the Borrower shall reimburse such LC Disbursement in full on the date such LC Disbursement is made, the unpaid amount thereof shall bear interest, for each day from and including the date such LC Disbursement is made to but excluding the date that the Borrower reimburses such LC Disbursement, at the rate per annum then applicable to (x) in the case of an LC Disbursement denominated in dollars, ABR Revolving Loans and (y) in the case of an LC Disbursement that is not denominated in dollars, ~~Eurocurrency~~ Term SOFR Revolving Loans; provided that, if the Borrower fails to reimburse such LC Disbursement when due pursuant to paragraph (f) of this Section 2.05, then Section 2.13(c) shall apply. Interest accrued pursuant to this paragraph shall be paid to the Administrative Agent, for the account of the applicable Issuing Bank, except that interest accrued on and after the date of payment by any Revolving Lender pursuant to paragraph (f) of this Section 2.05 to reimburse such Issuing Bank shall be for the account of such Lender to the extent of such payment and shall be payable within two Business Days of demand or, if no demand has been made, within two Business Days of the date on which the Borrower reimburses the applicable LC Disbursement in full. If any Revolving Lender shall not have made its Applicable Percentage of such LC Disbursement available to the Administrative Agent as provided in clause (f) above, such Revolving Lender shall agree to pay interest on such amount, for each day from and including the date such amount is required to be paid at a rate determined by the Administrative Agent in accordance with banking industry rules or practices on interbank compensation.

(j) Cash Collateralization. If any Event of Default under clause (a), (b), (h) or (i) of Section 7.01 shall occur and be continuing, on the Business Day on which the Borrower receives notice from the Administrative Agent or the Required Lenders (or, if the maturity of the Loans has been accelerated, Revolving Lenders with LC Exposure representing more than 50.0% of the aggregate LC Exposure of all Revolving Lenders) demanding the deposit of Cash Collateral pursuant to this paragraph, the Borrower shall deposit in an account with the Administrative Agent, in the name of the Administrative Agent and for the benefit of the Issuing Banks and the Revolving Lenders, an amount of cash in dollars equal to the Dollar Equivalent of the portions of the LC Exposure attributable to Letters of Credit, as of such date plus any accrued and unpaid interest thereon; provided that the obligation to deposit such Cash Collateral shall become effective immediately, and such deposit shall become immediately due and payable, without demand or other notice of any kind, upon the occurrence of any Event of Default with respect to the Borrower described in clause (h) or (i) of Section 7.01. The Borrower also shall deposit Cash Collateral pursuant to this paragraph as and to the extent required by Section 2.11(b). Each such deposit shall be held by the Administrative Agent as collateral for the payment and performance of the obligations of the Borrower under this Agreement. At any time that there shall exist a Defaulting Lender, if any Defaulting Lender Fronting Exposure remains outstanding (after giving effect to Section 2.22(a)(iv)), then promptly upon the request of the Administrative Agent or any Issuing Bank, the Borrower shall deliver to the Administrative Agent Cash Collateral in an amount sufficient to cover such Defaulting Lender Fronting Exposure (after giving effect to any Cash Collateral provided by the Defaulting Lender). The Administrative Agent shall have exclusive dominion and control, including the exclusive right of withdrawal, over such account. Other than any interest earned on the investment of such deposits, which investments shall be made at the option and sole discretion of the Administrative Agent in Permitted Investments and at the Borrower's risk and expense, such deposits shall not bear interest. Interest or profits, if any, on such investments shall accumulate in such account. Moneys in such account shall be applied by the Administrative Agent to reimburse the Issuing Banks for LC Disbursements for which they have not been reimbursed and, to the extent not so applied, shall be held for the satisfaction of the reimbursement obligations of the Borrower for the LC Exposure at such time or, if the maturity of the Loans has been accelerated (but subject to the consent of Revolving Lenders with LC Exposure representing more than 50.0% of the aggregate LC Exposure of all the Revolving Lenders), be applied to satisfy other obligations of the Borrower under this Agreement in accordance with the terms of the Loan Documents. If the Borrower is required to provide an amount of Cash Collateral hereunder as a result of the occurrence of an Event of Default or the existence of a Defaulting Lender, such amount (to the extent not applied as aforesaid) shall be returned to the Borrower within three Business Days after all Events of Default have been cured or waived or after the termination of Defaulting Lender status, as

applicable. If the Borrower is required to provide an amount of Cash Collateral hereunder pursuant to Section 2.11(b), such amount (to the extent not applied as aforesaid) shall be returned to the Borrower as and to the extent that, after giving effect to such return, the Borrower would remain in compliance with Section 2.11(b) and no Event of Default shall have occurred and be continuing.

(k) Designation of Additional Issuing Banks. The Borrower may, at any time and from time to time, designate as additional Issuing Banks one or more Revolving Lenders that agree to serve in such capacity as provided below. The acceptance by a Revolving Lender of an appointment as an Issuing Bank hereunder shall be evidenced by an agreement, which shall be in form and substance reasonably satisfactory to the Administrative Agent and the Borrower, executed by the Borrower, the Administrative Agent and such designated Revolving Lender and, from and after the effective date of such agreement, (i) such Revolving Lender shall have all the rights and obligations of an Issuing Bank under this Agreement and (ii) references herein to the term "Issuing Bank" shall be deemed to include such Revolving Lender in its capacity as an issuer of Letters of Credit hereunder.

(l) Termination / Resignation of an Issuing Bank.

(i) The Borrower may terminate the appointment of any Issuing Bank as an "Issuing Bank" hereunder by providing a written notice thereof to such Issuing Bank, with a copy to the Administrative Agent. Any such termination shall become effective upon the earlier of (x) such Issuing Bank's acknowledging receipt of such notice and (y) the fifth Business Day following the date of the delivery thereof; provided that no such termination shall become effective until and unless the LC Exposure attributable to Letters of Credit issued by such Issuing Bank (or its Affiliates) shall have been reduced to zero. At the time any such termination shall become effective, the Borrower shall pay all unpaid fees accrued for the account of the terminated Issuing Bank pursuant to Section 2.12(a). Notwithstanding the effectiveness of any such termination, the terminated Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such termination, but shall not issue any additional Letters of Credit.

(ii) Subject to the appointment and acceptance of a successor Issuing Bank, any Issuing Bank may resign as an Issuing Bank at any time upon 30 days' prior written notice to the Administrative Agent, the Borrower and the Lenders. In the event of any such resignation as an Issuing Bank, the Borrower shall be entitled to appoint from among the Lenders a successor Issuing Bank hereunder. Notwithstanding the effectiveness of any such resignation, any former Issuing Bank shall remain a party hereto and shall continue to have all the rights of an Issuing Bank under this Agreement with respect to Letters of Credit issued by it prior to such termination, but shall not issue any additional Letters of Credit. Upon the appointment of a successor Issuing Bank, (x) such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring Issuing Bank as the case may be, and (y) the successor Issuing Bank shall issue letters of credit in substitution for the Letters of Credit, if any, outstanding on behalf such resigning Issuing Bank at the time of such succession or make other arrangements satisfactory to the applicable Issuing Bank to effectively assume the obligations of such Issuing Bank with respect to such Letters of Credit.

(m) Issuing Bank Reports to the Administrative Agent. Unless otherwise agreed by the Administrative Agent, each Issuing Bank shall, in addition to its notification obligations set forth elsewhere in this Section, report in writing to the Administrative Agent (i) periodic activity (for such period or recurrent periods as shall be reasonably requested by the Administrative Agent) in respect of Letters of Credit issued by such Issuing Bank, including all issuances, extensions, amendments and renewals, all expirations and cancellations and all disbursements and reimbursements, (ii) within five Business Days following the time that such Issuing Bank issues, amends, renews or extends any Letter of Credit, the date of such issuance, amendment, renewal or extension, and the face amount of the Letters of Credit issued, amended, renewed or extended by it and outstanding after giving effect to such issuance, amendment, renewal or extension (and whether the amounts thereof shall have changed), (iii) on each Business Day on which such Issuing Bank makes any LC Disbursement, the date and amount of such LC Disbursement, (iv) on any Business Day on which the Borrower fails to reimburse an LC Disbursement required to be reimbursed to such Issuing Bank on such day, the date of such failure and amount of such LC Disbursement and (v) on any other Business Day, such other information as the Administrative Agent shall reasonably request as to the Letters of Credit issued by such Issuing Bank.

(n) Applicability of ISP and UCP. Unless otherwise expressly agreed by the applicable Issuing Bank and the Borrower when a Letter of Credit is issued, (i) the rules of the ISP shall apply to each standby Letter of Credit, and (ii) the rules of the Uniform Customs and Practice for Documentary Credits, as most recently published by the International Chamber of Commerce at the time of issuance, shall apply to each commercial Letter of Credit. Notwithstanding the foregoing, no Issuing Bank shall be responsible to the Borrower for, and no Issuing Bank's rights and remedies against the Borrower shall be impaired by, any action or inaction of such Issuing Bank required or permitted under any law, order, or practice that is required or permitted to be applied to any Letter of Credit or this Agreement, including the Law or any order of a jurisdiction where such Issuing Bank or the beneficiary is located, the practice stated in the ISP or UCP, as applicable, or in the decisions, opinions, practice statements, or official commentary of the ICC Banking Commission, the Bankers Association for Finance and Trade – International Financial Services Association (BAFT-IFSA), or the Institute of International Banking Law & Practice, whether or not any Letter of Credit chooses such law or practice.

(o) Letters of Credit Issued for Subsidiaries. Notwithstanding that a Letter of Credit issued or outstanding hereunder is in support of any obligations of, or is for the account of, a Subsidiary, the Borrower shall be obligated to reimburse the applicable Issuing Bank hereunder for any and all drawings under such Letter of Credit. The Borrower hereby acknowledges that the issuance of Letters of Credit for the account of Subsidiaries inures to the benefit of the Borrower, and that the Borrower's business derives substantial benefits from the businesses of such Subsidiaries.

SECTION 2.06 Funding of Borrowings.

(a) Each Lender shall make each Loan to be made by it hereunder on the proposed date thereof by wire transfer of immediately available funds in dollars by 2:00 p.m., New York City time, to the Applicable Account of the Administrative Agent most-recently designated by it for such purpose by notice to the Lenders. The Administrative Agent will make such Loans available to the Borrower by promptly crediting the amounts so received, in like funds, to an account of the Borrower designated by the Borrower in the applicable Borrowing Request; provided that ABR Revolving Loans made to finance the reimbursement of an LC Disbursement as provided in Section 2.05(f) shall be remitted by the Administrative Agent to the applicable Issuing Bank or, to the extent that Revolving Lenders have made payments pursuant to Section 2.05(f) to reimburse such Issuing Bank, then to such Lenders and such Issuing Bank as their interests may appear.

(b) Unless the Administrative Agent shall have received notice from a Lender prior to the proposed date of any Borrowing that such Lender will not make available to the Administrative Agent such Lender's share of such Borrowing, the Administrative Agent may assume that such Lender has made such share available on such date in accordance with paragraph (a) of this Section and may, in reliance on such assumption and in its sole discretion, make available to the Borrower a corresponding amount. In such event, if a Lender has not in fact made its share of the applicable Borrowing available to the Administrative Agent, then the applicable Lender agrees to pay to the Administrative Agent an amount equal to such share on demand of the Administrative Agent. If such Lender does not pay such corresponding amount forthwith upon demand of the Administrative Agent therefor, the Administrative Agent shall promptly notify the Borrower, and the Borrower agrees to pay such corresponding amount to the Administrative Agent forthwith on demand. The Administrative Agent shall also be entitled to recover from such Lender or the Borrower interest on such corresponding amount, for each day from and including the date such amount is made available to the Borrower to but excluding the date of payment to the Administrative Agent, at (i) in the case of such Lender, the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation, the rate reasonably determined by the Administrative Agent to be its cost of funding such amount, or (ii) in the case of the Borrower, the interest rate applicable to such Borrowing in accordance with Section 2.13. If such Lender pays such amount to the Administrative Agent, then such amount shall constitute such Lender's Loan included in such Borrowing.

(c) Obligations of the Lenders hereunder to make Term Loans and Revolving Loans, to fund participations in Letters of Credit and to make payments pursuant to Section 9.03(c) are several and not joint. The failure of any Lender to make any Loan, to fund any such participation or to make any payment under Section 9.03(c) on any date required hereunder shall not relieve any other Lender of its corresponding obligation to do so on such date, and, other than as expressly provided herein with respect to a Defaulting Lender, no Lender shall be responsible for the failure of any other Lender to so make its Loan, to purchase its participation or to make its payment under Section 9.03(c).

SECTION 2.07 Interest Elections.

(a) Each Revolving Loan Borrowing and Term Loan Borrowing initially shall be of the Type specified in the applicable Borrowing Request or designated by Section 2.03 and, in the case of a EurocurrencyTerm SOFR Borrowing, shall have an initial Interest Period as specified in such Borrowing Request or designated by Section 2.03. Thereafter, the Borrower may elect to convert such Borrowing to a different Type or to continue such Borrowing and, in the case of a EurocurrencyTerm SOFR Borrowing, may elect Interest Periods therefor, all as provided in this Section. The Borrower may elect different options with respect to different portions of the affected Borrowing, in which case each such portion shall be allocated ratably among the Lenders holding the Loans comprising such Borrowing, and the Loans comprising each such portion shall be considered a separate Borrowing.

(b) To make an election pursuant to this Section, the Borrower shall notify the Administrative Agent of such election by telephone (or, at the option of Borrower, in writing) by the time that a Borrowing Request would be required under Section 2.03 if the Borrower were requesting a Borrowing of the Type resulting from such election to be made on the effective date of such election. Each such request may be given by (1) telephone or (2) an Interest Election Request.

(c) Each such request shall be irrevocable and each telephonic request shall be confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Interest Election Request signed by a Responsible Officer of the Borrower.

(d) Each telephonic request and written Interest Election Request shall specify the following information in compliance with Section 2.03:

(i) the Borrowing to which such Interest Election Request applies and, if different options are being elected with respect to different portions thereof, the portions thereof to be allocated to each resulting Borrowing (in which case the information to be specified pursuant to clauses (iii) and (iv) below shall be specified for each resulting Borrowing);

(ii) the effective date of the election made pursuant to such Interest Election Request, which shall be a Business Day;

(iii) whether the resulting Borrowing is to be an ABR Borrowing or a EurocurrencyTerm SOFR Borrowing; and

(iv) if the resulting Borrowing is to be a EurocurrencyTerm SOFR Borrowing, the Interest Period to be applicable thereto after giving effect to such election, which shall be a period contemplated by the definition of the term "Interest Period."

(e) Promptly following receipt of an Interest Election Request in accordance with this Section, the Administrative Agent shall advise each Lender of the applicable Class of the details thereof and of such Lender's portion of each resulting Borrowing.

(f) If the Borrower fails to deliver a timely Interest Election Request with respect to a EurocurrencyTerm SOFR Borrowing prior to the end of the Interest Period applicable thereto, then, unless such Borrowing is repaid as provided herein, at the end of such Interest Period, the Borrower shall be deemed to have selected an Interest Period of one month's duration.

The Revolving Commitments shall terminate at 11:59 p.m., New York City time, on the Revolving Maturity Date.

The Borrower may terminate the Commitments of any Defaulting Lending on a non-pro rata basis upon notice to the Administrative Agent.

(c) The Borrower shall notify the Administrative Agent of any election to terminate or reduce the Commitments under paragraph (b) of this Section at least one Business Day prior to the effective date of such termination or reduction, specifying such election and the effective date thereof. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each notice delivered by the Borrower pursuant to this Section shall be irrevocable; provided that a notice of termination of the Revolving Commitments delivered by the Borrower may state that such notice is conditioned upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified effective date of termination) if such condition is not satisfied. Any termination or reduction of the Commitments of any Class shall be permanent. Each reduction of the Commitments of any Class shall be made ratably among the Lenders in accordance with their respective Commitments of such Class.

(d) The entries made in the accounts maintained pursuant to paragraph (b) or (c) of this Section shall be prima facie evidence of the existence and amounts of the obligations recorded therein, provided that the failure of any Lender or the Administrative Agent to maintain such accounts or any error therein shall not in any manner affect the obligation of the Borrower to pay any amounts due hereunder in accordance with the terms of this Agreement. In the event of any inconsistency between the entries made pursuant to paragraphs (b) and (c) of this Section, the accounts maintained by the Administrative Agent pursuant to paragraph (c) of this Section shall control.

(A) The Borrower shall have the right to make a voluntary prepayment of Term Loans at a discount to par (such prepayment, the "Discounted Term Loan Prepayment") pursuant to a Borrower Offer of Specified Discount Prepayment, Borrower Solicitation of Discount Range Prepayment Offers or Borrower Solicitation of Discounted Prepayment Offers, in each case made in accordance with this Section 2.11(a)(ii); provided that (x) the Borrower shall not make any Borrowing of Revolving Loans to fund any Discounted Term Loan Prepayment and (y) the Borrower shall not initiate any action under this Section 2.11(a)(ii) in order to make a Discounted Term Loan Prepayment with respect to any Class unless (I) at least ten (10) Business Days shall have passed since the consummation of the most recent Discounted Term Loan Prepayment with respect to such Class as a result of a prepayment made by the Borrower on the applicable Discounted Prepayment Effective Date; or (II) at least three (3) Business Days shall have passed since the date the Borrower was notified that no Term Lender was willing to accept any prepayment of any Term Loan and/or Other Term Loan at the Specified Discount, within the Discount Range or at any discount to par value, as applicable, or in the case of Borrower Solicitation of Discounted Prepayment Offers, the date of the Borrower's election not to accept any Solicited Discounted Prepayment Offers.

(B) (1) Subject to the proviso to subsection (A) above, the Borrower may from time to time offer to make a Discounted Term Loan Prepayment by providing the Auction Agent with three (3) Business Days' notice in the form of a Specified Discount Prepayment Notice; provided that (I) any such offer shall be made available, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such offer shall specify the aggregate principal amount offered to be prepaid (the "Specified Discount Prepayment Amount") with respect to each applicable Class, the Class or Classes of Term Loans subject to such offer and the specific percentage discount to par (the "Specified Discount") of such Term Loans to be prepaid (it being understood that different Specified Discounts and/or Specified Discount Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Specified Discount Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such offer shall remain outstanding through the Specified Discount Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Specified Discount Prepayment Notice and a form of the Specified Discount Prepayment Response to be completed and returned by each such Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Specified Discount Prepayment Response Date").

(2) Each relevant Term Lender receiving such offer shall notify the Auction Agent (or its delegate) by the Specified Discount Prepayment Response Date whether or not it agrees to accept a prepayment of any of its relevant then outstanding Term Loans at the Specified Discount and, if so (such accepting Term Lender, a "Discount Prepayment Accepting Lender"), the amount and the Classes of such Term Lender's Term Loans to be prepaid at such offered discount. Each acceptance of a Discounted Term Loan Prepayment by a Discount Prepayment Accepting Lender shall be irrevocable. Any Term Lender whose

Specified Discount Prepayment Response is not received by the Auction Agent by the Specified Discount Prepayment Response Date shall be deemed to have declined to accept the applicable Borrower Offer of Specified Discount Prepayment.

(3) If there is at least one Discount Prepayment Accepting Lender, the Borrower will make prepayment of outstanding Term Loans pursuant to this paragraph (B) to each Discount Prepayment Accepting Lender in accordance with the respective outstanding amount and Classes of Term Loans specified in such Term Lender's Specified Discount Prepayment Response given pursuant to subsection (2); provided that, if the aggregate principal amount of Term Loans accepted for prepayment by all Discount Prepayment Accepting Lenders exceeds the Specified Discount Prepayment Amount, such prepayment shall be made pro-rata among the Discount Prepayment Accepting Lenders in accordance with the respective principal amounts accepted to be prepaid by each such Discount Prepayment Accepting Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its reasonable discretion) will calculate such proration (the "Specified Discount Proration"). The Auction Agent shall promptly, and in any case within three (3) Business Days following the Specified Discount Prepayment Response Date, notify (I) the Borrower of the respective Term Lenders' responses to such offer, the Discounted Prepayment Effective Date and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, and the aggregate principal amount and the Classes of Term Loans to be prepaid at the Specified Discount on such date and (III) each Discount Prepayment Accepting Lender of the Specified Discount Proration, if any, and confirmation of the principal amount, Class and Type of Loans of such Term Lender to be prepaid at the Specified Discount on such date. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(C) (1) Subject to the proviso to subsection (A) above, the Borrower may from time to time solicit Discount Range Prepayment Offers by providing the Auction Agent with three (3) Business Days' notice in the form of a Discount Range Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate principal amount of the relevant Term Loans (the "Discount Range Prepayment Amount"), the Class or Classes of Term Loans subject to such offer and the maximum and minimum percentage discounts to par (the "Discount Range") of the principal amount of such Term Loans with respect to each relevant Class of Term Loans willing to be prepaid by the Borrower (it being understood that different Discount Ranges and/or Discount Range Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Discount Range Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Discount Range Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Discount Range Prepayment Notice and a form of the Discount Range Prepayment Offer to be submitted by a responding relevant Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time, on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the "Discount Range Prepayment Response Date"). Each relevant Term Lender's Discount Range Prepayment Offer shall be irrevocable and shall specify a discount to par within the Discount Range (the "Submitted Discount") at which such Term Lender is willing to allow prepayment of any or all of its then outstanding Term Loans of the applicable Class or Classes and the maximum aggregate principal amount and Classes of such Term Lender's Term Loans (the "Submitted Amount") such Term Lender is willing to have prepaid at the Submitted Discount. Any Term Lender whose Discount Range Prepayment Offer is not received by the Auction Agent by the Discount Range Prepayment Response Date shall be deemed to have declined to accept a Discounted Term Loan Prepayment of any of its Term Loans at any discount to their par value within the Discount Range.

(2) The Auction Agent shall review all Discount Range Prepayment Offers received on or before the applicable Discount Range Prepayment Response Date and shall determine (in consultation with the

Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the Applicable Discount and Term Loans to be prepaid at such Applicable Discount in accordance with this subsection (C). The Borrower agrees to accept on the Discount Range Prepayment Response Date all Discount Range Prepayment Offers received by Auction Agent by the Discount Range Prepayment Response Date, in the order from the Submitted Discount that is the largest discount to par to the Submitted Discount that is the smallest discount to par, up to and including the Submitted Discount that is the smallest discount to par within the Discount Range (such Submitted Discount that is the smallest discount to par within the Discount Range being referred to as the “Applicable Discount”) which yields a Discounted Term Loan Prepayment in an aggregate principal amount equal to the lower of (I) the Discount Range Prepayment Amount and (II) the sum of all Submitted Amounts. Each Term Lender that has submitted a Discount Range Prepayment Offer to accept prepayment at a discount to par that is larger than or equal to the Applicable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Submitted Amount (subject to any required proration pursuant to the following subsection (3)) at the Applicable Discount (each such Term Lender, a “Participating Lender”).

(3) If there is at least one Participating Lender, the Borrower will prepay the respective outstanding Term Loans of each Participating Lender in the aggregate principal amount and of the Classes specified in such Term Lender’s Discount Range Prepayment Offer at the Applicable Discount; provided that if the Submitted Amount by all Participating Lenders offered at a discount to par greater than the Applicable Discount exceeds the Discount Range Prepayment Amount, prepayment of the principal amount of the relevant Term Loans for those Participating Lenders whose Submitted Discount is a discount to par greater than or equal to the Applicable Discount (the “Identified Participating Lenders”) shall be made pro-rata among the Identified Participating Lenders in accordance with the Submitted Amount of each such Identified Participating Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Discount Range Proration”). The Auction Agent shall promptly, and in any case within five (5) Business Days following the Discount Range Prepayment Response Date, notify (I) the Borrower of the respective Term Lenders’ responses to such solicitation, the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount of the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Applicable Discount, and the aggregate principal amount and Classes of Term Loans to be prepaid at the Applicable Discount on such date, (III) each Participating Lender of the aggregate principal amount and Classes of such Term Lender to be prepaid at the Applicable Discount on such date, and (z) if applicable, each Identified Participating Lender of the Discount Range Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(D) (1) Subject to the proviso to subsection (A) above, the Borrower may from time to time solicit Solicited Discounted Prepayment Offers by providing the Auction Agent with three (3) Business Days’ notice in the form of a Solicited Discounted Prepayment Notice; provided that (I) any such solicitation shall be extended, at the sole discretion of the Borrower, to each Term Lender and/or each Lender with respect to any Class of Term Loans on an individual tranche basis, (II) any such notice shall specify the maximum aggregate dollar amount of the Term Loans (the “Solicited Discounted Prepayment Amount”) and the Class or Classes of Term Loans the Borrower is willing to prepay at a discount (it being understood that different Solicited Discounted Prepayment Amounts may be offered with respect to different Classes of Term Loans and, in such an event, each such offer will be treated as a separate offer pursuant to the terms of this Section), (III) the Solicited Discounted Prepayment Amount shall be in an aggregate amount not less than \$1,000,000 and whole increments of \$500,000 in excess thereof and (IV) each such solicitation by the Borrower shall remain outstanding through the Solicited Discounted Prepayment Response Date. The Auction Agent will promptly provide each relevant Term Lender with a copy of such Solicited Discounted Prepayment Notice and a form of the Solicited Discounted Prepayment Offer to be submitted by a responding Term Lender to the Auction Agent (or its delegate) by no later than 5:00 p.m., New York City time on the third Business Day after the date of delivery of such notice to the relevant Term Lenders (the “Solicited Discounted Prepayment Response Date”). Each Term Lender’s Solicited Discounted Prepayment Offer shall (x) be irrevocable, (y) remain

outstanding until the Acceptance Date, and (z) specify both a discount to par (the “Offered Discount”) at which such Term Lender is willing to allow prepayment of its then outstanding Term Loan and the maximum aggregate principal amount and Classes of such Term Loans (the “Offered Amount”) such Term Lender is willing to have prepaid at the Offered Discount. Any Term Lender whose Solicited Discounted Prepayment Offer is not received by the Auction Agent by the Solicited Discounted Prepayment Response Date shall be deemed to have declined prepayment of any of its Term Loans at any discount.

(2) The Auction Agent shall promptly provide the Borrower with a copy of all Solicited Discounted Prepayment Offers received on or before the Solicited Discounted Prepayment Response Date. The Borrower shall review all such Solicited Discounted Prepayment Offers and select the largest of the Offered Discounts specified by the relevant responding Term Lenders in the Solicited Discounted Prepayment Offers that is acceptable to the Borrower (the “Acceptable Discount”), if any. If the Borrower elects to accept any Offered Discount as the Acceptable Discount, then as soon as practicable after the determination of the Acceptable Discount, but in no event later than by the third Business Day after the date of receipt by the Borrower from the Auction Agent of a copy of all Solicited Discounted Prepayment Offers pursuant to the first sentence of this subsection (2) (the “Acceptance Date”), the Borrower shall submit an Acceptance and Prepayment Notice to the Auction Agent setting forth the Acceptable Discount. If the Auction Agent shall fail to receive an Acceptance and Prepayment Notice from the Borrower by the Acceptance Date, the Borrower shall be deemed to have rejected all Solicited Discounted Prepayment Offers.

(3) Based upon the Acceptable Discount and the Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, within three (3) Business Days after receipt of an Acceptance and Prepayment Notice (the “Discounted Prepayment Determination Date”), the Auction Agent will determine (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) the aggregate principal amount and the Classes of Term Loans (the “Acceptable Prepayment Amount”) to be prepaid by the Borrower at the Acceptable Discount in accordance with this Section 2.11(a)(ii)(D)). If the Borrower elects to accept any Acceptable Discount, then the Borrower agrees to accept all Solicited Discounted Prepayment Offers received by Auction Agent by the Solicited Discounted Prepayment Response Date, in the order from largest Offered Discount to smallest Offered Discount, up to and including the Acceptable Discount. Each Term Lender that has submitted a Solicited Discounted Prepayment Offer with an Offered Discount that is greater than or equal to the Acceptable Discount shall be deemed to have irrevocably consented to prepayment of Term Loans equal to its Offered Amount (subject to any required pro-rata reduction pursuant to the following sentence) at the Acceptable Discount (each such Term Lender, a “Qualifying Lender”). The Borrower will prepay outstanding Term Loans pursuant to this subsection (D) to each Qualifying Lender in the aggregate principal amount and of the Classes specified in such Term Lender’s Solicited Discounted Prepayment Offer at the Acceptable Discount; provided that if the aggregate Offered Amount by all Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount exceeds the Solicited Discounted Prepayment Amount, prepayment of the principal amount of the Term Loans for those Qualifying Lenders whose Offered Discount is greater than or equal to the Acceptable Discount (the “Identified Qualifying Lenders”) shall be made pro rata among the Identified Qualifying Lenders in accordance with the Offered Amount of each such Identified Qualifying Lender and the Auction Agent (in consultation with the Borrower and subject to rounding requirements of the Auction Agent made in its sole reasonable discretion) will calculate such proration (the “Solicited Discount Proration”). On or prior to the Discounted Prepayment Determination Date, the Auction Agent shall promptly notify (I) the Borrower of the Discounted Prepayment Effective Date and Acceptable Prepayment Amount comprising the Discounted Term Loan Prepayment and the Classes to be prepaid, (II) each Term Lender of the Discounted Prepayment Effective Date, the Acceptable Discount, and the Acceptable Prepayment Amount of all Term Loans and the Classes to be prepaid at the Applicable Discount on such date, (III) each Qualifying Lender of the aggregate principal amount and the Classes of such Term Lender to be prepaid at the Acceptable Discount on such date, and (IV) if applicable, each Identified Qualifying Lender of the Solicited Discount Proration. Each determination by the Auction Agent of the amounts stated in the foregoing notices to the Borrower and Term Lenders shall be conclusive and binding for all purposes absent manifest error. The payment amount specified in such notice to the Borrower shall be due and payable by the Borrower on the Discounted Prepayment Effective Date in accordance with subsection (F) below (subject to subsection (J) below).

(E) In connection with any Discounted Term Loan Prepayment, the Borrower and the Term Lenders acknowledge and agree that the Auction Agent may require as a condition to any Discounted Term Loan Prepayment, the payment of customary fees and expenses from the Borrower in connection therewith.

(F) If any Term Loan is prepaid in accordance with paragraphs (B) through (D) above, the Borrower shall prepay such Term Loans on the Discounted Prepayment Effective Date. The Borrower shall make such prepayment to the Auction Agent, for the account of the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable, at the Administrative Agent's Office in immediately available funds not later than 11:00 a.m., New York City time, on the Discounted Prepayment Effective Date and all such prepayments shall be applied to the remaining principal installments of the relevant Class of Term Loans on a pro rata basis across such installments. The Term Loans so prepaid shall be accompanied by all accrued and unpaid interest on the par principal amount so prepaid up to, but not including, the Discounted Prepayment Effective Date. Each prepayment of the outstanding Term Loans pursuant to this Section 2.11(a)(ii) shall be paid to the Discount Prepayment Accepting Lenders, Participating Lenders, or Qualifying Lenders, as applicable. The aggregate principal amount of the Classes and installments of the relevant Term Loans outstanding shall be deemed reduced by the full par value of the aggregate principal amount of the Classes of Term Loans prepaid on the Discounted Prepayment Effective Date in any Discounted Term Loan Prepayment.

(G) To the extent not expressly provided for herein, each Discounted Term Loan Prepayment shall be consummated pursuant to procedures consistent with the provisions in this Section 2.11(a)(ii), established by the Auction Agent acting in its reasonable discretion and as reasonably agreed by the Borrower.

(H) Notwithstanding anything in any Loan Document to the contrary, for purposes of this Section 2.11(a)(ii), each notice or other communication required to be delivered or otherwise provided to the Auction Agent (or its delegate) shall be deemed to have been given upon Auction Agent's (or its delegate's) actual receipt during normal business hours of such notice or communication; provided that any notice or communication actually received outside of normal business hours shall be deemed to have been given as of the opening of business on the next Business Day.

(I) The Borrower and each of the Term Lenders acknowledges and agrees that the Auction Agent may perform any and all of its duties under this Section 2.11(a)(ii) by itself or through any Affiliate of the Auction Agent and expressly consents to any such delegation of duties by the Auction Agent to such Affiliate and the performance of such delegated duties by such Affiliate. The exculpatory provisions pursuant to this Agreement shall apply to each Affiliate of the Auction Agent and its respective activities in connection with any Discounted Term Loan Prepayment provided for in this Section 2.11(a)(ii) as well as activities of the Auction Agent.

(J) The Borrower shall have the right, by written notice to the Auction Agent, to revoke in full (but not in part) its offer to make a Discounted Term Loan Prepayment and rescind the applicable Specified Discount Prepayment Notice, Discount Range Prepayment Notice or Solicited Discounted Prepayment Notice therefor at its discretion at any time on or prior to the applicable Specified Discount Prepayment Response Date (and if such offer is revoked pursuant to this subclause (J), any failure by the Borrower to make any prepayment to a Term Lender, as applicable, pursuant to this Section 2.11(a)(ii) shall not constitute a Default or Event of Default under Section 7.01 or otherwise).

Notwithstanding anything to contrary, the provisions of this Section 2.11(a)(ii) shall permit any transaction permitted by such section to be conducted on a Class by Class basis and on a non-pro rata basis across Classes (but not within a single Class), in each case, as selected by the Borrower.

(b) In the event and on each occasion that the aggregate Revolving Exposures exceed the aggregate Revolving Commitments, the Borrower shall prepay Revolving Loan Borrowings (or, if no such Borrowings are outstanding, deposit Cash Collateral in an account with the Administrative Agent pursuant to Section 2.05(j)) in an aggregate amount necessary to eliminate such excess.

(c) In the event and on each occasion that any Net Proceeds are received by or on behalf of Holdings, the Borrower or any of its Restricted Subsidiaries in respect of any Prepayment Event, the Borrower shall, within ten Business Days after such Net Proceeds are received (or, in the case of a Prepayment Event described in clause (b) of the definition of the term “Prepayment Event,” on the date of such Prepayment Event), prepay Term Loan Borrowings in an aggregate amount equal to the Disposition/Debt Percentage of the amount of such Net Proceeds; provided that, in the case of any event described in clause (a) of the definition of the term “Prepayment Event” in reliance on clause (I) of the first proviso to Section 6.05(k), if Holdings, the Borrower and the Restricted Subsidiaries invest (or commit to invest) the Net Proceeds from such event (or a portion thereof) within 450 days after receipt of such Net Proceeds in the business of Holdings and its Subsidiaries (including any acquisitions or other Investment permitted under Section 6.04), then no prepayment shall be required pursuant to this paragraph in respect of such Net Proceeds in respect of such event (or the applicable portion of such Net Proceeds, if applicable) except to the extent of any such Net Proceeds therefrom that have not been so invested (or committed to be invested) by the end of such 450 day period (or if committed to be so invested within such 450 day period, have not been so invested within 630 days after receipt thereof), at which time a prepayment shall be required in an amount equal to such Net Proceeds that have not been so invested (or committed to be invested); provided, further, that the Borrower may use a portion of such Net Proceeds to prepay or repurchase any other Indebtedness that is secured by a Lien on the Collateral that ranks equal in priority (but without regard to the control of remedies) with the Lien on the Collateral securing the Secured Obligations to the extent such other Indebtedness and the Liens securing the same are permitted hereunder and the documentation governing such other Indebtedness requires such a prepayment or repurchase thereof with the proceeds of such Prepayment Event, in each case in an amount not to exceed the product of (x) the amount of such Net Proceeds and (y) a fraction, the numerator of which is the outstanding principal amount of such other Indebtedness and the denominator of which is the aggregate outstanding principal amount of Term Loans and such other Indebtedness.

(d) Following the end of each fiscal year of the Borrower, commencing with the fiscal year ending December 31, 2021, the Borrower shall prepay Term Loan Borrowings in an aggregate amount equal to the ECF Percentage of Excess Cash Flow for such fiscal year; provided that (A) at the Borrower’s option, such amount shall be reduced by the sum of (i) the aggregate amount of prepayments of (x) Term Loans (and, to the extent the Revolving Commitments are reduced in a corresponding amount pursuant to Section 2.08, Revolving Loans) made pursuant to Section 2.11(a) or Section 2.11(a) of the Second Lien Credit Agreement during such fiscal year or after such fiscal year and prior to the time such prepayment is due as provided below (provided that such reduction as a result of prepayments pursuant to Section 2.11(a)(ii) or Section 2.11(a)(ii) of the Second Lien Credit Agreement shall be limited to the actual amount of such cash prepayment) and (y) other Consolidated First Lien Debt (provided that in the case of the prepayment of any revolving commitments, there is a corresponding reduction in commitments), excluding, in each case, all such prepayments funded with the proceeds of other long-term Indebtedness or the issuance of Equity Interests and (ii) ECF Deductions and (B) no prepayment shall be required under this Section 2.11(d) unless the amount thereof (after giving effect to the foregoing clause (A)) would equal or exceed \$15,000,000. Each prepayment pursuant to this paragraph shall be made on or before the date that is ten Business Days after the date on which financial statements are required to be delivered pursuant to Section 5.01 with respect to the fiscal year for which Excess Cash Flow is being calculated.

(e) Prior to any optional or mandatory prepayment of Borrowings hereunder, the Borrower shall select the Borrowing or Borrowings to be prepaid and shall specify such selection in the notice of such prepayment pursuant to paragraph (f) of this Section (including in the event of any mandatory prepayment of Term Loan Borrowings made at a time when Term Loan Borrowings of more than one Class remain outstanding); provided that any Term Lender (and, to the extent provided in the Refinancing Amendment or Loan Modification Offer for any Borrowing of Other Term Loans, any Lender that holds Other Term Loans of such Borrowing) may elect, by notice to the Administrative Agent by telephone (confirmed by hand delivery, facsimile or other electronic transmission) at least one Business Day prior to the prepayment date, to decline all or any portion of any prepayment of its Term Loans or Other Term Loans of any such Borrowing pursuant to this Section (other than an optional prepayment pursuant to paragraph (a)(i) of this Section or a mandatory prepayment as a result of the Prepayment Event set forth in clause (b) of the definition thereof, which may not be declined), in which case the aggregate amount of the prepayment that would have been applied to prepay Term Loans or Other Term Loans of any such Borrowing but was so declined shall be retained by Holdings, the Borrower and the Restricted Subsidiaries (such amounts, “Retained Declined Proceeds”). An amount equal to Retained Declined Proceeds may, to the extent permitted hereunder, be applied by the Borrower to prepay the loans under Second Lien Credit Agreement to the extent then outstanding and/or (at the Borrower’s election) Permitted Second Priority Refinancing Debt. Optional and mandatory prepayments of Term Loan Borrowings shall be allocated

among the Classes of Term Loan Borrowings as directed by the Borrower. In the absence of a designation by the Borrower as described in the preceding provisions of this paragraph of the Type of Borrowing of any Class, the Administrative Agent shall make such designation in its reasonable discretion with a view, but no obligation, to minimize breakage costs owing under ~~Section 2.16~~ 2.16.

(f) The Borrower shall notify the Administrative Agent of any prepayment hereunder by telephone or delivering a Notice of Loan Prepayment; provided that, unless otherwise agreed by the Administrative Agent, such notice must be received (i) in the case of prepayment of a ~~Eurocurrency Term SOFR~~ Borrowing, not later than 11:00 a.m., New York City time, three Business Days before the date of prepayment or (ii) in the case of prepayment of an ABR Borrowing, not later than 11:00 a.m., New York City time, one Business Day before the date of prepayment; provided, further, that each telephonic notice shall be confirmed promptly by hand delivery, facsimile or other electronic transmission to the Administrative Agent of a written Notice of Loan Prepayment signed by a Responsible Officer of the Borrower. Each such notice shall be irrevocable and shall specify the prepayment date and the principal amount of each Borrowing or portion thereof to be prepaid and, in the case of a mandatory prepayment, a reasonably detailed calculation of the amount of such prepayment; provided that a notice of optional prepayment may state that such notice is conditional upon the effectiveness of other credit facilities or the receipt of the proceeds from the issuance of other Indebtedness or the occurrence of some other identifiable event or condition, in which case such notice of prepayment may be revoked by the Borrower (by notice to the Administrative Agent on or prior to the specified date of prepayment) if such condition is not satisfied. Promptly following receipt of any such notice, the Administrative Agent shall advise the Lenders of the contents thereof. Each partial prepayment of any Borrowing shall be in an amount that would be permitted in the case of an advance of a Borrowing of the same Type as provided in Section 2.02, except as necessary to apply fully the required amount of a mandatory prepayment. Each prepayment of a Borrowing shall be applied ratably to the Loans included in the prepaid Borrowing. Prepayments shall be accompanied by accrued interest to the extent required by Section 2.13. At the Borrower's election in connection with any prepayment pursuant to this Section 2.11, such prepayment shall not be applied to any Term Loan or Revolving Loan of a Defaulting Lender and shall be allocated ratably among the relevant non-Defaulting Lenders.

(g) Notwithstanding any other provisions of Section 2.11(c) or (d), (A) to the extent that any of or all the Net Proceeds of any Prepayment Event set forth in clause (a) of the definition thereof by a Foreign Subsidiary giving rise to a prepayment pursuant to Section 2.11(c) (a "Foreign Prepayment Event") or Excess Cash Flow giving rise to a prepayment pursuant to Section 2.11(d) are prohibited or delayed by any Requirement of Law from being repatriated to the Borrower, the portion of such Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.11(c) or (d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary so long, but only so long, as the applicable Requirement of Law will not permit repatriation to the Borrower (the Borrower hereby agreeing to cause the applicable Foreign Subsidiary to promptly take all actions reasonably required by the applicable Requirement of Law to permit such repatriation), and once such repatriation of any of such affected Net Proceeds or Excess Cash Flow is permitted under the applicable Requirement of Law, such repatriation will be promptly effected and such repatriated Net Proceeds or Excess Cash Flow will be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof to the extent not taken into account by the definition of Net Proceeds or Excess Cash Flow, as applicable) to the repayment of the Term Loans pursuant to Section 2.11(c) or (d), as applicable, and (B) to the extent that and for so long as the Borrower has determined in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, the Net Proceeds or Excess Cash Flow so affected will not be required to be applied to repay Term Loans at the times provided in Section 2.11(c) or (d), as the case may be, and such amounts may be retained by the applicable Foreign Subsidiary; provided that when the Borrower determines in good faith that repatriation of any of or all the Net Proceeds of any Foreign Prepayment Event or Excess Cash Flow would no longer have a material adverse tax consequence (taking into account any foreign tax credit or benefit actually realized in connection with such repatriation) with respect to such Net Proceeds or Excess Cash Flow, such Net Proceeds or Excess Cash Flow shall be promptly (and in any event not later than three Business Days after such repatriation) applied (net of additional taxes payable or reserved against as a result thereof to the extent not taken into account by the definition of Net Proceeds or Excess Cash Flow, as applicable) to the repayment of the Term Loans pursuant to Section 2.11(c) or (d), as applicable.

(h) Notwithstanding anything herein to the contrary, if, at the time that any prepayment would be required under Section 2.11(c) (solely with respect to an Asset Sale Prepayment Event) or (d), the Borrower or any Restricted Subsidiary is required to repay or repurchase any other Indebtedness (or offer to repay or repurchase such Indebtedness) that is secured by a Lien on the Collateral ranking equal in priority (but without regard to the control of remedies) to the Lien on the Collateral securing the Secured Obligation pursuant to the terms of the documentation governing such Indebtedness with the proceeds of such Asset Sale Prepayment Event or such Excess Cash Flow (such Indebtedness required to be so repaid or repurchased (or offered to be repaid or repurchased), the “Other Applicable Indebtedness”), then the relevant Person may apply the proceeds of such Asset Sale Prepayment Event or such Excess Cash Flow on a pro rata (or less than pro rata) basis to the prepayment, repurchase or repayment of the Other Applicable Indebtedness (determined on the basis of the aggregate outstanding principal amount of the Other Applicable Indebtedness (or accreted amount if such Other Applicable Indebtedness is issued with original issue discount) at such time); it being understood that (1) the portion of the proceeds of such Asset Sale Prepayment Event or such Excess Cash Flow allocated to the Other Applicable Indebtedness shall not exceed the amount of the proceeds of such Asset Sale Prepayment Event or such Excess Cash Flow required to be allocated to the Other Applicable Indebtedness pursuant to the terms thereof (and the remaining amount, if any, of the proceeds of such Asset Sale Prepayment Event or such Excess Cash Flow shall be allocated in accordance with the terms hereof), and the amount of the prepayment, repurchase or repayment of the Other Applicable Indebtedness that would have otherwise been required pursuant to this Section 2.11 shall be reduced accordingly and (2) to the extent the holders of the Other Applicable Indebtedness decline to have such Indebtedness prepaid, repaid or repurchased, the declined amount shall promptly (and in any event within ten Business Days after the date of such rejection) be applied in accordance with the terms hereof (without giving effect to this Section 2.11(h)).

SECTION 2.12 Fees.

(a) The Borrower agrees to pay to the Administrative Agent in dollars for the account of each Revolving Lender a commitment fee, which shall accrue at the rate of 0.50% per annum (or at any time following delivery of the consolidated financial statements pursuant to Section 5.01(a) or Section 5.01(b) as of and for the fiscal quarter ended June 30, 2020, (i) 0.375% per annum if the First Lien Leverage Ratio is less than or equal to 4.25 to 1.00, but greater than 3.75 to 1.00 and (ii) 0.25% per annum if the First Lien Leverage Ratio is less than or equal to 3.75 to 1.00 on the actual daily unused amount of the Revolving Commitment of such Lender during the period from and including the Effective Date to but excluding the date on which the Revolving Commitments terminate. Beginning with March 31, 2020, accrued commitment fees shall be payable in arrears on the last Business Day of March, June, September and December of each year and on the date on which the Revolving Commitments terminate, commencing on the first such date to occur after the date hereof. All commitment fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed (including the first day but excluding the last day). For purposes of computing commitment fees, a Revolving Commitment of a Lender shall be deemed to be used to the extent of the outstanding Revolving Loans and LC Exposure of such Lender.

(b) The Borrower agrees to pay to the Administrative Agent for the account of each Revolving Lender (other than any Defaulting Lender) a participation fee with respect to its participations in Letters of Credit, which shall accrue at the Applicable Rate, in each case, used to determine the interest rate applicable to Eurocurrency Term SOFR Revolving Loans on the daily amount of such Revolving Lender’s LC Exposure (excluding any portion thereof attributable to unreimbursed LC Disbursements), during the period from and including the Effective Date to but excluding the later of the date on which such Revolving Lender’s Revolving Commitment terminates and the date on which such Revolving Lender ceases to have any LC Exposure. In addition, the Borrower agrees to pay to each Issuing Bank, for its own account, a fronting fee, in respect of each Letter of Credit issued by such Issuing Bank to the Borrower for the period from the date of issuance of such Letter of Credit through the expiration date of such Letter of Credit (or if terminated on an earlier date to the termination date of such Letter of Credit), computed at a rate equal to 0.125% per annum or such other percentage per annum to be agreed upon between the Borrower and such Issuing Bank of the daily outstanding amount of such Letter of Credit, as well as such Issuing Bank’s standard fees with respect to the issuance, amendment, renewal or extension of any Letter of Credit or processing of drawings thereunder. Participation fees and fronting fees accrued through and including the last day of March, June, September and December of each year shall be payable on the last Business Day of each such month, commencing on March 31, 2020; provided that all such fees shall be payable on the date on which the Revolving Commitments terminate and any such fees accruing after the date on which the Revolving Commitments terminate shall be payable on demand until the expiration or cancellation of all outstanding Letters of Credit. All participation fees and fronting fees shall be computed on the basis of a year of 360 days and shall be payable for the actual number of days elapsed.

(c) All fees payable hereunder shall be paid on the dates due, in immediately available funds, to the Administrative Agent (or to an Issuing Bank, in the case of fees payable to it) for distribution, in the case of commitment fees and participation fees, to the Revolving Lenders entitled thereto. Fees paid hereunder shall not be refundable under any circumstances.

(d) The Borrower agrees to pay to the Administrative Agent, for its own account, an agency fee payable in the amount and at the times separately agreed upon between the Borrower and the Administrative Agent.

(e) Notwithstanding the foregoing, and subject to [Section 2.22](#), the Borrower shall not be obligated to pay any amounts to any Defaulting Lender pursuant to this [Section 2.12](#); provided that such amounts shall be payable to any non-Defaulting Lender which assumes the obligations of a Defaulting Lender pursuant to [Section 2.22\(a\)\(iv\)](#).

SECTION 2.13 Interest.

(a) The Loans comprising each ABR Borrowing shall bear interest at the Alternate Base Rate plus the Applicable Rate.

(b) The Loans comprising each ~~Eurocurrency~~[Term SOFR](#) Borrowing shall bear interest at ~~the~~ Adjusted ~~LIBO Rate~~[Term SOFR](#) for the Interest Period in effect for such Borrowing plus the Applicable Rate.

(c) Notwithstanding the foregoing, if any principal of or interest on any Loan or any fee or other amount payable by the Borrower hereunder is not paid when due, whether at stated maturity, upon acceleration or otherwise, during the continuance of an Event of Default under [clauses \(a\), \(b\), \(h\) or \(i\) of Section 7.01](#), such overdue amount shall bear interest, after as well as before judgment, at a rate per annum equal to (i) in the case of overdue principal of any Loan, 2.00% per annum plus the rate otherwise applicable to such Loan as provided in the preceding paragraphs of this Section or (ii) in the case of any other amount (including overdue interest), 2.00% per annum plus the rate applicable to ABR Revolving Loans as provided in paragraph (a) of this Section; provided that no amount shall be payable pursuant to this [Section 2.13\(c\)](#) to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; provided, further, that no amounts shall accrue pursuant to this [Section 2.13\(c\)](#) on any overdue amount, reimbursement obligation in respect of any LC Disbursement or other amount payable to a Defaulting Lender so long as such Lender shall be a Defaulting Lender; provided, further, that such amounts shall be payable to any non-Defaulting Lender which assumes the obligations of a Defaulting Lender pursuant to [Section 2.22\(a\)\(iv\)](#).

(d) Accrued interest on each Loan shall be payable in arrears on each Interest Payment Date for such Loan and, in the case of Revolving Loans, upon termination of the Revolving Commitments, provided that (i) interest accrued pursuant to paragraph (c) of this Section shall be payable on demand, (ii) in the event of any repayment or prepayment of any Loan (other than a prepayment of an ABR Revolving Loan prior to the end of the Revolving Availability Period), accrued interest on the principal amount repaid or prepaid shall be payable on the date of such repayment or prepayment and (iii) in the event of any conversion of any ~~Eurocurrency~~[Term SOFR](#) Loan prior to the end of the current Interest Period therefor, accrued interest on such Loan shall be payable on the effective date of such conversion.

(e) All computations of interest for ABR Loans (including ABR Loans determined by reference to ~~the Adjusted LIBO Rate~~[Term SOFR](#)) shall be made on the basis of a year of 365 or 366 days, as the case may be, and actual days elapsed. All other computations of fees and interest shall be made on the basis of a 360-day year and actual days elapsed (which results in more fees or interest, as applicable, being paid than if computed on the basis of a 365-day year). Interest shall accrue on each Loan for the day on which the Loan is made, and shall not accrue on a Loan, or any portion thereof, for the day on which the Loan or such portion is paid, provided that any Loan that is repaid on the same day on which it is made shall, subject to [Section 2.18](#), bear interest for one day. Each determination by the Administrative Agent of an interest rate or fee hereunder shall be conclusive and binding for all purposes, absent manifest error.

SECTION 2.14 Alternate Rate of Interest.

(a) Other than as set forth in clause (b) below, if at least two Business Days prior to the commencement of any Interest Period for a ~~Eurocurrency~~Term SOFR Borrowing:

(i) ~~(i)~~ the Administrative Agent determines (which determination shall be conclusive absent manifest error) that adequate and reasonable means do not exist for ascertaining ~~the~~ Adjusted ~~LIBO~~ RateTerm SOFR, for such Interest Period; or

(ii) ~~(ii)~~ the Administrative Agent is advised by the Required Lenders that ~~the Adjusted LIBO~~ RateTerm SOFR for such Interest Period will not adequately and fairly reflect the cost to such Lenders (or Lender) of making or maintaining their Loans (or its Loan) included in such Borrowing for such Interest Period (in each case with respect to the applicable Loans impacted by this clause (b) or clause (a) above, "Impacted Loans"),

the Administrative Agent shall give notice thereof to the Borrower and the Lenders by telephone or facsimile as promptly as practicable thereafter and, until the Administrative Agent notifies the Borrower and the Lenders that the circumstances giving rise to such notice no longer exist, ~~(x)~~ any Interest Election Request that requests the conversion of any Borrowing to, or continuation of any Borrowing as, a ~~Eurocurrency~~Term SOFR Borrowing shall be ineffective and ~~(y)~~ if any Borrowing Request that requests a ~~Eurocurrency~~ Borrowing then suchTerm SOFR Borrowing shall be made as an ABR Borrowing and the utilization of the ~~LIBO~~ RateTerm SOFR component in determining the Alternate Base Rate shall be suspended; provided, however, that, ~~in each case~~, the Borrower may revoke any Borrowing Request that is pending when such notice is received.

Notwithstanding the foregoing, if the Administrative Agent has made the determination described in clause (i) of this Section 2.14(a) and/or is advised by the Required Lenders of their determination in accordance with clause (ii) of this Section 2.14(a) and the Borrower shall so request, the Administrative Agent, the Required Lenders and the Borrower shall negotiate in good faith to amend the definition of "~~LIBO~~ RateAdjusted Term SOFR" and other applicable provisions to preserve the original intent thereof in light of such change; provided that, until so amended, such Impacted Loans will be handled as otherwise provided pursuant to the terms of this Section 2.14; provided, further, that any amended definition of "~~LIBO~~ RateAdjusted Term SOFR" shall provide that in no event shall such amended ~~LIBO~~ RateAdjusted Term SOFR be less than zero for purposes of this Agreement.

(b) Notwithstanding anything to the contrary in this Agreement or any other Loan Documents, if the Administrative Agent determines (which determination shall be conclusive absent manifest error), or the Borrower notifies the Administrative Agent that the Borrower has determined, that:

(i) adequate and reasonable means do not exist for ascertaining ~~LIBO~~Term SOFR for any requested Interest Period, including, without limitation, because the ~~LIBOR~~ ScreenTerm SOFR Reference Rate is not available or published on a current basis, and such circumstances are unlikely to be temporary; or

(ii) the administrator of the ~~LIBOR~~ ScreenTerm SOFR Reference Rate or a Governmental Authority having jurisdiction over the Administrative Agent has made a public statement identifying a specific date after which ~~LIBO~~Term SOFR or the ~~LIBOR~~ ScreenTerm SOFR Reference Rate shall no longer be made available, or used for determining the interest rate of loans; provided that, at the time of such statement, there is no successor administrator that is satisfactory to the Administrative Agent and the Borrower that will continue to provide ~~LIBO~~Term SOFR after such specific date (such specific date, the "Scheduled Unavailability Date"), or

(iii) syndicated loans currently being executed, or that include language similar to that contained in this Section, are being executed or amended (as applicable) to incorporate or adopt a new benchmark interest rate to replace ~~LIBO~~Term SOFR,

then, reasonably promptly after such determination by the Administrative Agent or receipt by the Administrative Agent of such notice, as applicable, the Administrative Agent and the Borrower may amend this Agreement in accordance with this Section 2.14 to replace ~~LIBO~~Term SOFR with one or more alternate benchmark rates, ~~which may be one or more SOFR-Based Rates~~, giving due consideration to any evolving or then existing convention for

similar dollar denominated syndicated credit facilities for such alternate benchmark rates (any such proposed rate, a “~~LIBOR Successor Rate~~”) and, in each case, including any mathematical or other adjustments to any such benchmark or any method for calculating such adjustment, giving due consideration to any evolving or then existing convention for similar dollar denominated syndicated credit facilities for such benchmarks, which adjustment or method for calculating such adjustment shall be published on an information service as selected by the Administrative Agent from time to time in its reasonable discretion (in consultation with the Borrower) and may be periodically updated (~~the “Adjustment”~~); and any such amendment shall become effective at 5:00 p.m. (New York time) on the fifth Business Day after the Administrative Agent shall have posted such proposed amendment to all Lenders and the Borrower unless, prior to such time, Lenders comprising the Required Lenders have delivered to the Administrative Agent written notice that such Required Lenders ~~(A) in the case of an amendment to replace LIBOR with one or more SOFR-Based Rates, object to the applicable Adjustment, or (B) in the case of an amendment to replace LIBOR with any other alternate benchmark rate, object to such amendment; provided that, for the avoidance of doubt, in the case of clause (A) the Required Lenders shall not be entitled to object to any SOFR-Based Rate contained in any~~ object to such amendment.

If no ~~LIBOR~~ Successor Rate has been determined and the circumstances under clause (i) above exist or the Scheduled Unavailability Date has occurred (as applicable), the Administrative Agent will promptly so notify the Borrower and each Lender. Thereafter, (x) the obligation of the Lenders to make, continue or convert into EurocurrencyTerm SOFR Loans shall be suspended (to the extent of the affected EurocurrencyTerm SOFR Loans or Interest Periods), and (y) the ~~Adjusted LIBO Rate~~Term SOFR component shall no longer be utilized in determining the Alternate Base Rate. Upon receipt of such notice, the Borrower may revoke any pending request for a Borrowing of, conversion to or continuation of EurocurrencyTerm SOFR Loans (to the extent of the affected EurocurrencyTerm SOFR Loans or Interest Periods) or, failing that, will be deemed to have converted such request into a request for a Borrowing of ABR Loans (subject to the foregoing clause (y)) in the amount specified therein.

Notwithstanding anything else herein, any definition of ~~LIBOR Successor~~Term SOFR Reference Rate shall provide that in no event shall such ~~LIBOR Successor~~Term SOFR Reference Rate be less than zero for purposes of this Agreement.

In connection with the use, administration, adoption or implementation of a ~~LIBOR~~ Successor Rate, the Administrative Agent ~~and the Borrower~~ will have the right to make ~~LIBOR Successor Rate~~ Conforming Changes from time to time and, notwithstanding anything to the contrary herein or in any other Loan Document, any amendments implementing such ~~LIBOR Successor Rate~~ Conforming Changes will become effective without any further action or consent of any other party to this Agreement; provided that, with respect to any such amendment effected, the Administrative Agent shall post each such amendment implementing such ~~LIBOR Successor~~ Conforming Changes to the Lenders reasonably promptly after such amendment becomes effective.

SECTION 2.15 Increased Costs.

(a) If any Change in Law shall:

(i) impose, modify or deem applicable any reserve, special deposit, compulsory loan, insurance charge or similar requirement against assets of, deposits with or for the account of, or credit extended by, any Lender or any Issuing Bank ~~(except any such reserve requirement reflected in the Adjusted LIBO Rate)~~; or

(ii) impose on any Lender or any Issuing Bank or the ~~London~~ interbank market any other condition, cost or expense (other than with respect to Taxes) affecting this Agreement or EurocurrencyTerm SOFR Loans made by such Lender or any Letter of Credit or participation therein; or

(iii) subject any Lender to any Taxes (other than Indemnified Taxes, Other Taxes or Excluded Taxes) on its Loans, letters of credit, Commitments, or other obligations, or its deposits, reserves, other liabilities or capital attributable thereto;

and the result of any of the foregoing shall be to increase the actual cost to such Lender of making or maintaining any EurocurrencyTerm SOFR Loan (or of maintaining its obligation to make any such Loan) or to increase the actual cost to such Lender or Issuing Bank of participating in, issuing or maintaining any Letter of Credit (or of maintaining its obligation to participate in or issue any Letter of Credit) or to reduce the amount of any sum received or receivable by

such Lender or Issuing Bank hereunder (whether of principal, interest or otherwise), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank, as the case may be, for such increased costs actually incurred or reduction actually suffered, provided that to the extent any such costs or reductions are incurred by any Lender as a result of any requests, rules, guidelines or directives enacted or promulgated under the Dodd-Frank Wall Street Reform and Consumer Protection Act of 2010 and Basel III after the Effective Date, then such Lender shall be compensated pursuant to this Section 2.15(a) only to the extent such Lender certified that it is imposing such charges on similarly situated borrowers under the other syndicated credit facilities that such Lender is a lender under.

(b) If any Lender or Issuing Bank determines that any Change in Law regarding liquidity or capital requirements has the effect of reducing the rate of return on such Lender's or Issuing Bank's (or Lender's or Issuing Bank's Lending Office) capital or on the capital of such Lender's or Issuing Bank's holding company, if any, as a consequence of this Agreement or the Loans made by, or participations in Letters of Credit held by, such Lender, or the Letters of Credit issued by such Issuing Bank, to a level below that which such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company could have achieved but for such Change in Law (taking into consideration such Lender's or Issuing Bank's policies and the policies of such Lender's or Issuing Bank's holding company with respect to liquidity or capital adequacy), then, from time to time upon request of such Lender or Issuing Bank, the Borrower will pay to such Lender or Issuing Bank, as the case may be, such additional amount or amounts as will compensate such Lender or Issuing Bank or such Lender's or Issuing Bank's holding company for any such reduction actually suffered.

(c) A certificate of a Lender or an Issuing Bank setting forth the amount or amounts necessary to compensate such Lender or Issuing Bank or its holding company in reasonable detail, as the case may be, as specified in paragraph (a) or (b) of this Section delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender or Issuing Bank, as the case may be, the amount shown as due on any such certificate within 15 Business Days after receipt thereof.

(d) Failure or delay on the part of any Lender or Issuing Bank to demand compensation pursuant to this Section shall not constitute a waiver of such Lender's or Issuing Bank's right to demand such compensation, provided that the Borrower shall not be required to compensate a Lender or Issuing Bank pursuant to this Section 2.15 for any increased costs incurred or reductions suffered more than 180 days prior to the date that such Lender or Issuing Bank, as the case may be, notifies the Borrower of the Change in Law giving rise to such increased costs or reductions and of such Lender's or Issuing Bank's intention to claim compensation therefor; provided, further, that, if the Change in Law giving rise to such increased costs or reductions is retroactive, then the 180-day period referred to above shall be extended to include the period of retroactive effect thereof.

SECTION 2.16 Break Funding Payments. In the event of (a) the payment of any principal of any EurocurrencyTerm SOFR Loan other than on the last day of an Interest Period applicable thereto (including as a result of an Event of Default), (b) the conversion of any EurocurrencyTerm SOFR Loan other than on the last day of the Interest Period applicable thereto, (c) the failure to borrow, convert, continue or prepay any Revolving Loan or Term Loan on the date specified in any notice delivered pursuant hereto (regardless of whether such notice may be revoked under Section 2.11(f) and is revoked in accordance therewith) or (d) the assignment of any EurocurrencyTerm SOFR Loan other than on the last day of the Interest Period applicable thereto as a result of a request by the Borrower pursuant to Section 2.19 or Section 9.02(c), then, in any such event, the Borrower shall, after receipt of a written request by any Lender affected by any such event (which request shall set forth in reasonable detail the basis for requesting such amount), compensate each Lender for the actual loss, cost and expense attributable to such event. For purposes of calculating amounts payable by the Borrower to the Lenders under this Section 2.16, each Lender shall be deemed to have funded each EurocurrencyTerm SOFR Loan made by it at the Adjusted LBO-RateTerm SOFR (determined without giving effect to any interest rate "floor") for such Loan by a matching deposit or other borrowing for a comparable amount and for a comparable period, whether or not such EurocurrencyTerm SOFR Loan was in fact so funded. A certificate of any Lender setting forth any amount or amounts that such Lender is entitled to receive pursuant to this Section delivered to the Borrower shall be conclusive absent manifest error. The Borrower shall pay such Lender the amount shown as due on any such certificate within 15 Business Days after receipt of such demand. Notwithstanding the foregoing, this Section 2.16 will not apply to losses, costs or expenses resulting from Taxes, as to which Section 2.17 shall govern.

SECTION 2.17 Taxes.

(a) Any and all payments by or on account of any obligation of any Loan Party under any Loan Document shall be made free and clear of and without deduction for any Taxes, provided that if the applicable withholding agent shall be required by applicable Requirements of Law to withhold or deduct any Taxes from such payments, then (i) the applicable withholding agent shall make such withholdings or deductions, (ii) the applicable withholding agent shall timely pay the full amount withheld or deducted to the relevant Governmental Authority in accordance with applicable Requirements of Law and (iii) if the Tax in question is an Indemnified Tax or Other Tax, the amount payable by the applicable Loan Party shall be increased as necessary so that after all required deductions have been made (including deductions applicable to additional amounts payable under this Section 2.17) the applicable Lender (or, in the case of a payment received by the Administrative Agent for its own account, the Administrative Agent) receives an amount equal to the sum it would have received had no such deductions been made.

(b) Without limiting the provisions of paragraph (a) above, the Borrower shall timely pay any Other Taxes to the relevant Governmental Authority in accordance with Requirements of Law.

(c) The Borrower shall indemnify the Administrative Agent and each Lender, within 30 days after written demand therefor, for the full amount of any Indemnified Taxes paid by the Administrative Agent or such Lender, as the case may be, and any Other Taxes (including Indemnified Taxes or Other Taxes imposed or asserted on or attributable to amounts payable under this Section 2.17) and any reasonable expenses arising therefrom or with respect thereto, whether or not such Indemnified Taxes or Other Taxes were correctly or legally imposed or asserted by the relevant Governmental Authority. A certificate setting forth in reasonable detail the basis and calculation of the amount of such payment or liability delivered to the Borrower by a Lender, or by the Administrative Agent on its own behalf or on behalf of a Lender, shall be conclusive absent manifest error.

(d) As soon as practicable after any payment of Taxes by a Loan Party to a Governmental Authority pursuant to this Section 2.17, the Borrower shall deliver to the Administrative Agent the original or a certified copy of a receipt issued by such Governmental Authority evidencing such payment, a copy of the return reporting such payment or other evidence of such payment reasonably satisfactory to the Administrative Agent.

(e) Each Lender shall deliver to the Borrower and the Administrative Agent at the time or times reasonably requested by the Borrower or the Administrative Agent, such properly completed and executed documentation prescribed by applicable Requirements of Law and such other documentation reasonably requested by the Borrower or the Administrative Agent (i) as will permit such payments to be made without, or at a reduced rate of, withholding or (ii) as will enable the Borrower or the Administrative Agent to determine whether or not such Lender is subject to withholding or information reporting requirements. Each Lender shall, whenever a lapse of time or change in circumstances renders such documentation obsolete, expired or inaccurate in any material respect, deliver promptly to the Borrower and the Administrative Agent updated or other appropriate documentation (including any new documentation reasonably requested by the Borrower or the Administrative Agent) or promptly notify the Borrower and the Administrative Agent in writing of its legal ineligibility to do so. In addition, any Lender, at the time or times reasonably requested by the Borrower or the Administrative Agent, shall deliver such other documentation prescribed by applicable Requirements of Law or reasonably requested by the Borrower or the Administrative Agent as will enable the Borrower or the Administrative Agent to determine whether such Lender is subject to backup withholding or information reporting requirements.

Without limiting the foregoing:

(1) Each Lender that is a "United States person" within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) two properly completed and duly signed original copies of Internal Revenue Service Form W-9 (or any successor form) certifying that such Lender is exempt from U.S. federal backup withholding.

(2) Each Lender that is not a "United States person" within the meaning of Section 7701(a)(30) of the Code shall deliver to the Borrower and the Administrative Agent on or before the date on which it

becomes a party to this Agreement (and from time to time thereafter upon the request of the Borrower or the Administrative Agent) whichever of the following is applicable:

(A) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms) claiming eligibility for the benefits of an income tax treaty to which the United States is a party,

(B) two properly completed and duly signed original copies of Internal Revenue Service Form W-8ECI (or any successor forms),

(C) in the case of a Lender claiming the benefits of the exemption for portfolio interest under Section 871(h) or Section 881(c) of the Code, (x) two properly completed and duly signed certificates substantially in the form of Exhibit P-1, P-2, P-3 or P-4, as applicable, (any such certificate, a “U.S. Tax Compliance Certificate”) and (y) two properly completed and duly signed original copies of Internal Revenue Service Form W-8BEN or W-8BEN-E (or any successor forms),

(D) to the extent a Lender is not the beneficial owner (for example, where the Lender is a partnership or a participating Lender), two properly completed and duly signed original copies of Internal Revenue Service Form W-8IMY (or any successor forms) of the Lender, accompanied by Internal Revenue Service Form W-8ECI, W-8BEN, W-8BEN-E, Form W-9 or Form W-8IMY, a U.S. Tax Compliance Certificate or any other required information (or any successor forms) from each beneficial owner that would be required under this Section 2.17(e) if such beneficial owner were a Lender, as applicable (provided that, if the Lender is a partnership for U.S. federal income tax purposes (and not a participating Lender) and one or more direct or indirect partners are claiming the portfolio interest exemption, the U.S. Tax Compliance Certificate may be provided by such Lender on behalf of such direct or indirect partner(s)), or

(E) two properly completed and duly signed original copies of any other form prescribed by applicable U.S. federal income tax laws as a basis for claiming a complete exemption from, or a reduction in, U.S. federal withholding tax on any payments to such Lender under the Loan Documents, together with such supplementary documentation as may be prescribed by applicable Requirements of Law to permit the Borrower or the Administrative Agent to determine the withholding or deduction required to be made.

(3) If a payment made to a Lender under any Loan Document would be subject to U.S. federal withholding tax imposed by FATCA if such Lender were to fail to comply with the applicable reporting requirements of FATCA (including those contained in Section 1471(b) or 1472(b) of the Code, as applicable), such Lender shall deliver to the Borrower and the Administrative Agent at the time or times prescribed by Requirements of Law and at such time or times reasonably requested by the Borrower or the Administrative Agent such documentation prescribed by applicable Requirements of Law (including as prescribed by Section 1471(b)(3)(C)(i) of the Code) and such additional documentation reasonably requested by the Borrower or the Administrative Agent as may be necessary for the Borrower and the Administrative Agent to comply with their obligations under FATCA, to determine whether such Lender has or has not complied with such Lender’s obligations under FATCA and, if necessary, to determine the amount, if any, to deduct and withhold from such payment. Solely for purposes of this clause (3), “FATCA” shall include any amendments made to FATCA after the date hereof.

Notwithstanding any other provisions of this clause (e), a Lender shall not be required to deliver any form or other documentation that such Lender is not legally eligible to deliver.

(f) If the Borrower determines in good faith that a reasonable basis exists for contesting any Taxes for which indemnification has been demanded hereunder, the Administrative Agent or the relevant Lender, as applicable, shall use commercially reasonable efforts to cooperate with the Borrower in a reasonable challenge of such Taxes if so requested by the Borrower; provided that (a) the Administrative Agent or such Lender determines in its reasonable discretion that it would not be subject to any unreimbursed third party cost or expense or otherwise be prejudiced by cooperating in such challenge, (b) the Borrower pays all related expenses of the Administrative Agent or such Lender, as applicable and (c) the Borrower indemnifies the Administrative Agent or such Lender, as applicable, for any

liabilities or other costs incurred by such party in connection with such challenge. The Administrative Agent or a Lender shall claim any refund that it determines is reasonably available to it, unless it concludes in its reasonable discretion that it would be adversely affected by making such a claim. If the Administrative Agent or a Lender receives a refund of any Indemnified Taxes or Other Taxes as to which it has been indemnified by the Borrower or with respect to which the Borrower has paid additional amounts pursuant to this [Section 2.17](#), it shall pay over such refund to the Borrower (but only to the extent of indemnity payments made, or additional amounts paid, by the Borrower under this [Section 2.17](#) with respect to the Indemnified Taxes or Other Taxes giving rise to such refund), net of all out-of-pocket expenses (including Taxes) of the Administrative Agent or such Lender and without interest (other than any interest paid by the relevant Governmental Authority with respect to such refund), provided that the Borrower, upon the request of the Administrative Agent or such Lender, agrees promptly to repay the amount paid over to the Borrower (plus any penalties, interest or other charges imposed by the relevant Governmental Authority) to the Administrative Agent or such Lender in the event the Administrative Agent or such Lender is required to repay such refund to such Governmental Authority. The Administrative Agent or such Lender, as the case may be, shall, at the Borrower's request, provide the Borrower with a copy of any notice of assessment or other evidence of the requirement to repay such refund received from the relevant taxing authority (provided that the Administrative Agent or such Lender may delete any information therein that the Administrative Agent or such Lender deems confidential). Notwithstanding anything to the contrary, this [Section 2.17\(f\)](#) shall not be construed to require the Administrative Agent or any Lender to make available its Tax returns (or any other information relating to Taxes which it deems confidential) to any Loan Party or any other Person.

(g) Each Lender hereby authorizes the Administrative Agent to deliver to the Loan Parties and to any successor Administrative Agent any documentation provided by such Lender to the Administrative Agent pursuant to [Section 2.17\(e\)](#).

(h) The agreements in this [Section 2.17](#) shall survive the termination of this Agreement and the payment of the Loans and all other amounts payable hereunder.

(i) For purposes of this [Section 2.17](#), the term "Lender" shall include any Issuing Bank.

SECTION 2.18 Payments Generally; Pro Rata Treatment; Sharing of Setoffs.

(a) The Borrower shall make each payment required to be made by it under any Loan Document (whether of principal, interest, fees, or reimbursement of LC Disbursement or of amounts payable under [Section 2.15](#), [2.16](#) or [2.17](#), or otherwise) prior to the time expressly required hereunder or under such other Loan Document for such payment (or, if no such time is expressly required, prior to 2:00 p.m., New York City time), on the date when due, in immediately available funds, free and clear of and without setoff, recoupment, defense or counterclaim. Any amounts received after such time on any date may, in the discretion of the Administrative Agent, be deemed to have been received on the next succeeding Business Day for purposes of calculating interest thereon. All such payments shall be made to such account as may be specified by the Administrative Agent, except payments to be made directly to any Issuing Bank shall be made as expressly provided herein and except that payments pursuant to [Sections 2.15](#), ~~[2.16](#)~~, [2.16](#), [2.17](#) and [9.03](#) shall be made directly to the Persons entitled thereto and payments pursuant to other Loan Documents shall be made to the Persons specified therein. The Administrative Agent shall distribute any such payments received by it for the account of any other Person to the appropriate recipient promptly following receipt thereof. If any payment (other than payments on the [EurocurrencyTerm SOFR](#) Loans) under any Loan Document shall be due on a day that is not a Business Day, the date for payment shall be extended to the next succeeding Business Day. If any payment on a [EurocurrencyTerm SOFR](#) Loan becomes due and payable on a day other than a Business Day, the maturity thereof shall be extended to the next succeeding Business Day unless the result of such extension would be to extend such payment into another calendar month, in which event such payment shall be made on the immediately preceding Business Day. In the case of any payment of principal pursuant to the preceding two sentences, interest thereon shall be payable at the then applicable rate for the period of such extension. All payments or prepayments of any Loan shall be made in the currency in which such Loan is denominated, all reimbursements of any LC Disbursements shall be made in dollars, all payments of accrued interest payable on a Loan or LC Disbursement shall be made in dollars, and all other payments under each Loan Document shall be made in dollars.

(b) If at any time insufficient funds are received by and available to the Administrative Agent to pay fully all applicable amounts of principal, unreimbursed LC Disbursements, interest and fees then due hereunder, such funds shall be applied (i) first, towards payment of applicable interest and fees then due hereunder, ratably among the parties

entitled thereto in accordance with the applicable amounts of interest and fees then due to such parties, and (ii) second, towards payment of applicable principal and unreimbursed LC Disbursements then due hereunder, ratably among the parties entitled thereto in accordance with the amounts of principal and unreimbursed LC Disbursements then due to such parties.

(c) If any Lender shall, by exercising any right of setoff or counterclaim or otherwise, obtain payment in respect of any principal of or interest on any of its Loans of a given Class or participations in LC Disbursements resulting in such Lender receiving payment of a greater proportion of the aggregate amount of its Loans of such Class or participations in LC Disbursements and accrued interest thereon than the proportion received by any other Lender with outstanding Loans of the same Class or participations in LC Disbursements, then the Lender receiving such greater proportion shall purchase (for cash at face value) participations in the Loans of such Class or participations in LC Disbursements of other Lenders to the extent necessary so that the benefit of all such payments shall be shared by the Lenders ratably in accordance with the aggregate amount of principal of and accrued interest on their respective Loans of such Class or participations in LC Disbursements; provided that (i) if any such participations are purchased and all or any portion of the payment giving rise thereto is recovered, such participations shall be rescinded and the purchase price restored to the extent of such recovery, without interest and (ii) the provisions of this paragraph shall not be construed to apply to (A) any payment made by Holdings or the Borrower pursuant to and in accordance with the express terms of this Agreement (including the application of funds arising from existence of a Defaulting Lender), (B) any payment obtained by a Lender as consideration for the assignment of or sale of a participation in any of its Loans or participations in LC Disbursements to any assignee or participant (including a Purchasing Borrower Party) or (C) any disproportionate payment obtained by a Lender of any Class as a result of the extension by Lenders of the maturity date or expiration date of some but not all Loans or Commitments of that Class or any increase in the Applicable Rate in respect of Loans of Lenders that have consented to any such extension. Holdings and the Borrower consents to the foregoing and agrees, to the extent it may effectively do so under applicable law, that any Lender acquiring a participation pursuant to the foregoing arrangements may exercise against Holdings or the Borrower rights of setoff and counterclaim with respect to such participation as fully as if such Lender were a direct creditor of Holdings or the Borrower, as applicable, in the amount of such participation.

(d) Unless the Administrative Agent shall have received notice from Holdings or the Borrower prior to the date on which any payment is due to the Administrative Agent for the account of the Lenders or the Issuing Banks hereunder that Holdings or the Borrower will not make such payment, the Administrative Agent may assume that Holdings or the Borrower has made such payment on such date in accordance herewith and may, in reliance upon such assumption and in its sole discretion, distribute to the Lenders or the Issuing Banks, as the case may be, the amount due. In such event, if Holdings or the Borrower has not in fact made such payment, then each of the Lenders or the Issuing Banks, as the case may be, severally agrees to repay to the Administrative Agent forthwith on demand the amount so distributed to such Lender or Issuing Bank with interest thereon, for each day from and including the date such amount is distributed to it to but excluding the date of payment to the Administrative Agent, at the greater of the Federal Funds Effective Rate and a rate determined by the Administrative Agent in accordance with banking industry rules on interbank compensation.

(e) If any Lender shall fail to make any payment required to be made by it pursuant to Section 2.05(e), Section 2.05(f), Section 2.06(a), Section 2.06(b), Section 2.06(c), Section 2.18(d) or Section 9.03(c), then the Administrative Agent may, in its discretion and in the order determined by the Administrative Agent (notwithstanding any contrary provision hereof), (i) apply any amounts thereafter received by the Administrative Agent for the account of such Lender to satisfy such Lender's obligations under such Section until all such unsatisfied obligations are fully paid and/or (ii) hold any such amounts in a segregated account as Cash Collateral for, and to be applied to, any future funding obligations of such Lender under any such Section.

(f) If any Lender makes available to the Administrative Agent funds for any Loan to be made by such Lender as provided in the foregoing provisions of this Article II, and such funds are not made available to the Borrower by the Administrative Agent because the conditions to the applicable Borrowing set forth in Article IV are not satisfied or waived in accordance with the terms hereof, the Administrative Agent shall return such funds (in like funds as received from such Lender) to such Lender, without interest.

SECTION 2.19 Mitigation Obligations; Replacement of Lenders.

(a) Each Lender may make any Loans or each Issuing Bank may issue Letters of Credit to the Borrower through any Lending Office, provided that the exercise of this option shall not affect the obligation of the Borrower to repay the Loans or Letters of Credit in accordance with the terms of this Agreement. If any Lender requests compensation under Section 2.15, or if the Borrower is required to pay any additional amount to any Lender or any Governmental Authority for the account of any Lender pursuant to Section 2.17 or any event that gives rise to the operation of Section 2.23, then such Lender shall use reasonable efforts to designate a different Lending Office for funding or booking its Loans hereunder or its participation in any Letter of Credit affected by such event, or to assign and delegate its rights and obligations hereunder to another of its offices, branches or Affiliates, if, in the judgment of such Lender, such designation or assignment and delegation (i) would eliminate or reduce amounts payable pursuant to Section 2.15 or Section 2.17 or mitigate the applicability of Section 2.23, as the case may be, and (ii) would not subject such Lender to any unreimbursed cost or expense reasonably deemed by such Lender to be material and would not be inconsistent with the internal policies of, or otherwise be disadvantageous in any material economic, legal or regulatory respect to, such Lender.

(b) If (i) any Lender requests compensation under Section 2.15 or gives notice under Section 2.23, (ii) Holdings or the Borrower are required to pay any additional amount to any Lender or to any Governmental Authority for the account of any Lender pursuant to Section 2.17, or (iii) any Lender becomes or is a Defaulting Lender, then Borrower may, at its sole expense and effort, upon notice to such Lender and the Administrative Agent, require such Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement and the other Loan Documents to an Eligible Assignee that shall assume such obligations (which assignee may be another Lender or an Affiliated Lender, if a Lender accepts such assignment and delegation), provided that (A) Holdings or the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and if a Revolving Commitment is being assigned and delegated, each Issuing Bank), which consents, in each case, shall not unreasonably be withheld or delayed, (B) such Lender shall have received payment of an amount equal to the outstanding principal of its Loans and unreimbursed participations in LC Disbursements, accrued but unpaid interest thereon, accrued but unpaid fees and all other amounts payable to it hereunder from the assignee (to the extent of such outstanding principal and accrued interest and fees) or Holdings or the Borrower (in the case of all other amounts), (C) the Borrower or such assignee shall have paid (unless waived) to the Administrative Agent the processing and recordation fee specified in Section 9.04(b)(ii) and (D) in the case of any such assignment resulting from a claim for compensation under Section 2.15, payment required to be made pursuant to Section 2.17 or a notice given under Section 2.23, such assignment will result in a material reduction in such compensation or payments. A Lender shall not be required to make any such assignment and delegation if, prior thereto, as a result of a waiver by such Lender or otherwise (including as a result of any action taken by such Lender under paragraph (a) above), the circumstances entitling the Borrower to require such assignment and delegation cease to apply. Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

SECTION 2.20 Incremental Credit Extension.

(a) The Borrower or any Subsidiary Loan Party may at any time and from time to time after the Effective Date, subject to the terms and conditions set forth herein, by notice to the Administrative Agent request (i) one or more additional Classes of term loans or additional term loans of the same Class of any existing Class of term loans (the "Incremental Term Loans"), (ii) one or more increases in the amount of the Revolving Commitments of any Class (each such increase, an "Incremental Revolving Commitment Increase") or (iii) one or more additional Classes of Revolving Commitments (the "Additional/Replacement Revolving Commitments," and, together with the Incremental Term Loans and the Incremental Revolving Commitment Increases, the "Incremental Facilities"); provided that, subject to Section 1.07, after giving effect to the effectiveness of any Incremental Facility Amendment referred to below and at the time that any such Incremental Term Loan, Incremental Revolving Commitment Increase or Additional/Replacement Revolving Commitment is made or effected, no Event of Default shall have occurred and be continuing or would result therefrom (except, in the case of the incurrence or provision of any Incremental Facility in connection with a Permitted Acquisition or other Investment not prohibited by the terms of this Agreement, which shall be subject to no Event of Default under clause (a), (b), (h) or (i) of Section 7.01). Notwithstanding anything to

contrary herein, the sum of (i) the aggregate principal amount of the Incremental Facilities, and (ii) the aggregate outstanding principal amount of Incremental Equivalent Debt shall not at the time of incurrence of any such Incremental Facilities or Incremental Equivalent Debt (and after giving effect to such incurrence) exceed the Incremental Cap at such time (calculated in a manner consistent with the definition of “Incremental Cap”).

(b) Each Incremental Term Loan shall comply with the following clauses (A) through (E): (A) except with respect to (I) the Maturity Carveout Amount, (II) Customary Bridge Loans which would either automatically be converted into or required to be exchanged for permanent financing which does not mature earlier than the Term Maturity Date and (III) Incremental Term Loans incurred in connection with an Acquisition Transaction or other Investment, the maturity date of any Incremental Term Loans shall not be earlier than the Term Maturity Date and the Weighted Average Life to Maturity of the Incremental Term Loans shall not be shorter than the remaining Weighted Average Life to Maturity of the Term Loans, (B) the pricing (including any “MFN” or other pricing terms), interest rate margins, rate floors, fees, premiums (including prepayment premiums), funding discounts and, subject to clause (A), the maturity and amortization schedule for any Incremental Term Loans shall be determined by the Borrower and the applicable Additional Lenders; provided that, prior to the date that is six months after the Effective Date, with respect to any Incremental Term Loans or Incremental Equivalent Debt in the form of broadly syndicated term B loans (but not, for the avoidance of doubt, in the form of debt securities) incurred pursuant to clause (a), (b) or (d) of the definition of “Incremental Cap” (other than (1) any Specified Incremental Term Loans or (2) any Incremental Term Loans or Incremental Equivalent Debt incurred in connection with an Acquisition Transaction or other Investment) that have a maturity date earlier than one year after the Term Maturity Date and are denominated in dollars, in the event that the interest rate margins for any Incremental Term Loan are greater than the Applicable Rates for the Term Loans by more than 0.75% per annum, then the Applicable Rates for the Term Loans shall be increased to the extent necessary so that the Applicable Rates for the Term Loans are equal to the interest rate margins for such Incremental Term Loans minus 0.75% per annum (the “MFN Protection”); provided, further, that with respect to any Incremental Term Loans that do not bear interest at a rate determined by reference to ~~the~~ Adjusted ~~LBO Rate~~ Term SOFR, for purposes of calculating the applicable increase (if any) in the Applicable Rates for the Term Loans in the preceding provisos, the interest rate margin for such Incremental Term Loans shall be deemed to be the interest rate (calculated after giving effect to any increases required pursuant to the immediately succeeding proviso) of such Incremental Term Loans less the then applicable ~~LBO~~ Term SOFR Reference Rate; provided, further, that in determining the Applicable Rates applicable to the Term Loans and the interest rate margins applicable to the Incremental Term Loans, (x) original issue discount (“OID”) or upfront fees (which shall be deemed, solely for purposes of this clause (x), to constitute like amounts of OID) payable by the Borrower or the applicable Subsidiary Loan Party to the Lenders of the Term Loans and the Incremental Term Loans in the initial primary syndication thereof shall be included (with OID or upfront fees being equated to interest based on an assumed four-year life to maturity), (y) (1) with respect to the Term Loans, to the extent that the ~~LBO~~ Term SOFR Reference Rate for a three-month interest period on the closing date of the Incremental Facility Amendment is less than the “~~LBO~~ SOFR floor”, if any, applicable to the Term Loans, the amount of such difference shall be deemed added to the Applicable Rate for the Term Loans solely for the purpose of determining whether an increase in the Applicable Rate for the Term Loans shall be required and (2) with respect to the Incremental Term Loans, to the extent that the ~~LBO~~ Term SOFR Reference Rate for a three-month interest period on the closing date of the Incremental Facility Amendment is less than the interest rate floor, if any, applicable to the Incremental Term Loans, the amount of such difference shall be deemed added to the interest rate margin for the Incremental Term Loans solely for the purpose of determining whether an increase in the Applicable Rate for the Term Loans shall be required) and (z) customary arrangement, structuring, underwriting or commitment fees, ticking fees or other similar fees payable to the Lead Arrangers (or their respective Affiliates) in connection with the Term Loans or the Revolving Loans as applicable, or to one or more arrangers (or their Affiliates) of the Incremental Term Loans or Revolving Loans, as applicable, shall be excluded; provided, further, that the MFN Protection may be waived at any time with the consent of the Required Lenders, (C)(i) to the extent secured, the Incremental Term Loans shall be secured solely by a Lien on the Collateral ranking equal in priority (but without regard to the control of remedies) with (or, subject to the First Lien/Second Lien Intercreditor Agreement, junior in priority to) the Lien on the Collateral securing the Secured Obligations and (ii) no Incremental Term Loans shall be guaranteed by entities other than the Guarantors or the Borrower, (D) Incremental Term Loans shall be on terms and pursuant to documentation to be determined by the Borrower and the applicable Additional Lenders; provided that, to the extent such terms and documentation are not consistent with the Term Loans (except to the extent permitted by clause (A) or (B) above), they shall be reasonably satisfactory to the Administrative Agent (it being understood that, to the extent that any financial maintenance covenant or any other covenant is added for the benefit of any Incremental Term Loan, no consent shall be required from the Administrative Agent or any of the Term Lenders to the extent that

such financial maintenance covenant or other covenant is (1) also added for the benefit of any existing Loans or (2) only applicable after the Latest Maturity Date), and (E) such Incremental Term Loans may be provided in any currency as mutually agreed among the Administrative Agent, Borrower and the applicable Additional Lenders. Each Incremental Term Loan shall be in a minimum principal amount of \$5,000,000 and integral multiples of \$1,000,000 in excess thereof (unless the Borrower and the Administrative Agent otherwise agree); provided that such amount may be less than \$5,000,000, if such amount represents all the remaining availability under the aggregate principal amount of Incremental Term Loans set forth above.

(c) The Incremental Revolving Commitment Increase shall be treated the same as the Class of Revolving Commitments being increased (including with respect to maturity date thereof) and shall be considered to be part of the Class of Revolving Credit Facility being increased (it being understood that, if required to consummate an Incremental Revolving Commitment Increase, the pricing, interest rate margins, rate floors and undrawn commitment fees on the Class of Revolving Commitments being increased may be increased and additional upfront or similar fees may be payable to the lenders providing the Incremental Revolving Commitment Increase (without any requirement to pay such fees to any existing Revolving Lenders)).

(d) The Additional/Replacement Revolving Commitments (i) shall rank equal in right of payment with the Revolving Loans, shall be secured only by a Lien on the Collateral securing the Secured Obligations and shall be guaranteed only by the Loan Parties, (ii) shall not mature earlier than the Revolving Maturity Date and shall require no mandatory commitment reduction prior to the Revolving Maturity Date, (iii) shall have interest rates (including through fixed interest rates), interest margins, rate floors, upfront fees, undrawn commitment fees, funding discounts, original issue discounts, prepayment terms and premiums and commitment reduction and termination terms as determined by the borrower and the lenders providing such commitments, (iv) shall contain borrowing, repayment and termination of Commitment procedures as determined by the borrowers and the lenders providing such commitments, (v) may include provisions relating to letters of credit, as applicable, issued thereunder, which issuances shall be on terms substantially similar (except for the overall size of such subfacilities, the fees payable in connection therewith and the identity of the letter of credit issuer, as applicable, which shall be determined by the Borrower, the lenders providing such commitments and the applicable letter of credit issuers and borrowing, repayment and termination of commitment procedures with respect thereto, in each case which shall be specified in the applicable Incremental Facility Amendment) to the terms relating to the Letters of Credit with respect to the applicable Class of Revolving Commitments or otherwise reasonably acceptable to the Administrative Agent and (vi) may otherwise have terms and conditions different from those of the Revolving Credit Facility (including currency denomination); provided that (x) except with respect to matters contemplated by clauses (i), (ii), (iii), (iv) and (v) above, any differences shall be reasonably satisfactory to the Administrative Agent (except for covenants and other provisions applicable only to the periods after the Latest Maturity Date) and (y) the documentation governing any Additional/Replacement Revolving Commitments may include a financial maintenance covenant or related equity cure so long as the Administrative Agent shall have been given prompt written notice thereof and this Agreement is amended to include such financial maintenance covenant or related equity cure for the benefit of each facility (provided, further, however, that, if the applicable new financial maintenance covenant is a “springing” financial maintenance covenant for the benefit of such revolving credit facility or covenant only applicable to, or for the benefit of, a revolving credit facility, such financial maintenance covenant shall be automatically included in this Agreement only for the benefit of each revolving credit facility hereunder (and not for the benefit of any term loan facility hereunder)).

(e) Each notice from Holdings or the Borrower pursuant to this Section 2.20 shall set forth the requested amount of the relevant Incremental Term Loans, Incremental Revolving Commitment Increases or Additional/Replacement Revolving Commitments.

(f) Commitments in respect of Incremental Term Loans, Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments shall become Commitments (or in the case of an Incremental Revolving Commitment Increase to be provided by an existing Lender with a Revolving Commitment, an increase in such Lender’s applicable Revolving Commitment) under this Agreement pursuant to an amendment (an “Incremental Facility Amendment”) to this Agreement and, as appropriate, the other Loan Documents, executed by the Borrower and any applicable Subsidiary Loan Party, each Lender agreeing to provide such Commitment (provided that no Lender shall be obligated to provide any loans or commitments under any Incremental Facility unless it so agrees), if any, each Additional Lender, if any, the Administrative Agent (such consent not to be unreasonably withheld or

delayed) and, in the case of Incremental Revolving Commitment Increases, each Issuing Bank (such consent not to be unreasonably withheld or delayed). Incremental Term Loans and loans under Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments shall be a "Loan" for all purposes of this Agreement and the other Loan Documents. The Incremental Facility Amendment may without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary, appropriate or advisable (including changing the amortization schedule or extending the call protection of existing Term Loans in a manner required to make the Incremental Term Loans fungible with such Term Loans), in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section 2.20 (including, in connection with an Incremental Revolving Commitment Increase, to reallocate Revolving Exposure on a pro rata basis among the relevant Revolving Lenders). The effectiveness of any Incremental Facility Amendment and the occurrence of any credit event (including the making of a Loan and the issuance, increase in the amount, or extension of a letter of credit thereunder) pursuant to such Incremental Facility Amendment may be subject to the satisfaction of such additional conditions as the parties thereto shall agree. Holdings, the Borrower and any Restricted Subsidiary may use the proceeds of the Incremental Term Loans, Incremental Revolving Commitment Increases and Additional/Replacement Revolving Commitments for any purpose not prohibited by this Agreement.

(g) Notwithstanding anything to the contrary, this Section 2.20 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.21 Refinancing Amendments.

(a) At any time after the Effective Date, the Borrower may obtain, from any Lender or any Additional Lender, Credit Agreement Refinancing Indebtedness in respect of (a) all or any portion of any Class of Term Loans then outstanding under this Agreement (which for purposes of this clause (a) will be deemed to include any then outstanding Other Term Loans) or (b) all or any portion of the Revolving Loans (or unused Revolving Commitments) under this Agreement (which for purposes of this clause (b) will be deemed to include any then outstanding Other Revolving Loans and Other Revolving Commitments), in the form of (i) Other Term Loans or Other Term Commitments or (ii) Other Revolving Loans or Other Revolving Commitments, as the case may be, in each case pursuant to a Refinancing Amendment; provided that the Net Proceeds of such Credit Agreement Refinancing Indebtedness shall be applied, substantially concurrently with the incurrence thereof, to the prepayment of outstanding Term Loans or reduction of Revolving Commitments being so refinanced, as the case may be; provided, further, that the terms and conditions applicable to such Credit Agreement Refinancing Indebtedness may provide for any additional or different financial or other covenants or other provisions that are agreed between the Borrower and the Lenders thereof and applicable only during periods after the Latest Maturity Date that is in effect on the date such Credit Agreement Refinancing Indebtedness is issued, incurred or obtained. Each Class of Credit Agreement Refinancing Indebtedness incurred under this Section 2.21 shall be in an aggregate principal amount that is (x) not less than \$5,000,000 in the case of Other Term Loans or \$5,000,000 in the case of Other Revolving Loans and (y) an integral multiple of \$1,000,000 in excess thereof (in each case unless the Borrower and the Administrative Agent otherwise agree). Any Refinancing Amendment may provide for the issuance of Letters of Credit for the account of the Borrower pursuant to any Other Revolving Commitments established thereby, in each case on terms substantially equivalent to the terms applicable to Letters of Credit under the Revolving Commitments. The Administrative Agent shall promptly notify each applicable Lender as to the effectiveness of each Refinancing Amendment. Each of the parties hereto hereby agrees that, upon the effectiveness of any Refinancing Amendment, this Agreement shall be deemed amended to the extent (but only to the extent) necessary to reflect the existence and terms of the Credit Agreement Refinancing Indebtedness incurred pursuant thereto (including any amendments necessary to treat the Loans and Commitments subject thereto as Other Term Loans, Other Revolving Loans, Other Revolving Commitments and/or Other Term Commitments). Any Refinancing Amendment may, without the consent of any other Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the reasonable opinion of the Administrative Agent and the Borrower, to effect the provisions of this Section. In addition, if so provided in the relevant Refinancing Amendment and with the consent of each Issuing Bank, participations in Letters of Credit expiring on or after the Revolving Maturity Date shall be reallocated from Lenders holding Revolving Commitments to Lenders holding extended revolving commitments in accordance with the terms of such Refinancing Amendment; provided, however, that such participation interests shall, upon receipt thereof by the relevant Lenders holding Revolving Commitments, be deemed to be participation interests in respect of such Revolving Commitments and the terms of such participation interests (including, without limitation, the commission applicable thereto) shall be adjusted accordingly.

(b) Notwithstanding anything to the contrary, this Section 2.21 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

SECTION 2.22 Defaulting Lenders.

(a) General. Notwithstanding anything to the contrary contained in this Agreement, if any Lender becomes a Defaulting Lender, then, until such time as that Lender is no longer a Defaulting Lender, to the extent permitted by applicable law:

(i) Waivers and Amendments. Such Defaulting Lender's right to approve or disapprove any amendment, waiver or consent with respect to this Agreement shall be restricted as set forth in Section 9.02.

(ii) Reallocation of Payments. Subject to the last sentence of Section 2.11(f), any payment of principal, interest, fees or other amounts received by the Administrative Agent for the account of that Defaulting Lender (whether voluntary or mandatory, at maturity, pursuant to Article VII or otherwise, and including any amounts made available to the Administrative Agent by that Defaulting Lender pursuant to Section 9.08), shall be applied at such time or times as may be determined by the Administrative Agent as follows: first, to the payment of any amounts owing by that Defaulting Lender to the Administrative Agent hereunder; second, in the case of a Revolving Lender, to the payment on a pro rata basis of any amounts owing by that Defaulting Lender to each Issuing Bank hereunder; third, as the Borrower may request (so long as no Default or Event of Default exists), to the funding of any Loan in respect of which that Defaulting Lender has failed to fund its portion thereof as required by this Agreement, as determined by the Administrative Agent; fourth, to the payment of any amounts owing to the Lenders as a result of any judgment of a court of competent jurisdiction obtained by any Lender against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; fifth, in the case of a Revolving Lender, if so determined by the Administrative Agent and the Borrower, to be held in a non-interest bearing deposit account and released in order to satisfy obligations of that Defaulting Lender to fund Loans under this Agreement; sixth, to the payment of any amounts owing to the Lenders or the Issuing Banks as a result of any judgment of a court of competent jurisdiction obtained by any Lender or such Issuing Bank against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; seventh, so long as no Default or Event of Default exists, to the payment of any amounts owing to any Loan Party as a result of any judgment of a court of competent jurisdiction obtained by any Loan Party against that Defaulting Lender as a result of that Defaulting Lender's breach of its obligations under this Agreement; and eighth, to that Defaulting Lender or as otherwise directed by a court of competent jurisdiction; provided that if such payment is a payment of the principal amount of any Loans or LC Disbursements and such Lender is a Defaulting Lender under clause (a) of the definition thereof, such payment shall be applied solely to pay the relevant Loans of, and LC Disbursements owed to, the relevant non-Defaulting Lenders on a pro rata basis prior to being applied pursuant to Section 2.05(j) or this Section 2.22(a)(ii). Any payments, prepayments or other amounts paid or payable to a Defaulting Lender that are applied (or held) to pay amounts owed by a Defaulting Lender or to post Cash Collateral pursuant to Section 2.05(j), shall be deemed paid to and redirected by that Defaulting Lender, and each Lender irrevocably consents hereto.

(iii) Certain Fees. That Defaulting Lender (x) shall not be entitled to receive or accrue any commitment fee pursuant to Section 2.12(a) for any period during which that Lender is a Defaulting Lender (and the Borrower shall not be required to pay any such fee that otherwise would have been required to have been paid to that Defaulting Lender) and (y) shall be limited in its right to receive Letter of Credit fees as provided in Section 2.12(b).

(iv) Reallocation of Applicable Percentages to Reduce Fronting Exposure. During any period in which there is a Defaulting Lender, for purposes of computing the amount of the obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit pursuant to Section 2.05, the "Applicable Percentage" of each non-Defaulting Lender shall be computed without giving effect to the Revolving Commitment of that Defaulting Lender; provided that the aggregate obligation of each non-Defaulting Lender to acquire, refinance or fund participations in Letters of Credit shall not exceed the positive difference, if any, of (1) the Revolving Commitment of that non-Defaulting Lender minus (2) the aggregate principal amount of the Revolving Loans of that Lender.

(b) **Defaulting Lender Cure.** If the Borrower, the Administrative Agent and each Issuing Bank agree in writing in their sole discretion that a Defaulting Lender should no longer be deemed to be a Defaulting Lender, the Administrative Agent will so notify the parties hereto, whereupon as of the effective date specified in such notice and subject to any conditions set forth therein, such Lender will, to the extent applicable, purchase that portion of outstanding Loans of the other Lenders or take such other actions as the Administrative Agent may determine to be necessary to cause the Loans and funded and unfunded participations in Letters of Credit to be held on a pro rata basis by the Lenders in accordance with their Applicable Percentages (without giving effect to [Section 2.22\(a\)\(iv\)](#)), whereupon that Lender will cease to be a Defaulting Lender; provided that no adjustments will be made retroactively with respect to fees accrued or payments made by or on behalf of Holdings or the Borrower while that Lender was a Defaulting Lender; and provided, further, that except to the extent otherwise expressly agreed by the affected parties, no change hereunder from Defaulting Lender to Lender will constitute a waiver or release of any claim of any party hereunder arising from that Lender's having been a Defaulting Lender.

SECTION 2.23 **Illegality.** If any Lender determines that any law has made it unlawful, or that any Governmental Authority has asserted that it is unlawful, for any Lender or its applicable Lending Office to make, maintain or fund Loans whose interest is determined by reference to ~~the Adjusted LIBO Rate~~ [Term SOFR](#), or to determine or charge interest rates based upon ~~the Adjusted LIBO Rate~~ [Term SOFR](#), then, on notice thereof by such Lender to the Borrower through the Administrative Agent, any obligation of such Lender to make or continue [Eurocurrency Term SOFR](#) Loans or to convert ABR Loans to [Eurocurrency Term SOFR](#) Loans shall be suspended until such Lender notifies the Administrative Agent and the Borrower that the circumstances giving rise to such determination no longer exist. Upon receipt of such notice, (x) the Borrower shall, upon three Business Days' notice from such Lender (with a copy to the Administrative Agent), in the case of [Eurocurrency Term SOFR](#) Loans, prepay or, if applicable, convert all [Eurocurrency Term SOFR](#) Loans of such Lender to ABR Loans either on the last day of the Interest Period therefor, if such Lender may lawfully continue to maintain such [Eurocurrency Term SOFR](#) Loans to such day, or immediately, if such Lender may not lawfully continue to maintain such [Eurocurrency Term SOFR](#) Loans, and (y) if such notice asserts the illegality of such Lender determining or charging interest rates based upon ~~the Adjusted LIBO Rate~~ [Term SOFR](#), the Administrative Agent shall, during the period of such suspension, compute the Alternate Base Rate applicable to such Lender without reference to ~~the Adjusted LIBO Rate~~ [Term SOFR](#) component thereof until the Administrative Agent is advised in writing by such Lender that it is no longer illegal for such Lender to determine or charge interest rates based upon ~~the Adjusted LIBO Rate~~ [Term SOFR](#). Each Lender agrees to notify the Administrative Agent and the Borrower in writing promptly upon becoming aware that it is no longer illegal for such Lender to determine or charge interest rates based upon ~~the Adjusted LIBO Rate~~ [Term SOFR](#). Upon any such prepayment or conversion, the Borrower shall also pay accrued interest on the amount so prepaid or converted.

SECTION 2.24 **Loan Modification Offers.**

(a) At any time after the Effective Date, the Borrower may on one or more occasions, by written notice to the Administrative Agent, make one or more offers (each, a "[Loan Modification Offer](#)") to all the Lenders of one or more Classes (each Class subject to such a Loan Modification Offer, an "[Affected Class](#)") to effect one or more Permitted Amendments relating to such Affected Class pursuant to procedures reasonably specified by the Administrative Agent and reasonably acceptable to Borrower (including mechanics to permit conversions, cashless rollovers and exchanges by Lenders and other repayments and reborrowings of Loans of Accepting Lenders or Non-Accepting Lenders replaced in accordance with this [Section 2.24](#)). Such notice shall set forth (i) the terms and conditions of the requested Permitted Amendment and (ii) the date on which such Permitted Amendment is requested to become effective. Permitted Amendments shall become effective only with respect to the Loans and Commitments of the Lenders of the Affected Class that accept the applicable Loan Modification Offer (such Lenders, the "[Accepting Lenders](#)") and, in the case of any Accepting Lender, only with respect to such Lender's Loans and Commitments of such Affected Class as to which such Lender's acceptance has been made.

(b) A Permitted Amendment shall be effected pursuant to a Loan Modification Agreement executed and delivered by Holdings, the Borrower, each applicable Accepting Lender and the Administrative Agent; provided that no Permitted Amendment shall become effective unless Holdings and the Borrower shall have delivered to the Administrative Agent such legal opinions, board resolutions, secretary's certificates, officer's certificates and other documents as shall be reasonably requested by the Administrative Agent in connection therewith. The Administrative Agent shall promptly notify each Lender as to the effectiveness of each Loan Modification Agreement. Each Loan

Modification Agreement may, without the consent of any Lender other than the applicable Accepting Lenders, effect such amendments to this Agreement and the other Loan Documents as may be necessary or appropriate, in the opinion of the Administrative Agent, to give effect to the provisions of this Section 2.24, including any amendments necessary to treat the applicable Loans and/or Commitments of the Accepting Lenders as a new “Class” of loans and/or commitments hereunder and in connection with a Permitted Amendment related to Revolving Loans and/or Revolving Commitments, to reallocate, if applicable, Revolving Exposure on a pro rata basis among the relevant Revolving Lenders.

(c) If, in connection with any proposed Loan Modification Offer, any Lender declines to consent to such Loan Modification Offer on the terms and by the deadline set forth in such Loan Modification Offer (each such Lender, a “Non-Accepting Lender”) then the Borrower may, on notice to the Administrative Agent and the Non-Accepting Lender, replace such Non-Accepting Lender in whole or in part by causing such Lender to (and such Lender shall be obligated to) assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04) all or any part of its interests, rights and obligations under this Agreement in respect of the Loans and Commitments of the Affected Class to one or more Eligible Assignees (which Eligible Assignee may be another Lender, if a Lender accepts such assignment); provided that neither the Administrative Agent nor any Lender shall have any obligation to the Borrower to find a replacement Lender; provided, further, that (a) the applicable assignee shall have agreed to provide Loans and/or Commitments on the terms set forth in the applicable Permitted Amendment, (b) such Non-Accepting Lender shall have received payment of an amount equal to the outstanding principal of the Loans of the Affected Class assigned by it pursuant to this Section 2.24(c), accrued interest thereon, accrued fees and all other amounts payable to it hereunder from the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) and (c) unless waived, Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b).

(d) No rollover, conversion or exchange (or other repayment or termination) of Loans or Commitments pursuant to any Loan Modification Agreement in accordance with this Section 2.24 shall constitute a voluntary or mandatory payment or prepayment for purposes of this Agreement.

(e) Notwithstanding anything to the contrary, this Section 2.24 shall supersede any provisions in Section 2.18 or Section 9.02 to the contrary.

Documents required to be delivered pursuant to Section 5.01(a), (b) or (f) (to the extent any such documents are included in materials otherwise filed with the SEC) may be delivered electronically and if so delivered, shall be deemed to have been delivered on the earlier of the date (A) on which the Borrower posts such documents, or provides a link thereto, on the Borrower’s or one of its Affiliates’ website on the Internet or (B) on which such documents are posted on the Borrower’s behalf on IntraLinks/IntraAgency or another website, if any, to which each Lender and the Administrative Agent has access (whether a commercial, third-party website or whether sponsored by the Administrative Agent); provided that: (i) the Borrower shall deliver such documents to the Administrative Agent upon its reasonable request until a written notice to cease delivering such documents is given by the Administrative Agent and (ii) the Borrower shall notify the Administrative Agent (by telecopier or electronic mail) of the posting of any such documents and upon its reasonable request, provide to the Administrative Agent by electronic mail electronic versions (i.e., soft copies) of such documents. Each of Holdings and the Borrower hereby acknowledges that (a) the Administrative Agent, the Lead Arrangers and/or the Joint Bookrunners will make available to the Lenders materials and/or information provided by or on behalf of Holdings and the Borrower hereunder (collectively, “Company Materials”) by posting Company Materials on IntraLinks or another similar electronic system (the “Platform”) and (b) certain of the Lenders (each, a “Public Lender”) may have personnel who do not wish to receive material non-public information with respect to Holdings or its Affiliates, or the respective securities of any of the foregoing, and who may be engaged in investment and other market-related activities with respect to such Persons’ securities. Holdings and the Borrower hereby agree that they will, upon the Administrative Agent’s reasonable request, use commercially reasonable efforts to identify that portion of Company Materials that may be distributed to the Public Lenders and that (i) all such Company Materials shall be clearly and conspicuously marked “PUBLIC” which, at a minimum, shall mean that the word “PUBLIC” shall appear prominently on the first page thereof; (ii) by marking Company Materials “PUBLIC,” Holdings and the Borrower shall be deemed to have authorized the Administrative Agent, the Lead Arrangers, the Joint Bookrunners and the Lenders to treat such Company Materials as not containing any material non-public information (although it may be sensitive and proprietary) with respect to Holdings, the Borrower or their respective securities for purposes of United States federal and state securities laws (provided, however, that to the extent such Company Materials constitute Information, they shall be treated as set forth in Section 9.12); (iii) all Company Materials marked “PUBLIC” are permitted to be made available through a portion of the Platform designated “Public Side Information”; and (iv) the Administrative Agent, the Lead Arrangers and the Joint Bookrunners shall be entitled to treat any Company Materials that are not marked “PUBLIC” as being suitable only for posting on a portion of the

(xi) the issuance or transfer of Equity Interests (other than Disqualified Equity Interests) of Holdings (or any direct or indirect parent thereof) to any Permitted Holder or to any former, current or future director, manager, officer, employee or consultant (or any Affiliate of any of the foregoing) of Holdings, the Borrower, any of the Subsidiaries or any direct or indirect parent thereof;

(xii) Holdings, the Borrower and their Subsidiaries may undertake or consummate or otherwise be subject to any IPO Reorganization Transactions;

ARTICLE VII

EVENTS OF DEFAULT

SECTION 7.01 Events of Default. If any of the following events (any such event, an “Event of Default”) shall occur:

(a) any Loan Party shall fail to pay any principal of any Loan when and as the same shall become due and payable and in the currency required hereunder, whether at the due date thereof or at a date fixed for prepayment thereof or otherwise;

(b) any Loan Party shall fail to pay any interest on any Loan, or any reimbursement obligation in respect of any LC Disbursement or any fee or any other amount (other than an amount referred to in paragraph (a) of this Section) payable under any Loan Document, when and as the same shall become due and payable, and such failure shall continue unremedied for a period of five Business Days;

(c) any representation or warranty made or deemed made by or on behalf of Holdings, the Borrower or any of the Restricted Subsidiaries in or in connection with any Loan Document or any amendment or modification thereof or waiver thereunder, or in any report, certificate, financial statement or other document furnished pursuant to or in connection with any Loan Document or any amendment or modification thereof or waiver thereunder, shall prove to have been incorrect in any material respect when made or deemed made, and such incorrect representation or warranty (if curable, including by a restatement of any relevant financial statements) shall remain incorrect for a period of 30 days after notice thereof from the Administrative Agent to the Borrower;

(d) Holdings, the Borrower or any of the Restricted Subsidiaries shall fail to observe or perform any covenant, condition or agreement contained in Sections 5.02(a), 5.04 (with respect to the existence of Holdings or the Borrower) or in Article VI (other than Section 6.10); provided that (i) any Event of Default under Section 6.10 is subject to cure as provided in Section 7.02 and an Event of Default with respect to such Section shall not occur until the expiration of the 10th Business Day subsequent to the date on which the financial statements with respect to the applicable fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) are required to be delivered pursuant to Section 5.01(a) or Section 5.01(b), as applicable and (ii) a default under Section 6.10 shall not constitute an Event of Default with respect to the Term Loans unless and until the Required Revolving Lenders shall have terminated their Revolving Commitments or declared all amounts under the Revolving Loans to be due and payable, respectively (such period commencing with a default under Section 6.10 and ending on the date on which the Required Lenders with respect to the Revolving Credit Facility terminate or accelerate the Revolving Loans, the “Standstill Period”);

(e) any Loan Party shall fail to observe or perform any covenant, condition or agreement contained in any Loan Document (other than those specified in paragraph (a), (b) or (d) of this Section), and such failure shall continue unremedied for a period of 30 days after notice thereof from the Administrative Agent to Holdings;

(f) Holdings, the Borrower or any of the Restricted Subsidiaries shall fail to make any payment (whether of principal or interest and regardless of amount) in respect of any Material Indebtedness, when and as the same shall become due and payable (after giving effect to any applicable grace period);

(g) any event or condition occurs that results in any Material Indebtedness becoming due prior to its scheduled maturity or that enables or permits (with all applicable grace periods having expired) the holder or holders of any Material Indebtedness or any trustee or agent on its or their behalf to cause any Material Indebtedness to become due, or to require the prepayment, repurchase, redemption or defeasance thereof, prior to its scheduled maturity, provided that this paragraph (g) shall not apply to (i) secured

Indebtedness that becomes due as a result of the sale, transfer or other disposition (including as a result of a casualty or condemnation event) of the property or assets securing such Indebtedness (to the extent such sale, transfer or other disposition is not prohibited under this Agreement), (ii) termination events or similar events occurring under any Swap Agreement that constitutes Material Indebtedness (it being understood that paragraph (f) of this Section will apply to any failure to make any payment required as a result of any such termination or similar event) or (iii) any breach or default that is (I) remedied by Holdings, the Borrower or the applicable Restricted Subsidiary or (II) waived (including in the form of amendment) by the required holders of the applicable item of Indebtedness, in either case, prior to the acceleration of Loans and Commitments pursuant to this Article VII;

(h) an involuntary proceeding shall be commenced or an involuntary petition shall be filed seeking (i) liquidation, court protection, reorganization or other relief in respect of Holdings, the Borrower or any Significant Subsidiary or its debts, or of a material part of its assets, under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect or (ii) the appointment of a receiver, trustee, custodian, examiner, sequestrator, conservator or similar official for Holdings, the Borrower or any Significant Subsidiary or for a material part of its assets, and, in any such case, such proceeding or petition shall continue undismissed or unstayed for 60 days or an order or decree approving or ordering any of the foregoing shall be entered;

(i) Holdings, the Borrower or any Significant Subsidiary shall (i) voluntarily commence any proceeding or file any petition seeking liquidation, court protection, reorganization or other relief under any Federal, state or foreign bankruptcy, insolvency, receivership or similar law now or hereafter in effect, (ii) consent to the institution of, or fail to contest in a timely and appropriate manner, any proceeding or petition described in paragraph (h) of this Section, (iii) apply for or consent to the appointment of a receiver, trustee, examiner, custodian, sequestrator, conservator or similar official for Holdings, the Borrower or any Significant Subsidiary or for a material part of its assets, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding or (v) make a general assignment for the benefit of creditors;

(j) one or more enforceable judgments for the payment of money in an aggregate amount in excess of the greater of (a) \$36,000,000 and (b) 25% of Consolidated EBITDA for the most recently ended Test Period (to the extent not covered by insurance or indemnities as to which the applicable insurance company or third party has not denied its obligation) shall be rendered against Holdings, the Borrower, any of the Restricted Subsidiaries or any combination thereof and the same shall remain undischarged for a period of 60 consecutive days during which execution shall not be effectively stayed, or any judgment creditor shall legally attach or levy upon assets of such Loan Party that are material to the businesses and operations of Holdings, the Borrower and the Restricted Subsidiaries, taken as a whole, to enforce any such judgment;

(k) (i) an ERISA Event occurs that has resulted or could reasonably be expected to result in liability of any Loan Party under Title IV of ERISA in an aggregate amount that could reasonably be expected to result in a Material Adverse Effect, or (ii) any Loan Party or any ERISA Affiliate fails to pay when due, after the expiration of any applicable grace period, any installment payment with respect to its Withdrawal Liability under Section 4201 of ERISA under a Multiemployer Plan in an aggregate amount that could reasonably be expected to result in a Material Adverse Effect;

(l) to the extent unremedied for a period of 10 Business Days (in respect of a default under clause (x) only), any Lien purported to be created under any Security Document (x) shall cease to be, or (y) shall be asserted by any Loan Party not to be, a valid and perfected Lien on any material portion of the Collateral, except (i) as a result of the sale or other disposition of the applicable Collateral to a Person that is not a Loan Party in a transaction permitted under the Loan Documents, (ii) as a result of the Collateral Agent's failure to (A) maintain possession of any stock certificates, promissory notes or other instruments delivered to it under the Security Documents or (B) file Uniform Commercial Code continuation statements, (iii) as to Collateral consisting of real property, to the extent that such losses are covered by a lender's title insurance policy and such insurer has not denied coverage or (iv) as a result of acts or omissions of the Collateral Agent, the Administrative Agent or any Lender;

(m) any material provision of any Loan Document or any Guarantee of the Loan Document Obligations shall for any reason be asserted by any Loan Party not to be a legal, valid and binding obligation of any Loan Party thereto other than as expressly permitted hereunder or thereunder;

(n) any Guarantees of the Loan Document Obligations by Holdings, the Borrower or Subsidiary Loan Party pursuant to the Guarantee Agreement shall cease to be in full force and effect (in each case, other than in accordance with the terms of the Loan Documents);

(o) a Change in Control shall occur;

then, and in every such event (other than an event with respect to Holdings, or the Borrower described in paragraph (h) or (i) of this Article), and at any time thereafter during the continuance of such event, the Administrative Agent may, and at the request of the Required Lenders (or, if an Event of Default resulting from a breach of the Financial Performance Covenant occurs and is continuing and prior to the expiration of the Standstill Period, (x) at the request of the Required Revolving Lenders (in such case only with respect to the Revolving Commitments, Revolving Loans and any Letters of Credit) only (a “Revolving Acceleration”) and (y) after a Revolving Acceleration, at the request of the Required Term Lenders), shall, by notice to Holdings and the Borrower, take either or both of the following actions, at the same or different times: (i) terminate the applicable Commitments, and thereupon the Commitments shall terminate immediately, (ii) declare the applicable Loans then outstanding to be due and payable in whole (or in part, in which case any principal not so declared to be due and payable may thereafter be declared to be due and payable), and thereupon the principal of the Loans so declared to be due and payable, together with accrued interest thereon and all fees and other obligations of Holdings or the Borrower accrued hereunder, shall become due and payable immediately and (iii) require the deposit of cash collateral in respect of LC Exposure as provided in Section 2.05(j), in each case, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by Holdings and the Borrower; and in case of any event with respect to Holdings or the Borrower described in paragraph (h) or (i) of this Article, the Commitments shall automatically terminate and the principal of the Loans then outstanding, together with accrued interest thereon and all fees and other obligations of Holdings and the Borrower accrued hereunder, shall automatically become due and payable, without presentment, demand, protest or other notice of any kind, all of which are hereby waived by Holdings and the Borrower.

Notwithstanding anything in this Agreement to the contrary, each Lender and the Administrative Agent hereby acknowledge and agree that a restatement of historical financial statements shall not result in a Default hereunder (whether pursuant to Section 7.01(c) as it relates to a representation made with respect to such financial statements (including any interim unaudited financial statements) or pursuant to Section 7.01(d) as it relates to delivery requirements for financial statements pursuant to Section 5.01) to the extent that such restatement does not reveal any material adverse difference in the financial condition, results of operations or cash flows of the Borrower and its Restricted Subsidiaries in the previously reported information from actual results reflected in such restatement for any relevant prior period.

SECTION 7.02 Right to Cure. Notwithstanding anything to the contrary contained in Section 7.01, in the event that the Borrower and its Restricted Subsidiaries fail to comply with the requirements of the Financial Performance Covenant as of the last day of any fiscal quarter of the Borrower, at any time after the beginning of such fiscal quarter until the expiration of the 10th Business Day following the date on which the financial statements with respect to such fiscal quarter (or the fiscal year ended on the last day of such fiscal quarter) are required to be delivered pursuant to Section 5.01(a) or Section 5.01(b), the Borrower or any Parent Entity thereof shall have the right to issue common Equity Interests or other Equity Interests (provided such other Equity Interests are reasonably satisfactory to the Administrative Agent) for cash or otherwise receive cash contributions to the capital of the Borrower as cash common Equity Interests or other Equity Interests (provided such other Equity Interests are reasonably satisfactory to the Administrative Agent) (collectively, the “Cure Right”), and upon the receipt by the Borrower of the Net Proceeds of such issuance that are not otherwise applied (the “Cure Amount”) pursuant to the exercise by the Borrower of such Cure Right such Financial Performance Covenant shall be recalculated giving effect to the following pro forma adjustment:

(a) Consolidated EBITDA shall be increased with respect to such applicable fiscal quarter and any four fiscal quarter period that contains such fiscal quarter, solely for the purpose of measuring the Financial Performance Covenant and not for any other purpose under this Agreement, by an amount equal to the Cure Amount;

(b) if, after giving effect to the foregoing pro forma adjustment (without giving effect to any portion of the Cure Amount on the balance sheet of the Borrower and its Restricted Subsidiaries with respect to such fiscal quarter only but with giving pro forma effect to any portion of the Cure Amount applied to any repayment of any Indebtedness), the Borrower and its Restricted Subsidiaries shall then be in compliance with the requirements of the Financial Performance Covenants, the Borrower and its Restricted Subsidiaries shall be deemed to have satisfied the requirements of the Financial Performance Covenant as of the relevant date of determination with the same effect as though there had been no failure to comply therewith at such date, and the applicable breach or default of the Financial Performance Covenant that had occurred shall be deemed cured for the purposes of this Agreement; and

(c) Notwithstanding anything herein to the contrary, (i) in each four consecutive fiscal quarter period of the Borrower there shall be at least two fiscal quarters in which the Cure Right is not exercised, (ii) during the term of this Agreement, the Cure Right shall not be exercised more than five times, (iii) the Cure Amount shall be no greater than the amount required for purposes of complying with the Financial Performance Covenant and any amounts in excess thereof shall not be deemed to be a Cure Amount and (iv) the Lenders shall not be required to make a Loan or issue, amend, renew or extend any Letter of Credit unless and until the Borrower has received the Cure Amount required to cause the Borrower and the Restricted Subsidiaries to be in compliance with the Financial Performance Covenants. Notwithstanding any other provision in this Agreement to the contrary, the Cure Amount received pursuant to any exercise of the Cure Right shall be disregarded for purposes of determining the Available Amount, the Available Equity Amount, any financial ratio-based conditions or tests, pricing or any available basket under Article VI of this Agreement.

SECTION 7.03 Application of Proceeds. After the exercise of remedies provided for in Section 7.01, any amounts received on account of the Secured Obligations shall be applied by the Collateral Agent in accordance with Section 4.02 of the Collateral Agreement and/or the similar provisions in the other Security Documents. Notwithstanding the foregoing, Excluded Swap Obligations with respect to any Guarantor shall not be paid with amounts received from such Guarantor or its assets, but appropriate adjustments shall be made with respect to payments from other Loan Parties to preserve the allocation to Secured Obligations otherwise set forth in Section 4.02 of the Collateral Agreement and/or the similar provisions in the other Security Documents.

ARTICLE VIII

THE ADMINISTRATIVE AGENT AND COLLATERAL AGENT

Each of the Lenders and the Issuing Banks hereby irrevocably appoint Bank of America to serve as Administrative Agent and Collateral Agent under the Loan Documents, and authorize the Administrative Agent and Collateral Agent to take such actions and to exercise such powers as are delegated to the Administrative Agent and Collateral Agent by the terms of the Loan Documents, together with such actions and powers as are reasonably incidental thereto. The provisions of this Article are solely for the benefit of the Administrative Agent, the Collateral Agent, the Lenders and the Issuing Banks, and none of Holdings, the Borrower or any other Loan Party shall have any rights as a third party beneficiary of any such provisions.

The Person serving as the Administrative Agent hereunder shall have the same rights and powers in its capacity as a Lender or an Issuing Bank as any other Lender or Issuing Bank and may exercise the same as though it were not the Administrative Agent, and such Person and its Affiliates may accept deposits from, lend money to, act as the financial advisor or in any other advisory capacity for and generally engage in any kind of business with Holdings, the Borrower or any other Subsidiary or other Affiliate thereof as if such Person were not the Administrative Agent hereunder and without any duty to account therefor to the Lenders.

The Administrative Agent, the Joint Bookrunners or the Lead Arrangers, as applicable, shall not have any duties or obligations except those expressly set forth in the Loan Documents. Without limiting the generality of the foregoing, the Administrative Agent, the Joint Bookrunners or the Lead Arrangers, as applicable, (a) shall not be subject to any fiduciary or other implied duties, regardless of whether a Default has occurred and is continuing, (b) shall not have any duty to take any discretionary action or to exercise any discretionary power, except discretionary rights and powers expressly contemplated by the Loan Documents that the Administrative Agent is required to exercise as directed in writing by the Required Lenders (or such other number or percentage of the Lenders as shall

be necessary under the circumstances as provided in the Loan Documents); provided that the Administrative Agent shall not be required to take any action that, in its opinion, may expose the Administrative Agent to liability or that is contrary to any Loan Document or applicable law, and (c) shall not have any duty or responsibility to disclose, and shall not be liable for the failure to disclose, to any Lender or any Issuing Bank, any credit or other information concerning the business, prospects, operations, property, financial and other condition or creditworthiness of any of the Loan Parties or any of their Affiliate, that is communicated to, obtained or in the possession of, the Administrative Agent, the Joint Bookrunners, the Lead Arrangers or any of their Related Parties in any capacity, except for notices, reports and other documents expressly required to be furnished to the Lenders by the Administrative Agent herein. Neither the Administrative Agent nor any Joint Bookrunner or Lead Arranger shall be liable for any action taken or not taken by it with the consent or at the request of the Required Lenders (or such other number or percentage of the Lenders as shall be necessary, or as the Administrative Agent shall believe in good faith to be necessary, under the circumstances as provided in Section 9.02) or in the absence of its own gross negligence or willful misconduct. The Administrative Agent shall be deemed not to have knowledge of any Default unless and until written notice thereof is given to the Administrative Agent by Holdings, the Borrower, a Lender or an Issuing Bank. Neither the Administrative Agent nor any Joint Bookrunner or Lead Arranger shall not be responsible for or have any duty to ascertain or inquire into (i) any statement, warranty or representation made in or in connection with any Loan Document, (ii) the contents of any certificate, report or other document delivered thereunder or in connection therewith, (iii) the performance or observance of any of the covenants, agreements or other terms or conditions set forth in any Loan Document or the occurrence of any Default, (iv) the validity, enforceability, effectiveness or genuineness of any Loan Document or any other agreement, instrument or document, (v) the value or the sufficiency of any Collateral or creation, perfection or priority of any Lien purported to be created by the Security Documents or (vi) the satisfaction of any condition set forth in Article IV or elsewhere in any Loan Document, other than to confirm receipt of items expressly required to be delivered to the Administrative Agent or satisfaction of any condition that expressly refers to the matters described therein being acceptable or satisfactory to the Administrative Agent. Notwithstanding anything herein to the contrary, the Administrative Agent shall not have any liability arising from any confirmation of the Revolving Exposure or the component amounts thereof.

The Administrative Agent shall be entitled to rely, and shall not incur any liability for relying, upon any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper Person (including, if applicable, a Responsible Officer or Financial Officer of such Person). The Administrative Agent also may rely, and shall not incur any liability for relying, upon any statement made to it orally or by telephone and believed by it to be made by the proper Person (including, if applicable, a Financial Officer or a Responsible Officer of such Person). The Administrative Agent may consult with legal counsel (who may be counsel for the Borrower), independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in accordance with the advice of any such counsel, accountants or experts.

The Administrative Agent may perform any of and all its duties and exercise its rights and powers hereunder or under any other Loan Document by or through any one or more sub-agents appointed by the Administrative Agent. The Administrative Agent and any such sub-agent may perform any of and all their duties and exercise their rights and powers through their respective Related Parties. The exculpatory provisions of this Article shall apply to any such sub-agent and to the Related Parties of the Administrative Agent and any such sub-agent, and shall apply to their respective activities in connection with the syndication of the credit facilities provided for herein as well as activities as Administrative Agent.

Subject to the appointment and acceptance of a successor Administrative Agent as provided in this paragraph, the Administrative Agent may resign upon 30 days' notice to the Lenders, the Issuing Banks and the Borrower. If the Administrative Agent becomes a Defaulting Lender and is not performing its role hereunder as Administrative Agent, the Administrative Agent may be removed as the Administrative Agent hereunder at the request of the Borrower and the Required Lenders. Upon receipt of any such notice of resignation or upon such removal, the Required Lenders shall have the right, with the Borrower's consent (unless an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing), to appoint a successor, which shall be a bank with an office in the United States, or an Affiliate of any such bank with an office in the United States. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days after the retiring Administrative Agent gives notice of its resignation, then the retiring Administrative Agent may (but shall not be obligated to) on behalf of

the Lenders and the Issuing Banks, appoint a successor Administrative Agent, which shall be an Approved Bank with an office in New York, New York, or an Affiliate of any such Approved Bank (the date upon which the retiring Administrative Agent is replaced, the “Resignation Effective Date”).

If the Person serving as Administrative Agent is a Defaulting Lender, the Required Lenders and the Borrower may, to the extent permitted by applicable law, by notice in writing to such Person remove such Person as Administrative Agent and, with the consent of the Borrower, appoint a successor. If no such successor shall have been so appointed by the Required Lenders and shall have accepted such appointment within 30 days (the “Removal Effective Date”), then such removal shall nonetheless become effective in accordance with such notice on the Removal Effective Date.

With effect from the Resignation Effective Date or the Removal Effective Date (as applicable) (1) the retiring or removed Administrative Agent shall be discharged from its duties and obligations hereunder and under the other Loan Documents (except (i) that in the case of any collateral security held by the Administrative Agent on behalf of the Lenders under any of the Loan Documents, the retiring or removed Administrative Agent shall continue to hold such collateral security until such time as a successor Administrative Agent is appointed and (ii) with respect to any outstanding payment obligations) and (2) except for any indemnity payments or other amounts then owed to the retiring or removed Administrative Agent, all payments, communications and determinations provided to be made by, to or through the Administrative Agent shall instead be made by or to each Lender directly, until such time, if any, as the Required Lenders appoint a successor Administrative Agent as provided for above. Upon the acceptance of a successor’s appointment as Administrative Agent hereunder, such successor shall succeed to and become vested with all of the rights, powers, privileges and duties of the retiring (or removed) Administrative Agent (other than any rights to indemnity payments or other amounts owed to the retiring or removed Administrative Agent as of the Resignation Effective Date or the Removal Effective Date, as applicable), and the retiring or removed Administrative Agent shall be discharged from all of its duties and obligations hereunder and under the other Loan Documents as set forth in this Section. The fees payable by the Borrower to a successor Administrative Agent shall be the same as those payable to its predecessor unless otherwise agreed between the Borrower and such successor. After the retiring or removed Administrative Agent’s resignation or removal hereunder and under the other Loan Documents, the provisions of this Article and Section 9.04 shall continue in effect for the benefit of such retiring or removed Administrative Agent, its sub-agents and their respective Related Parties in respect of any actions taken or omitted to be taken by any of them while the retiring or removed Administrative Agent was acting as Administrative Agent.

Each Lender and each Issuing Bank expressly acknowledges that none of the Administrative Agent nor the Lead Arrangers or Joint Bookrunners has made any representation or warranty to it, and that no act by the Administrative Agent, the Lead Arrangers or Joint Bookrunners hereafter taken, including any consent to, and acceptance of any assignment or review of the affairs of any Loan Party of any Affiliate thereof, shall be deemed to constitute any representation or warranty by the Administrative Agent, the Lead Arrangers or Joint Bookrunners to any Lender or any Issuing Bank as to any matter, including whether the Administrative Agent, the Lead Arrangers or Joint Bookrunners have disclosed material information in their (or their Related Parties’) possession. Each Lender and each Issuing Bank represents to the Administrative Agent, the Lead Arrangers and the Joint Bookrunners that it has, independently and without reliance upon the Administrative Agent, the Lead Arrangers, the Joint Bookrunners, any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it has deemed appropriate, made its own credit analysis of, appraisal of, and investigation into, the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties and their Subsidiaries, and all applicable bank or other regulatory Laws relating to the transactions contemplated hereby, and made its own decision to enter into this Agreement and to extend credit to the Borrower hereunder. Each Lender and each Issuing Bank also acknowledges that it will, independently and without reliance upon the Administrative Agent, the Lead Arrangers, the Joint Bookrunners, any other Lender or any Issuing Bank, or any of the Related Parties of any of the foregoing, and based on such documents and information as it shall from time to time deem appropriate, continue to make its own credit analysis, appraisals and decisions in taking or not taking action under or based upon this Agreement, any other Loan Document or any related agreement or any document furnished hereunder or thereunder, and to make such investigations as it deems necessary to inform itself as to the business, prospects, operations, property, financial and other condition and creditworthiness of the Loan Parties. Each Lender and each Issuing Bank represents and warrants that (i) the Loan Documents set forth the terms of a commercial lending facility and (ii) it is engaged in making, acquiring or holding commercial loans in the ordinary course and is entering into this Agreement as a Lender or Issuing Bank for the purpose of making, acquiring or holding commercial loans and

providing other facilities set forth herein as may be applicable to such Lender or Issuing Bank, and not for the purpose of purchasing, acquiring or holding any other type of financial instrument, and each Lender and each Issuing Bank agrees not to assert a claim in contravention of the foregoing. Each Lender and each Issuing Bank represents and warrants that it is sophisticated with respect to decisions to make, acquire and/or hold commercial loans and to provide other facilities set forth herein, as may be applicable to such Lender or such Issuing Bank, and either it, or the Person exercising discretion in making its decision to make, acquire and/or hold such commercial loans or to provide such other facilities, is experienced in making, acquiring or holding such commercial loans or providing such other facilities.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Effective Date, or delivering its signature page to an Assignment and Assumption, Incremental Facility Amendment, Refinancing Amendment or Loan Modification Offer pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Effective Date.

Each Lender, by delivering its signature page to this Agreement and funding its Loans on the Amendment No. 1 Effective Date, or delivering its signature page to an Assignment and Assumption, Incremental Facility Amendment, Refinancing Amendment or Loan Modification Offer pursuant to which it shall become a Lender hereunder, shall be deemed to have acknowledged receipt of, and consented to and approved, each Loan Document and each other document required to be delivered to, or be approved by or satisfactory to, the Administrative Agent or the Lenders on the Amendment No. 1 Effective Date.

No Lender shall have any right individually to realize upon any of the Collateral or to enforce any Guarantee of the Secured Obligations, it being understood and agreed that all powers, rights and remedies under the Loan Documents may be exercised solely by the Administrative Agent on behalf of the Lenders in accordance with the terms thereof. In the event of a foreclosure by the Administrative Agent on any of the Collateral pursuant to a public or private sale or other disposition, the Administrative Agent or any Lender may be the purchaser or licensor of any or all of such Collateral at any such sale or other disposition, and the Administrative Agent, as agent for and representative of the Lenders (but not any Lender or Lenders in its or their respective individual capacities unless Required Lenders shall otherwise agree in writing) shall be entitled, for the purpose of bidding and making settlement or payment of the purchase price for all or any portion of the Collateral sold at any such public sale, to use and apply any of the Secured Obligations as a credit on account of the purchase price for any collateral payable by the Administrative Agent on behalf of the Lenders at such sale or other disposition. Each Lender, whether or not a party hereto, will be deemed, by its acceptance of the benefits of the Collateral and of the Guarantees of the Secured Obligations, to have agreed to the foregoing provisions.

Notwithstanding anything herein to the contrary, neither any Lead Arranger, any Joint Bookrunner nor any Person named on the cover page of this Agreement as the Syndication Agent or a Documentation Agent shall have any duties or obligations under this Agreement or any other Loan Document (except in its capacity, as applicable, as a Lender or an Issuing Bank), but all such Persons shall have the benefit of the indemnities provided for hereunder, including under Section 9.03, fully as if named as an indemnitee or indemnified person therein and irrespective of whether the indemnified losses, claims, damages, liabilities and/or related expenses arise out of, in connection with or as a result of matters arising prior to, on or after the effective date of any Loan Document.

To the extent required by any applicable Requirements of Law, the Administrative Agent may withhold from any payment to any Lender an amount equivalent to any applicable withholding Tax. Without limiting or expanding the provisions of Section 2.17, each Lender shall indemnify the Administrative Agent against, and shall make payable in respect thereof within 30 days after demand therefor, any and all Taxes and any and all related losses, claims, liabilities and expenses (including fees, charges and disbursements of any counsel for the Administrative Agent) incurred by or asserted against the Administrative Agent by the U.S. Internal Revenue Service or any other Governmental Authority as a result of the failure of the Administrative Agent to properly withhold Tax from amounts paid to or for the account of any Lender for any reason (including, without limitation, because the appropriate form was not delivered or not properly executed, or because such Lender failed to notify the Administrative Agent of a change in circumstance that rendered the exemption from, or reduction of withholding tax ineffective). A certificate as to the amount of such payment or liability delivered to any Lender by the Administrative Agent shall be conclusive absent manifest error. Each Lender hereby authorizes the Administrative Agent to set off and apply any and all amounts at any time owing to such Lender under this Agreement or any other Loan Document against any amount

due the Administrative Agent under this paragraph. The agreements in this paragraph shall survive the resignation and/or replacement of the Administrative Agent, any assignment of rights by, or the replacement of, a Lender and the repayment, satisfaction or discharge of all other obligations under any Loan Document.

Each Lender party to this Agreement hereby appoints the Administrative Agent and Collateral Agent to act as its agent under and in connection with the relevant Security Documents.

The Administrative Agent shall not be responsible or have any liability for, or have any duty to ascertain, inquire into, monitor or enforce, compliance with the provisions hereof relating to Disqualified Lenders or Affiliated Lenders. Without limiting the generality of the foregoing, the Administrative Agent shall not (a) be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is a Disqualified Lender or Affiliated Lender or (b) have any liability with respect to or arising out of any assignment or participation of Loans or Commitments, or disclosure of confidential information, to any Disqualified Lender or Affiliated Lender.

All provisions of this Article VIII applicable to the Administrative Agent shall apply to the Collateral Agent and the Collateral Agent shall be entitled to all the benefits and indemnities applicable to the Administrative Agent under this Agreement.

Notices and other communications to the Lenders and the Issuing Banks hereunder may also be delivered or furnished by electronic transmission (including email and Internet or intranet websites) pursuant to procedures reasonably approved by the Administrative Agent, provided that the foregoing shall not apply to notices to any Lender or Issuing Bank pursuant to Article II if such Lender or Issuing Bank, as applicable, has notified the Administrative Agent that it is incapable of receiving notices under such Article by electronic transmission.

THE PLATFORM IS PROVIDED "AS IS" AND "AS AVAILABLE." THE AGENT PARTIES (AS DE-FINED BELOW) DO NOT WARRANT THE ACCURACY OR COMPLETENESS OF THE COMPANY MATERIALS OR THE ADEQUACY OF THE PLATFORM, AND EXPRESSLY DISCLAIM LIABILITY FOR ERRORS IN OR OMISSIONS FROM THE COMPANY MATERIALS. NO WARRANTY OF ANY KIND, EXPRESS, IMPLIED OR STATUTORY, INCLUDING ANY WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, NON-INFRINGEMENT OF THIRD PARTY RIGHTS OR FREEDOM FROM VIRUSES OR OTHER CODE DEFECTS, IS MADE BY ANY AGENT PARTY IN CONNECTION WITH THE COMPANY MATERIALS OR THE PLATFORM. In no event shall the Administrative Agent or any of its Related Parties (collectively, the "Agent Parties") have any liability to Holdings, the Borrower, any Lender, any Issuing Bank or any other Person for losses, claims, damages, liabilities or expenses of any kind (whether in tort, contract or otherwise) arising out of the Borrower's, any Loan Party's or the Administrative Agent's transmission of Company Materials or notices through the Platform, any other electronic messaging service, or through the Internet, except to the extent that such losses, claims, damages, liabilities or expenses have resulted from the willful misconduct, bad faith or gross negligence of the Administrative Agent or any of its Related Parties, as applicable.

The Administrative Agent, the Issuing Banks and the Lenders shall be entitled to rely and act upon any notices (including telephonic notices and Borrowing Requests) purportedly given by or on behalf of the Borrower even if (i) such notices were not made in a manner specified herein, were incomplete or were not preceded or followed by any other form of notice specified herein, or (ii) the terms thereof, as understood by the recipient, varied from any confirmation thereof. All telephonic notices to and other telephonic communications with the Administrative Agent may be recorded by the Administrative Agent, and each of the parties hereto hereby consents to such recording.

SECTION 9.02 Waivers; Amendments.

(a) No failure or delay by the Administrative Agent, the Collateral Agent, any Issuing Bank or any Lender in exercising any right or power under any Loan Document shall operate as a waiver thereof, nor shall any single or partial exercise of any such right or power, or any abandonment or discontinuance of steps to enforce such a right or power, preclude any other or further exercise thereof or the exercise of any other right or power. The rights and remedies of the Administrative Agent, the Collateral Agent, the Issuing Banks and the Lenders hereunder and under the other Loan Documents are cumulative and are not exclusive of any rights or remedies that they would otherwise have. No waiver of any provision of any Loan Document or consent to any departure by any Loan Party therefrom shall in any event be effective unless the same shall be permitted by paragraph (b) of this Section, and then such waiver or consent shall be effective only in the specific instance and for the purpose for which given. Without limiting the generality of the foregoing, the making of a Loan or the issuance, amendment, renewal or extension of a Letter of Credit shall not be construed as a waiver of any Default, regardless of whether the Administrative Agent, the Collateral Agent, or any Lender or any Issuing Bank may have had notice or knowledge of such Default at the time. No notice or demand on the Borrower or Holdings in any case shall entitle Holdings or the Borrower to any other or further notice or demand in similar or other circumstances.

(b) Except as expressly provided herein, neither any Loan Document nor any provision thereof may be waived, amended or modified except, in the case of this Agreement, pursuant to an agreement or agreements in writing entered into by Holdings, the Borrower, the Administrative Agent (to the extent that such waiver, amendment or modification does not affect the rights, duties, privileges or obligations of the Administrative Agent under this Agreement, the Administrative Agent shall execute such waiver, amendment or other modification to the extent approved by the Required Lenders) and the Required Lenders or, in the case of any other Loan Document, pursuant

to an agreement or agreements in writing entered into by the Administrative Agent and the Loan Party or Loan Parties that are parties thereto, in each case with the consent of the Required Lenders, provided that no such agreement shall:

(i) increase the Commitment of any Lender without the written consent of such Lender (it being understood that a waiver of any condition precedent set forth in Section 4.02 or the waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension or increase of any Commitment of any Lender),

(ii) reduce the principal amount of any Loan or LC Disbursement (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute a reduction or forgiveness in principal) or reduce the rate of interest thereon, or reduce any fees payable hereunder, without the written consent of each Lender directly and adversely affected thereby (it being understood that any change to the definition of "First Lien Leverage Ratio" or in the component definitions thereof shall not constitute a reduction of interest or fees), provided that only the consent of the Required Lenders shall be necessary to waive any obligation of the Borrower to pay default interest pursuant to Section 2.13(c),

(iii) postpone the maturity of any Loan (it being understood that a waiver of any Default, Event of Default, mandatory prepayment or mandatory reduction of the Commitments shall not constitute an extension of any maturity date), or the date of any scheduled amortization payment of the principal amount of any Loan under Section 2.10 or the applicable Refinancing Amendment or Loan Modification Agreement, or the reimbursement date with respect to any LC Disbursement, or any date for the payment of any interest or fees payable hereunder, or reduce the amount of, waive or excuse any such payment, or postpone the scheduled date of expiration of any Commitment, without the written consent of each Lender directly and adversely affected thereby),

(iv) change any of the provisions of this Section without the written consent of each Lender directly and adversely affected thereby, provided that any such change which is in favor of a Class of Lenders holding Loans maturing after the maturity of other Classes of Lenders (and only takes effect after the maturity of such other Classes of Loans or Commitments) will require the written consent of the Required Lenders with respect to each Class directly and adversely affected thereby,

(v) lower the percentage set forth in the definition of "Required Lenders" or any other provision of any Loan Document specifying the number or percentage of Lenders (or Lenders of any Class) required to waive, amend or modify any rights thereunder or make any determination or grant any consent thereunder, without the written consent of each Lender (or each Lender of such Class, as the case may be),

(vi) release all or substantially all the value of the Guarantees under the Guarantee Agreement (except as expressly provided in the Loan Documents) without the written consent of each Lender (other than a Defaulting Lender),

(vii) release all or substantially all the Collateral from the Liens of the Security Documents, without the written consent of each Lender (other than a Defaulting Lender) (except as expressly provided in the Loan Documents),

(viii) change the currency in which any Loan is denominated, without the written consent of each Lender directly affected thereby,

(ix) change any of the provisions of Section 7.03, or Section 4.02 of the Collateral Agreement and/or the similar "waterfall" provisions in the other Security Documents referred to therein, without the written consent of each Lender directly and adversely affected thereby or

(x) amend Section 1.11 or the definition of "Alternative Currency" without the written consent of each Issuing Bank affected thereby;

provided, further, that (A) no such agreement shall amend, modify or otherwise affect the rights or duties of the Administrative Agent, the Collateral Agent or any Issuing Bank without the prior written consent of the Administrative Agent, Collateral Agent or Issuing Bank, as the case may be, including, without limitation, any amendment of this Section, (B) any provision of this Agreement or any other Loan Document may be amended by an agreement in writing entered into by Holdings, the Borrower and the Administrative Agent to cure any ambiguity, omission, mistake, error, defect or inconsistency and (C) any waiver, amendment or modification of this Agreement that by its terms affects the rights or duties under this Agreement of Lenders holding Loans or Commitments of a particular Class (but not the Lenders holding Loans or Commitments of any other Class) may be effected by an agreement or agreements in writing entered into solely by Holdings, the Borrower, the Administrative Agent and the requisite percentage in interest of the affected Class of Lenders stating that would be required to consent thereto under this Section if such Class of Lenders were the only Class of Lenders hereunder at the time (“Required Class Lenders”). Notwithstanding the foregoing, (a) this Agreement may be amended (or amended and restated) with the written consent of the Required Lenders, the Administrative Agent, Holdings and the Borrower (i) to add one or more additional credit facilities to this Agreement and to permit the extensions of credit from time to time outstanding thereunder and the accrued interest and fees in respect thereof to share ratably in the benefits of this Agreement and the other Loan Documents and (ii) to include appropriately the Lenders holding such credit facilities in any determination of the Required Lenders on substantially the same basis as the Lenders prior to such inclusion, (b) this Agreement and other Loan Documents may be amended or supplemented by an agreement or agreements in writing entered into by the Administrative Agent and Holdings, the Borrower or any Loan Party as to which such agreement or agreements is to apply, without the need to obtain the consent of any Lender, to include “parallel debt” or similar provisions, and any authorizations or granting of powers by the Lenders and the other Secured Parties in favor of the Collateral Agent, in each case required to create in favor of the Collateral Agent any security interest contemplated to be created under this Agreement, or to perfect any such security interest, where the Administrative Agent shall have been advised by its counsel that such provisions are necessary or advisable under local law for such purpose (with Holdings and the Borrower hereby agreeing to, and to cause their subsidiaries to, enter into any such agreement or agreements upon reasonable request of the Administrative Agent promptly upon such request) and (c) upon notice thereof by the Borrower to the Administrative Agent with respect to the inclusion of any previously absent financial maintenance covenant or other covenant, this Agreement shall be amended by an agreement in writing entered into by the Borrower and the Administrative Agent without the need to obtain the consent of any Lender to include any such covenant on the date of the incurrence of the applicable Indebtedness to the extent required by the terms of such definition or section.

(c) In connection with any proposed amendment, modification, waiver or termination (a “Proposed Change”) requiring the consent of all Lenders, all Lenders of an affected Class or all directly and adversely affected Lenders, if the consent of the Required Lenders or the Required Class Lenders of any such affected Class, as applicable, to such Proposed Change is obtained, but the consent to such Proposed Change of other Lenders whose consent is required is not obtained (any such Lender whose consent is not obtained as described in paragraph (b) of this Section being referred to as a “Non-Consenting Lender”), then, so long as the Lender that is acting as the Administrative Agent is not a Non-Consenting Lender, the Borrower may, at its sole expense and effort, upon notice to such Non-Consenting Lender and the Administrative Agent, require such Non-Consenting Lender to assign and delegate, without recourse (in accordance with and subject to the restrictions contained in Section 9.04), all its interests, rights and obligations under this Agreement to an Eligible Assignee that shall assume such obligations (which Eligible Assignee may be another Lender, if a Lender accepts such assignment), provided that (a) the Borrower shall have received the prior written consent of the Administrative Agent to the extent such consent would be required under Section 9.04(b) for an assignment of Loans or Commitments, as applicable (and, if a Revolving Commitment is being assigned, each Issuing Bank), which consent shall not unreasonably be withheld, (b) such Non-Consenting Lender shall have received payment of an amount equal to the outstanding principal of its Loans and participations in LC Disbursements, accrued interest thereon, accrued fees and all other amounts (including any amounts under Section 2.11(a)(i)), payable to it hereunder from or on behalf of the Eligible Assignee (to the extent of such outstanding principal and accrued interest and fees) or the Borrower (in the case of all other amounts) and (c) unless waived, the Borrower or such Eligible Assignee shall have paid to the Administrative Agent the processing and recordation fee specified in Section 9.04(b). Each party hereto agrees that an assignment required pursuant to this paragraph may be effected pursuant to an Assignment and Assumption executed by the Borrower, the Administrative Agent and the assignee and that the Lender required to make such assignment need not be a party thereto.

(d) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, Revolving Commitments, Revolving Exposure and Term Loans of any Lender that is at the time a Defaulting Lender shall not have any voting or approval rights under the Loan Documents and shall be excluded in determining whether all Lenders (or all Lenders of a Class), all affected Lenders (or all affected Lenders of a Class) or the Required Lenders have taken or may take any action hereunder (including any consent to any amendment or waiver pursuant to this Section 9.02); provided that (i) the Commitment of any Defaulting Lender may not be increased or extended without the consent of such Defaulting Lender and (ii) any waiver, amendment or modification requiring the consent of all Lenders or each affected Lender that affects any Defaulting Lender more adversely than other affected Lenders shall require the consent of such Defaulting Lender.

(e) Notwithstanding anything in this Agreement or the other Loan Documents to the contrary, each Affiliated Lender (other than an Affiliated Debt Fund) hereby agrees that, if a proceeding under the U.S. Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency, receivership or similar law shall be commenced by or against the Borrower or any other Loan Party at a time when such Lender is an Affiliated Lender, such Affiliated Lender irrevocably authorizes and empowers the Administrative Agent to vote on behalf of such Affiliated Lender with respect to the Loans held by such Affiliated Lender in any manner in the Administrative Agent's sole discretion, unless the Administrative Agent instructs such Affiliated Lender to vote, in which case such Affiliated Lender shall vote with respect to the Loans held by it as the Administrative Agent directs; provided that such Affiliated Lender shall be entitled to vote in accordance with its sole discretion (and not in accordance with the direction of the Administrative Agent) in connection with any plan of reorganization to the extent any such plan of reorganization proposes to treat any Secured Obligations held by such Affiliated Lender in a manner that is less favorable in any material respect to such Affiliated Lender than the proposed treatment of similar Secured Obligations held by Lenders that are not Affiliates of the Borrower.

(f) Without any further consent of the Lenders, the Administrative Agent and the Collateral Agent shall be authorized to negotiate, execute and deliver on behalf of the Secured Parties any Intercreditor Agreement in a form substantially consistent with Exhibit E or Exhibit F hereto.

(g) Notwithstanding the foregoing, only the Required Revolving Lenders shall have the ability to waive, amend, supplement or modify the covenant set forth in Section 6.10, Article VII (solely as it relates to Section 6.10) or any component definition of the covenant set forth in Section 6.10 (solely as it relates to Section 6.10).

SECTION 9.03 Expenses; Indemnity; Damage Waiver.

(a) Holdings or the Borrower shall pay, if the Effective Date occurs, (i) all reasonable and documented or invoiced out of pocket expenses incurred by the Administrative Agent, the Collateral Agent, the Lead Arrangers, the Joint Bookrunners and their Affiliates (without duplication), including the reasonable fees, charges and disbursements of counsel for the Administrative Agent and to the extent reasonably determined by the Administrative Agent to be necessary one local counsel in each applicable jurisdiction or otherwise retained with the Borrower's consent, in each case for the Administrative Agent, the Collateral Agent, the Lead Arrangers and the Joint Bookrunners, and to the extent retained with the Borrower's consent, consultants, in connection with the syndication of the credit facilities provided for herein, the preparation and administration of the Loan Documents or any amendments, modifications or waivers of the provisions thereof and (ii) all reasonable and documented or invoiced out-of-pocket expenses incurred by the Administrative Agent and the Collateral Agent, each Issuing Bank, the Lead Arrangers, the Joint Bookrunners or any Lender, including the fees, charges and disbursements of counsel for the Administrative Agent and the Collateral Agent, the Issuing Banks, the Lead Arrangers, the Joint Bookrunners and the Lenders, in connection with the enforcement or protection of their respective rights in connection with the Loan Documents, including their respective rights under this Section, or in connection with the Loans made or Letters of Credit issued hereunder, including all such out-of-pocket expenses incurred during any workout, restructuring or negotiations in respect of such Loans or Letters of Credit; provided that such counsel shall be limited to one lead counsel and one local counsel in each applicable jurisdiction and, in the case of a conflict of interest, one additional counsel per affected party.

(b) Holdings and the Borrower shall indemnify each Agent, each Issuing Bank, each Lender, the Lead Arrangers and the Joint Bookrunners and each Related Party of any of the foregoing Persons (each such Person being called an "Indemnitee") against, and hold each Indemnitee harmless from, any and all losses, claims, damages,

liabilities and reasonable and documented or invoiced out-of-pocket fees and expenses of one counsel and one local counsel in each applicable jurisdiction (and, in the case of a conflict of interest, where the Indemnitee affected by such conflict notifies the Borrower of the existence of such conflict and thereafter retains its own counsel, one additional counsel) for all Indemnitees (which may include a single special counsel acting in multiple jurisdictions), incurred by or asserted against any Indemnitee by any third party or by Holdings, the Borrower or any Subsidiary arising out of, in connection with, or as a result of (i) the execution or delivery of any Loan Document or any other agreement or instrument contemplated thereby, the performance by the parties to the Loan Documents of their respective obligations thereunder or the consummation of the Transactions or any other transactions contemplated thereby, (ii) any Loan or Letter of Credit or the use of the proceeds therefrom (including any refusal by the Issuing Bank to honor a demand for payment under a Letter of Credit if the documents presented in connection with such demand do not strictly comply with the terms of such Letter of Credit), (iii) to the extent in any way arising from or relating to any of the foregoing, any actual or alleged presence or Release of Hazardous Materials on, at or from any Mortgaged Property or any other property currently or formerly owned or operated by Holdings, the Borrower or any Restricted Subsidiary, or any other Environmental Liability, related to Holdings, the Borrower or any Subsidiary, or (iv) any actual or prospective claim, litigation, investigation or proceeding relating to any of the foregoing, whether based on contract, tort or any other theory, whether brought by a third party or by Holdings, the Borrower or any Subsidiary and regardless of whether any Indemnitee is a party thereto, provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such losses, claims, damages, liabilities or related expenses (i) are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence, bad faith or willful misconduct of, or a material breach of the Loan Documents by, such Indemnitee or its Related Parties or (ii) any dispute between or among Indemnitees that does not involve an act or omission by Holdings, the Borrower or any of the Restricted Subsidiaries except that each Agent, the Lead Arrangers and the Joint Bookrunners shall be indemnified in their capacities as such to the extent that none of the exceptions set forth in clause (i) applies to such Person at such time. This Section 9.03(b) should not apply with respect to Taxes other than Taxes that represent losses, claims, damages, etc. arising from any non-Tax claim.

(c) To the extent that Holdings or the Borrower fails to pay any amount required to be paid by it to the Administrative Agent, the Collateral Agent or any Issuing Bank under paragraph (a) or (b) of this Section, and without limiting Holdings' and the Borrower's obligation to do so, each Lender severally agrees to pay to the Administrative Agent, Collateral Agent or Issuing Bank, as the case may be, such Lender's pro rata share (determined as of the time that the applicable unreimbursed expense or indemnity payment is sought) of such unpaid amount, provided that the unreimbursed expense or indemnified loss, claim, damage, liability or related expense, as the case may be, was incurred by or asserted against the Administrative Agent, Collateral Agent or Issuing Bank, in its capacity as such. For purposes hereof, a Lender's "pro rata share" shall be determined based upon its share of the aggregate Revolving Exposure, outstanding Loans and unused Commitments at the time. The obligations of the Lenders under this paragraph (c) are subject to the last sentence of Section 2.02 (which shall apply mutatis mutandis to the Lenders' obligations under this paragraph (c)).

(d) To the fullest extent permitted by applicable law, none of Holdings or the Borrower shall assert, and each hereby waives, any claim against any Indemnitee (i) for any damages arising from the use by others of information or other materials obtained through telecommunications, electronic or other information transmission systems (including the Internet), provided that such indemnity shall not, as to any Indemnitee, be available to the extent that such damages are determined by a court of competent jurisdiction by final, non-appealable judgment to have resulted from the gross negligence or willful misconduct of, or a material breach of the Loan Documents by, such Indemnitee or its Related Parties, or (ii) on any theory of liability, for special, indirect, consequential or punitive damages (as opposed to direct or actual damages) arising out of, in connection with, or as a result of, any Loan Document or any agreement or instrument contemplated thereby, the Transactions, any Loan or Letter of Credit or the use of the proceeds thereof.

(e) All amounts due under this Section shall be payable not later than 10 Business Days after written demand therefor; provided, however, that any Indemnitee shall promptly refund an indemnification payment received hereunder to the extent that there is a final judicial determination that such Indemnitee was not entitled to indemnification with respect to such payment pursuant to this Section 9.03.

(a) The provisions of this Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issues any Letter of Credit), except that (i) the Borrower may not assign or otherwise transfer any of its rights or obligations hereunder without the prior written consent of each Lender (and any attempted assignment or transfer by the Borrower without such consent shall be null and void), (ii) no assignment shall be made to any Defaulting Lender or any of its Subsidiaries, or any Persons who, upon becoming a Lender hereunder, would constitute any of the foregoing Persons described in this clause (ii) and (iii) no Lender may assign or otherwise transfer its rights or obligations hereunder except in accordance with this Section. Nothing in this Agreement, expressed or implied, shall be construed to confer upon any Person (other than the parties hereto, their respective successors and assigns permitted hereby (including any Affiliate of the Issuing Bank that issued any Letter of Credit), Participants (to the extent provided in paragraph (c) of this Section) and, to the extent expressly contemplated hereby, the Related Parties of each of the Agents, the Issuing Bank and the Lenders) any legal or equitable right, remedy or claim under or by reason of this Agreement.

(b) (i) Subject to the conditions set forth in paragraphs (b)(ii) and (g) below, any Lender may assign to one or more Eligible Assignees (provided that, for the purposes of this provision, Disqualified Lenders shall be deemed to be Eligible Assignees unless a list of Disqualified Lenders has been made available to all Lenders by the Borrower) all or a portion of its rights and obligations under this Agreement (including all or a portion of its Commitment and the Loans at the time owing to it) with the prior written consent of (A) the Borrower (such consent (except with respect to assignments to competitors of Holdings or any Subsidiary) not to be unreasonably withheld or delayed), provided that no consent of the Borrower shall be required for an assignment (1) by a Term Lender to any Lender or an Affiliate of any Lender, (2) by a Term Lender to an Approved Fund, (3) by a Revolving Lender to a Revolving Lender, (4) if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing, by a Term Lender or a Revolving Lender to any other assignee or (5) by a Revolving Lender to any Designated Assignee; and provided, further, that the Borrower shall have the right to withhold its consent to any assignment if, in order for such assignment to comply with applicable law, any Loan Party would be required to obtain the consent of, or make any filing or registration with, any Governmental Authority, (B) the Administrative Agent (such consent not to be unreasonably withheld or delayed), provided that no consent of the Administrative Agent shall be required for (1) an assignment of a Term Loan to a Lender, an Affiliate of a Lender or an Approved Fund or to Holdings or any Affiliate thereof or (2) an assignment by a Revolving Lender to a Revolving Lender or an Affiliate of a Revolving Lender and (C) solely in the case of Revolving Loans and Revolving Commitments, each Issuing Bank (such consent not to be unreasonably withheld or delayed), provided that no consent of any Issuing Bank shall be required for an assignment of all or any portion of a Term Loan or Term Commitment. Notwithstanding anything in this Section 9.04 to the contrary, if any Person the consent of which is required by this paragraph with respect to any assignment of Term Loans has not given the Administrative Agent written notice of its objection to such assignment within 5 Business Days after written notice to such Person, such Person shall be deemed to have consented to such assignment. In connection with obtaining the Borrower's consent to assignments in accordance with this Section, the Borrower shall be permitted to designate in writing to the Administrative Agent up to two additional individuals (which, for the avoidance of doubt, may include officers or employees of the Sponsor) who shall be copied on any such consent requests (or receive separate notice of such proposed assignments) from the Administrative Agent.

(ii) Assignments shall be subject to the following additional conditions: (A) except in the case of an assignment to a Lender, an Affiliate of a Lender or an Approved Fund or an assignment of the entire remaining amount of the assigning Lender's Commitment or Loans of any Class, the amount of the Commitment or Loans of the assigning Lender subject to each such assignment (determined as of the trade date specified in the Assignment and Assumption with respect to such assignment or, if no trade date is so specified, as of the date the Assignment and Assumption with respect to such assignment is delivered to the Administrative Agent) shall not be less than, in the case of a Revolving Loan or Revolving Commitment, \$5,000,000 (and integral multiples of \$1,000,000 in excess thereof) or, in the case of a Term Loan, \$1,000,000 (and integral multiples of \$1,000,000 in excess thereof), unless the Borrower and the Administrative Agent otherwise consent (such consent not to be unreasonably withheld or delayed), provided that no such consent of the Borrower shall be required if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing, (B) each partial assignment shall be made as an assignment of a proportionate part of all the assigning Lender's rights and obligations under this Agreement, provided that this subclause (B) shall not be construed to prohibit assignment of a proportionate part of all the assigning Lender's rights and obligations in respect of one Class of Commitments or Loans, (C) the parties to each assignment shall execute

and deliver to the Administrative Agent an Assignment and Assumption (which shall include a representation by the assignee that it meets all the requirements to be an Eligible Assignee), together (unless waived by the Administrative Agent) with a processing and recordation fee of \$3,500, provided that assignments made pursuant to Section 2.19(b) or Section 9.02(c) shall not require the signature of the assigning Lender to become effective; provided, further, that such recordation fee shall not be payable in the case of assignments by any Affiliate of the Joint Bookrunners and (D) the assignee, if it shall not be a Lender, shall deliver to the Administrative Agent any tax documentation required by Section 2.17(e) and an Administrative Questionnaire in which the assignee designates one or more credit contacts to whom all syndicate-level information (which may contain material non-public information about the Borrower, the Loan Parties and their Related Parties or their respective securities) will be made available and who may receive such information in accordance with the assignee's compliance procedures and applicable laws, including Federal and state securities laws and (E) unless the Borrower otherwise consents, no assignment of all or any portion of the Revolving Commitment of a Lender that is also an Issuing Bank may be made unless (1) the assignee shall be or become an Issuing Bank and assume a ratable portion of the rights and obligations of such assignor in its capacity as Issuing Bank, or (2) the assignor agrees, in its discretion, to retain all of its rights with respect to and obligations to make or issue Letters of Credit hereunder in which case the Applicable Fronting Exposure of such assignor may exceed such assignor's Revolving Commitment for purposes of Section 2.05(b) by an amount not to exceed the difference between the assignor's Revolving Commitment prior to such assignment and the assignor's Revolving Commitment following such assignment; provided that no such consent of the Borrower shall be required if an Event of Default under Section 7.01(a), (b), (h) or (i) has occurred and is continuing.

(iii) Subject to acceptance and recording thereof pursuant to paragraph (b)(v) of this Section, from and after the effective date specified in each Assignment and Assumption, the assignee thereunder shall be a party hereto and, to the extent of the interest assigned by such Assignment and Assumption, have the rights and obligations of a Lender under this Agreement, and the assigning Lender thereunder shall, to the extent of the interest assigned by such Assignment and Assumption, be released from its obligations under this Agreement (and, in the case of an Assignment and Assumption covering all of the assigning Lender's rights and obligations under this Agreement, such Lender shall cease to be a party hereto but shall continue to be entitled to the benefits of (and subject to the obligations and limitations of) Sections 2.15, 2.16, 2.17 and 9.03 and to any fees payable hereunder that have accrued for such Lender's account but have not yet been paid). Any assignment or transfer by a Lender of rights or obligations under this Agreement that does not comply with this Section shall be treated for purposes of this Agreement as a sale by such Lender of a participation in such rights and obligations in accordance with paragraph (c)(i) of this Section.

(iv) The Administrative Agent, acting for this purpose as a non-fiduciary agent of Holdings and the Borrower, shall maintain at one of its offices a copy of each Assignment and Assumption delivered to it, each Affiliated Lender Assignment and Assumption delivered to it and a register for the recordation of the names and addresses of the Lenders, and the Commitment of, and principal and interest amounts of the Loans and LC Disbursements owing to, each Lender pursuant to the terms hereof from time to time (the "Register"). The entries in the Register shall be conclusive absent manifest error, and Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the Lenders shall treat each Person whose name is recorded in the Register pursuant to the terms hereof as a Lender hereunder for all purposes of this Agreement, notwithstanding notice to the contrary. In addition, the Administrative Agent shall maintain on the Register information regarding the designation, and revocation of designation, of any Lender as a Defaulting Lender. The Register shall be available for inspection by the Borrower and, solely with respect to its Loans or Commitments, any Lender at any reasonable time and from time to time upon reasonable prior notice. Notwithstanding the foregoing, in no event shall the Administrative Agent be obligated to ascertain, monitor or inquire as to whether any Lender or participant or prospective Lender or participant is an Affiliated Lender, nor shall the Administrative Agent be obligated to monitor the aggregate amount of the Loans or Incremental Term Loans held by Affiliated Lenders.

(v) Upon its receipt of a duly completed Assignment and Assumption executed by an assigning Lender and an assignee, the assignee's completed Administrative Questionnaire and any tax documentation required by Section 2.17(e) (unless the assignee shall already be a Lender hereunder), the processing and recordation fee referred to in paragraph (b) of this Section and any written consent to such assignment required by paragraph (b) of this Section, the Administrative Agent shall accept such Assignment and Assumption and record the information contained therein in the Register. No assignment shall be effective for purposes of this Agreement unless it has been recorded in the Register as provided in this paragraph (b).

(vi) The words “execution,” “signed,” “signature” and words of like import in any Assignment and Assumption shall be deemed to include electronic signatures or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act or any other similar state laws based on the Uniform Electronic Transactions Act.

(c) (i) Any Lender may, without the prior written consent of the Borrower (except with respect to participations to competitors of Holdings or any Subsidiary, in which case the Borrower’s consent shall not be unreasonably withheld or delayed), the Administrative Agent or any Issuing Bank, sell participations to one or more banks or other Persons (other than to a Person that is not an Eligible Assignee (provided that, for the purposes of this provision, Disqualified Lenders shall be deemed to be Eligible Assignees unless a list of Disqualified Lenders has been made available to all Lenders by the Borrower)) (a “Participant”), provided that (A) such Lender’s obligations under this Agreement shall remain unchanged, (B) such Lender shall remain solely responsible to the other parties hereto for the performance of such obligations and (C) Holdings, the Borrower, the Administrative Agent, the Issuing Banks and the other Lenders shall continue to deal solely and directly with such Lender in connection with such Lender’s rights and obligations under this Agreement. Any agreement or instrument pursuant to which a Lender sells such a participation shall provide that such Lender shall retain the sole right to enforce the Loan Documents and to approve any amendment, modification or waiver of any provision of the Loan Documents, provided that such agreement or instrument may provide that such Lender will not, without the consent of the Participant, agree to any amendment, modification or waiver described in the first proviso to Section 9.02(b) that directly and adversely affects such Participant. Subject to paragraph (c)(ii) of this Section, the Borrower agrees that each Participant shall be entitled to the benefits of Sections 2.15, 2.16 and 2.17 to the same extent as if it were a Lender (subject to the requirements and limitations thereof, it being understood that any tax documentation required by Section 2.17(e) shall be provided solely to the Lender that sold the participation) and had acquired its interest by assignment pursuant to paragraph (b) of this Section; provided that such Participant agrees to be subject to Section 2.19 as though it were an assignee under paragraph (b) of this Section. To the extent permitted by law, each Participant also shall be entitled to the benefits of Section 9.08 as though it were a Lender, provided that such Participant agrees to be subject to Section 2.18(b) as though it were a Lender.

(ii) A Participant shall not be entitled to receive any greater payment under Section 2.15 or Section 2.17 than the applicable Lender would have been entitled to receive with respect to the participation sold to such Participant, unless the sale of the participation to such Participant is made with the Borrower’s prior consent (not to be unreasonably withheld or delayed).

(iii) Each Lender that sells a participation shall, acting solely for this purpose as a non-fiduciary agent of the Borrower, maintain a register on which it enters the name and address of each Participant and the principal amounts (and stated interest) of each Participant’s interest in the Loans or other obligations under the Loan Documents (the “Participant Register”), provided that no Lender shall have any obligation to disclose all or any portion of the Participant Register to any Person (including the identity of any Participant or any information relating to a Participant’s interest in any Commitments, Loans or its other obligations under any Loan Document) except to the extent that such disclosure is necessary in connection with a Tax audit or other proceeding to establish that such Commitment, Loan, or other obligation is in registered form under Section 5f.103-1(c) of the United States Treasury Regulations. The entries in the Participant Register shall be conclusive (absent manifest error), and each Person whose name is recorded in the Participant Register pursuant to the terms hereof shall be treated as a Participant for all purposes of this Agreement, notwithstanding notice to the contrary. For the avoidance of doubt, the Administrative Agent (in its capacity as Administrative Agent) shall have no responsibility for maintaining a Participant Register.

(d) Any Lender may, without the consent of the Borrower, Holdings or the Administrative Agent, at any time pledge or assign a security interest in all or any portion of its rights under this Agreement to secure obligations of such Lender, including any pledge or assignment to secure obligations to a Federal Reserve Bank or other central bank, and this Section shall not apply to any such pledge or assignment of a security interest, provided that no such pledge or assignment of a security interest shall release a Lender from any of its obligations hereunder or substitute any such pledgee or assignee for such Lender as a party hereto.

(e) Notwithstanding anything to the contrary contained herein, any Lender (a “Granting Lender”) may grant to a special purpose funding vehicle (an “SPV”), identified as such in writing from time to time by the Granting Lender to the Administrative Agent and the Borrower, the option to provide to the Borrower all or any part of any Loan that such Granting Lender would otherwise be obligated to make to the Borrower pursuant to this Agreement, provided that (i) nothing herein shall constitute a commitment by any SPV to make any Loan and (ii) if an SPV elects not to exercise such option or otherwise fails to provide all or any part of such Loan, the Granting Lender shall be obligated to make such Loan pursuant to the terms hereof. The making of a Loan by an SPV hereunder shall utilize the Commitment of the Granting Lender to the same extent, and as if, such Loan were made by such Granting Lender. Each party hereto hereby agrees that no SPV shall be liable for any indemnity or similar payment obligation under this Agreement (all liability for which shall remain with the Granting Lender). In furtherance of the foregoing, each party hereto hereby agrees (which agreement shall survive the termination of this Agreement) that, prior to the date that is one year and one day after the payment in full of all outstanding commercial paper or other senior indebtedness of any SPV, such party will not institute against, or join any other person in instituting against, such SPV any bankruptcy, reorganization, arrangement, insolvency or liquidation proceedings under the laws of the United States or any State thereof. In addition, notwithstanding anything to the contrary contained in this Section 9.04, any SPV may (i) with notice to, but without the prior written consent of, the Borrower and the Administrative Agent and without paying any processing fee therefor, assign all or a portion of its interests in any Loans to the Granting Lender or to any financial institutions (consented to by the Borrower and Administrative Agent) providing liquidity or credit support to or for the account of such SPV to support the funding or maintenance of Loans and (ii) disclose on a confidential basis any non-public information relating to its Loans to any rating agency, commercial paper dealer or provider of any surety, guarantee or credit or liquidity enhancement to such SPV.

(f) Any Lender may, at any time, assign all or a portion of its rights and obligations under this Agreement to the Affiliated Lenders (and such Affiliated Lenders may contribute the same to Holdings or the Borrower), subject to the following limitations:

(1) Affiliated Lenders will not receive information provided solely to Lenders by the Administrative Agent or any Lender and will not be permitted to attend or participate in meetings attended solely by the Lenders and the Administrative Agent, other than the right to receive notices of Borrowings, notices of prepayments and other administrative notices in respect of its Loans or Commitments required to be delivered to Lenders pursuant to Article II; provided, however, that the foregoing provisions of this clause will not apply to the Affiliated Debt Funds;

(2) for purposes of any amendment, waiver or modification of any Loan Document (including such modifications pursuant to Section 9.02), or, subject to Section 9.02(d), any plan of reorganization or similar dispositive restructuring plan pursuant to the U.S. Bankruptcy Code, that in either case does not require the consent of each Lender or each affected Lender or does not adversely affect such Affiliated Lender in any material respect as compared to other Lenders, Affiliated Lenders will be deemed to have voted in the same proportion as the Lenders that are not Affiliated Lenders voting on such matter; and each Affiliated Lender hereby acknowledges, agrees and consents that if, for any reason, its vote to accept or reject any plan pursuant to the U.S. Bankruptcy Code is not deemed to have been so voted, then such vote will be (x) deemed not to be in good faith and (y) “designated” pursuant to Section 1126(e) of the U.S. Bankruptcy Code such that the vote is not counted in determining whether the applicable class has accepted or rejected such plan in accordance with Section 1126(c) of the U.S. Bankruptcy Code; provided that Affiliated Debt Funds will not be subject to such voting limitations and will be entitled to vote as any other Lender;

(3) the aggregate principal amount of Loans purchased by assignment pursuant to this Section 9.04 and held at any one time by Affiliated Lenders (other than Affiliated Debt Funds) may not exceed 30.0% of the outstanding principal amount of all Loans plus the outstanding principal amount of all term loans made pursuant to any Incremental Term Loan calculated at the time such Loans are purchased (such percentage, the “Affiliated Lender Cap”); provided that to the extent any assignment to an Affiliated Lender would result in the aggregate principal amount of all Loans held by Affiliated Lenders exceeding the Affiliated Lender Cap, the assignment of such excess amount will be void *ab initio*;

(4) Affiliated Lenders may not purchase Revolving Loans; and

(5) the assigning Lender and the Affiliated Lender purchasing such Lender's Loans shall execute and deliver to the Administrative Agent an assignment agreement substantially in the form of Exhibit B hereto (an "Affiliated Lender Assignment and Assumption"); provided that each Affiliated Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within 10 Business Days) if it acquires any Person who is also a Lender, and each Lender agrees to notify the Administrative Agent and the Borrower promptly (and in any event within 10 Business Days) if it becomes an Affiliated Lender.

Notwithstanding anything in Section 9.02 or the definition of "Required Lenders" to the contrary, for purposes of determining whether the Required Lenders have (i) consented (or not consented) to any amendment, modification, waiver, consent or other action with respect to any of the terms of any Loan Document or any departure by any Loan Party therefrom, (ii) otherwise acted on any matter related to any Loan Document, or (iii) directed or required the Administrative Agent, Collateral Agent or any Lender to undertake any action (or refrain from taking any action) with respect to or under any Loan Document, the aggregate amount of Loans held by any Affiliated Debt Funds shall be deemed to be not outstanding to the extent in excess of 49.9% of the amount required for all purposes of calculating whether the Required Lenders have taken any actions.

Each Affiliated Lender by its acquisition of any Loans outstanding hereunder will be deemed to have waived any right it may otherwise have had to bring any action in connection with such Loans against the Administrative Agent, in its capacity as such, and will be deemed to have acknowledged and agreed that the Administrative Agent shall have no liability for any losses suffered by any Person as a result of any purported assignment to or from an Affiliated Lender.

(g) Assignments of Term Loans to any Purchasing Borrower Party shall be permitted through open market purchases and/or "Dutch auctions", so long as any offer to purchase or take by assignment (other than through open market purchases) by such Purchasing Borrower Party shall have been made to all Term Lenders, so long as (i) no Event of Default has occurred and is continuing, (ii) the Term Loans purchased are immediately cancelled and (iii) no proceeds from any loan under the Revolving Credit Facility shall be used to fund such assignments. Purchasing Borrower Parties may not purchase Revolving Loans.

(h) Upon any contribution of Loans to the Borrower or any Restricted Subsidiary and upon any purchase of Loans by a Purchasing Borrower Party, (A) the aggregate principal amount (calculated on the face amount thereof) of such Loans shall automatically be cancelled and retired by the Borrower on the date of such contribution or purchase (and, if requested by the Administrative Agent, with respect to a contribution of Loans, any applicable contributing Lender shall execute and deliver to the Administrative Agent an Assignment and Assumption, or such other form as may be reasonably requested by the Administrative Agent, in respect thereof pursuant to which the respective Lender assigns its interest in such Loans to the Borrower for immediate cancellation) and (B) the Administrative Agent shall record such cancellation or retirement in the Register.

SECTION 9.05 Survival. All covenants, agreements, representations and warranties made by the Loan Parties in the Loan Documents and in the certificates or other instruments delivered in connection with or pursuant to any Loan Document shall be considered to have been relied upon by the other parties hereto and shall survive the execution and delivery of the Loan Documents and the making of any Loans and issuance, amendment, renewal, increase, or extension of any Letter of Credit, regardless of any investigation made by any such other party or on its behalf and notwithstanding that the Administrative Agent, Issuing Bank, or Lender may have had notice or knowledge of any Default or incorrect representation or warranty at the time any credit is extended hereunder, and shall continue in full force and effect as long as the principal of or any accrued interest on any Loan or any fee or any other amount payable under this Agreement is outstanding and unpaid or any Letter of Credit is outstanding (without any drawing having been made thereunder that has not been rejected or honored) and all amounts drawn or paid thereunder having been reimbursed in full, and so long as the Commitments have not expired or terminated. The provisions of Sections 2.15, ~~2.16~~, 2.16, 2.17 and 9.03 and Article VIII shall survive and remain in full force and effect regardless of the occurrence of the Termination Date. Notwithstanding the foregoing or anything else to the contrary set forth in this Agreement, in the event that, in connection with the refinancing or repayment in full of the credit facilities provided for herein, an Issuing Bank shall have provided to the Administrative Agent a written consent to the release of the Revolving Lenders from their obligations hereunder with respect to any Letter of Credit issued by such Issuing Bank (whether as a result of the obligations of the Borrower (and any other account party) in respect of such Letter of Credit having been collateralized in full by a deposit of cash with such Issuing Bank or being supported

by a letter of credit that names such Issuing Bank as the beneficiary thereunder, or otherwise), then from and after such time such Letter of Credit shall cease to be a "Letter of Credit" outstanding hereunder for all purposes of this Agreement and the other Loan Documents, and the Revolving Lenders shall be deemed to have no participations in such Letter of Credit, and no obligations with respect thereto, under Section 2.05(e) or Section 2.05(f).

SECTION 9.06 Counterparts; Integration; Effectiveness. This Agreement may be executed in counterparts (and by different parties hereto on different counterparts), each of which shall constitute an original, but all of which when taken together shall constitute a single contract. This Agreement, the other Loan Documents and any separate letter agreements with respect to fees payable to the Administrative Agent and the Collateral Agent or the syndication of the Loans and Commitments constitute the entire contract among the parties relating to the subject matter hereof and supersede any and all previous agreements and understandings, oral or written, relating to the subject matter hereof. Except as provided in Section 4.01, this Agreement shall become effective when it shall have been executed by the Administrative Agent and when the Administrative Agent shall have received counterparts hereof that, when taken together, bear the signatures of each of the other parties hereto, and thereafter shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns. Delivery of an executed counterpart of a signature page of this Agreement by facsimile or other electronic means shall be effective as delivery of a manually executed counterpart of this Agreement.

SECTION 9.07 Severability. Any provision of this Agreement held to be invalid, illegal or unenforceable in any jurisdiction shall, as to such jurisdiction, be ineffective to the extent of such invalidity, illegality or unenforceability without affecting the validity, legality and enforceability of the remaining provisions hereof; and the invalidity of a particular provision in a particular jurisdiction shall not invalidate such provision in any other jurisdiction.

SECTION 9.08 Right of Setoff. If an Event of Default under Section 7.01(a), (b), (h) or (i) shall have occurred and be continuing, each Lender and each Issuing Bank is hereby authorized at any time and from time to time, to the fullest extent permitted by law, to set off and apply any and all deposits (general or special, time or demand, provisional or final, in whatever currency) at any time held and other obligations (in whatever currency) at any time owing by such Lender or such Issuing Bank to or for the credit or the account of the Borrower against any of and all the obligations of the Borrower then due and owing under this Agreement held by such Lender or Issuing Bank, irrespective of whether or not such Lender or Issuing Bank shall have made any demand under this Agreement and although such obligations are owed to a branch or office of such Lender or Issuing Bank different from the branch or office holding such deposit or obligated on such Indebtedness; provided that in the event that any Defaulting Lender shall exercise any such right of setoff, (a) all amounts so set off shall be paid over immediately to the Administrative Agent for further application in accordance with the provisions of Section 2.22 and, pending such payment, shall be segregated by such Defaulting Lender from its other funds and deemed held in trust for the benefit of the Administrative Agent and the Lenders and (b) the Defaulting Lender shall provide promptly to the Administrative Agent a statement describing in reasonable detail the Secured Obligations owing to such Defaulting Lender as to which it exercised such right of setoff. The applicable Lender and applicable Issuing Bank shall notify the Borrower and the Administrative Agent of such setoff and application, provided that any failure to give or any delay in giving such notice shall not affect the validity of any such setoff and application under this Section. The rights of each Lender and each Issuing Bank under this Section are in addition to other rights and remedies (including other rights of setoff) that such Lender or such Issuing Bank may have. Notwithstanding the foregoing, no amount set off from any Guarantor shall be applied to any Excluded Swap Obligation of such Guarantor.

SECTION 9.09 Governing Law; Jurisdiction; Consent to Service of Process.

(a) This Agreement shall be construed in accordance with and governed by the law of the State of New York; provided that, notwithstanding the foregoing, it is understood and agreed that (i) the interpretation of the definition of Material Adverse Effect (and whether or not a Material Adverse Effect has occurred), (ii) the determination of the accuracy of any Specified Acquisition Agreement Representations and whether as a result of any inaccuracy thereof, Holdings (or its Affiliate) has the right (taking into account any applicable cure provisions) to terminate the obligations of Holdings under the Acquisition Agreement or decline to consummate the Acquisition and (iii) the determination of whether the Acquisition has been consummated in accordance with the terms of the Acquisition Agreement, in each case shall be governed by, and construed in accordance with, the laws of the State of Delaware, regardless of the laws that might otherwise govern under applicable principles of conflicts of laws thereof.

(b) Each of parties hereto hereby irrevocably and unconditionally submits, for itself and its property, to the exclusive jurisdiction of the Supreme Court of the State of New York sitting in New York County and of the United States District Court of the Southern District of New York sitting in New York County, and any appellate court from any thereof, in any action or proceeding arising out of or relating to any Loan Document, or for recognition or enforcement of any judgment, and each of the parties hereto hereby irrevocably and unconditionally agrees that all claims in respect of any such action or proceeding may be heard and determined in such New York State or, to the extent permitted by law, in such Federal court. Each of the parties hereto agrees that a final judgment in any such action or proceeding shall be conclusive and may be enforced in other jurisdictions by suit on the judgment or in any other manner provided by law. Nothing in any Loan Document shall affect any right that any Agent, any Issuing Bank or any Lender may otherwise have to bring any action or proceeding relating to any Loan Document against Holdings, the Borrower or their respective properties in the courts of any jurisdiction.

(c) Each of parties hereto hereby irrevocably and unconditionally waives, to the fullest extent it may legally and effectively do so, any objection that it may now or hereafter have to the laying of venue of any suit, action or proceeding arising out of or relating to any Loan Document in any court referred to in paragraph (b) of this Section. Each of the parties hereto hereby irrevocably waives, to the fullest extent permitted by law, the defense of an inconvenient forum to the maintenance of such action or proceeding in any such court.

(d) Each party to this Agreement irrevocably consents to service of process in the manner provided for notices in Section 9.01. Nothing in any Loan Document will affect the right of any party to this Agreement to serve process in any other manner permitted by law.

SECTION 9.10 WAIVER OF JURY TRIAL. EACH PARTY HERETO HEREBY WAIVES, TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW, ANY RIGHT IT MAY HAVE TO A TRIAL BY JURY IN ANY LEGAL PROCEEDING DIRECTLY OR INDIRECTLY ARISING OUT OF OR RELATING TO ANY LOAN DOCUMENT OR THE TRANSACTIONS CONTEMPLATED THEREBY (WHETHER BASED ON CONTRACT, TORT OR ANY OTHER THEORY). EACH PARTY HERETO (A) CERTIFIES THAT NO REPRESENTATIVE, AGENT OR ATTORNEY OF ANY OTHER PARTY HAS REPRESENTED, EXPRESSLY OR OTHERWISE, THAT SUCH OTHER PARTY WOULD NOT, IN THE EVENT OF LITIGATION, SEEK TO ENFORCE THE FOREGOING WAIVER AND (B) ACKNOWLEDGES THAT IT AND THE OTHER PARTIES HERETO HAVE BEEN INDUCED TO ENTER INTO THIS AGREEMENT BY, AMONG OTHER THINGS, THE MUTUAL WAIVERS AND CERTIFICATIONS IN THIS SECTION.

SECTION 9.11 Headings. Article and Section headings and the Table of Contents used herein are for convenience of reference only, are not part of this Agreement and shall not affect the construction of, or be taken into consideration in interpreting, this Agreement.

SECTION 9.12 Confidentiality.

(a) Each of the Administrative Agent, the Collateral Agent, the Issuing Banks and the Lenders agrees to maintain the confidentiality of the Information (as defined below), except that Information may be disclosed (a) to their and their Affiliates' directors, officers, employees, members, partners, trustees and agents, including accountants, legal counsel and other agents and advisors (it being understood that the Persons to whom such disclosure is made will be informed of the confidential nature of such Information and instructed to keep such Information confidential and any failure of such Persons to comply with this Section 9.12 shall constitute a breach of this Section 9.12 by the Administrative Agent, the Collateral Agent, the relevant Issuing Bank, or the relevant Lender, as applicable), (b) (x) to the extent requested by any regulatory authority, required by applicable law or by any subpoena or similar legal process or (y) necessary in connection with the exercise of remedies; provided that, (i) in each case, unless specifically prohibited by applicable law or court order, each Lender and the Administrative Agent shall notify the Borrower of any request by any governmental agency or representative thereof (other than any such request in connection with an examination of the financial condition of such Lender by such governmental agency or other routine examinations of such Lender by such governmental agency) for disclosure of any such non-public information prior to disclosure of such information and (ii) in the case of clause (y) only, each Lender and the Administrative Agent shall use its reasonable best efforts to ensure that such Information is kept confidential in connection with the exercise of such remedies, and provided, further, that in no event shall any Lender or the Administrative Agent be obligated or required to return any materials furnished by Holdings, the Borrower or any of their Subsidiaries, (c) to any other party to this

Agreement, (d) subject to an agreement containing confidentiality undertakings substantially similar to those of this Section, to (i) any assignee of or Participant in, or any prospective assignee of or Participant in, any of its rights or obligations under this Agreement or (ii) any actual or prospective counterparty (or its advisors) to any Swap Agreement relating to any Loan Party or their Subsidiaries and its obligations under the Loan Documents, (e) with the consent of the Borrower, in the case of Information provided by Holdings, the Borrower or any other Subsidiary, (f) to the extent such Information (i) becomes publicly available other than as a result of a breach of this Section or (ii) becomes available to the Administrative Agent, the Collateral Agent, any Issuing Bank or any Lender on a non-confidential basis from a source other than Holdings or the Borrower or (g) to any ratings agency or the CUSIP Service Bureau on a confidential basis. In addition, each of the Administrative Agent, the Collateral Agent and the Lenders may disclose the existence of this Agreement and publicly available information about this Agreement to market data collectors, similar service providers to the lending industry, and service providers to the Agents and the Lenders in connection with the administration and management of this Agreement, the other Loan Documents, the Commitments and the Borrowings hereunder. For the purposes of this Section, “Information” means all information received from Holdings, the Borrower relating to Holdings, the Borrower, any Subsidiary or their business, other than any such information that is available to the Administrative Agent, the Collateral Agent, any Issuing Bank or any Lender on a non-confidential basis prior to disclosure by Holdings or the Borrower. Any Person required to maintain the confidentiality of Information as provided in this Section shall be considered to have complied with its obligation to do so if such Person has exercised the same degree of care to maintain the confidentiality of such Information as such Person would accord to its own confidential information.

(b) EACH LENDER ACKNOWLEDGES THAT INFORMATION AS DEFINED IN SECTION 9.12(a) FURNISHED TO IT PURSUANT TO THIS AGREEMENT MAY INCLUDE MATERIAL NON-PUBLIC INFORMATION CONCERNING HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES AND CONFIRMS THAT IT HAS DEVELOPED COMPLIANCE PROCEDURES REGARDING THE USE OF MATERIAL NON-PUBLIC INFORMATION AND THAT IT WILL HANDLE SUCH MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH THOSE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

(c) ALL INFORMATION, INCLUDING REQUESTS FOR WAIVERS AND AMENDMENTS FURNISHED BY THE BORROWER OR THE ADMINISTRATIVE AGENT PURSUANT TO, OR IN THE COURSE OF ADMINISTERING, THIS AGREEMENT, WILL BE SYNDICATE-LEVEL INFORMATION, WHICH MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION ABOUT HOLDINGS, THE BORROWER, THE LOAN PARTIES AND THEIR RELATED PARTIES OR THEIR RESPECTIVE SECURITIES. ACCORDINGLY, EACH LENDER REPRESENTS TO THE BORROWER AND THE ADMINISTRATIVE AGENT THAT IT HAS IDENTIFIED IN ITS ADMINISTRATIVE QUESTIONNAIRE A CREDIT CONTACT WHO MAY RECEIVE INFORMATION THAT MAY CONTAIN MATERIAL NON-PUBLIC INFORMATION IN ACCORDANCE WITH ITS COMPLIANCE PROCEDURES AND APPLICABLE LAW, INCLUDING FEDERAL AND STATE SECURITIES LAWS.

SECTION 9.13 USA Patriot Act. Each Lender that is subject to the USA Patriot Act and the Administrative Agent (for itself and not on behalf of any Lender) hereby notifies each Loan Party that pursuant to the requirements of Title III of the USA Patriot Act, it is required to obtain, verify and record information that identifies each Loan Party, which information includes the name and address of such Loan Party and other information that will allow such Lender or the Administrative Agent, as applicable, to identify each Loan Party in accordance with the Title III of the USA Patriot Act.

SECTION 9.14 Judgment Currency.

(a) If, for the purpose of obtaining judgment in any court, it is necessary to convert a sum owing hereunder in one currency into another currency, each party hereto agrees, to the fullest extent that it may effectively do so, that the rate of exchange used shall be that at which in accordance with normal banking procedures in the relevant jurisdiction the first currency could be purchased with such other currency on the Business Day immediately preceding the day on which final judgment is given.

(b) The obligations of Holdings and the Borrower in respect of any sum due to any party hereto or any holder of any obligation owing hereunder (the “Applicable Creditor”) shall, notwithstanding any judgment in a

currency (the “Judgment Currency”) other than the currency in which such sum is stated to be due hereunder (the “Agreement Currency”), be discharged only to the extent that, on the Business Day following receipt by the Applicable Creditor of any sum adjudged to be so due in the Judgment Currency, the Applicable Creditor may in accordance with normal banking procedures in the relevant jurisdiction purchase the Agreement Currency with the Judgment Currency; if the amount of the Agreement Currency so purchased is less than the sum originally due to the Applicable Creditor in the Agreement Currency, Holdings and the Borrower agree, as a separate obligation and notwithstanding any such judgment, to indemnify the Applicable Creditor against such loss. The obligations of the Borrower under this Section shall survive the termination of this Agreement and the payment of all other amounts owing hereunder.

SECTION 9.15 Release of Liens and Guarantees. A Subsidiary Loan Party shall automatically be released from its obligations under the Loan Documents, and all security interests created by the Security Documents in Collateral owned by (and, in the case of clause (1), (2) and (3), in each case, to the extent constituting Excluded Assets, upon the request of the Borrower, the Equity Interests of) such Subsidiary Loan Party shall be automatically released, (1) upon the consummation of any transaction permitted by this Agreement as a result of which such Subsidiary Loan Party ceases to be a Restricted Subsidiary (including pursuant to a merger with a Subsidiary that is not a Loan Party or a designation as an Unrestricted Subsidiary), (2) upon the request of the Borrower, upon any Subsidiary Loan Party becoming an Excluded Subsidiary or (3) upon the request of the Borrower, in connection with a transaction permitted under this Agreement, as a result of which such Subsidiary Loan Party ceases to be a wholly-owned Subsidiary or otherwise becomes an Excluded Subsidiary. Fastball Parent, Inc. shall be released from its obligations under the Loan Documents and the security interests created by the Security Documents in the Collateral owned by Fastball Parent, Inc. shall be released upon the request of the Borrower, in connection with an IPO, as a result of which Fastball Parent, Inc. ceases to be Holdings pursuant to (b)(ii) of the definition of “Holdings”. Upon (i) any sale or other transfer by any Loan Party (other than to Holdings, the Borrower or any other Loan Party) of any Collateral in a transaction permitted under this Agreement or (ii) the effectiveness of any written consent to the release of the security interest created under any Security Document in any Collateral or the release of any Loan Party from its Guarantee under the Guarantee Agreement pursuant to Section 9.02, the security interests in such Collateral created by the Security Documents or such guarantee shall be automatically released. Upon the occurrence of the Termination Date, all obligations under the Loan Documents and all security interests created by the Security Documents shall be automatically released. In connection with any termination or release pursuant to this Section, the Administrative Agent shall execute and deliver to any Loan Party, at such Loan Party’s expense, all documents that such Loan Party shall reasonably request to evidence such termination or release. Any execution and delivery of documents pursuant to this Section shall be without recourse to or warranty by the Administrative Agent. The Lenders irrevocably authorize the Administrative Agent and Collateral Agent to (i) release or subordinate any Lien on any property granted to or held by the Administrative Agent or the Collateral Agent under any Loan Document to the holder of any Lien on such property that is permitted by Section 6.02(iv), (viii)(A) or (xxii) to the extent required by the terms of the obligations secured by such Liens pursuant to documents reasonably acceptable to the Administrative Agent and Collateral Agent) and (ii) subordinate any Lien on any Mortgaged Property if required under the terms of any lease, easement, right of way or similar agreement effecting the Mortgaged Property provided such lease, easement, right of way or similar agreement is permitted by Section 6.02.

SECTION 9.16 No Fiduciary Relationship. Holdings and the Borrower, on behalf of itself and its subsidiaries, agrees that in connection with all aspects of the transactions contemplated hereby and any communications in connection therewith, Holdings, the Borrower, the other Subsidiaries and their Affiliates, on the one hand, and the Agents, the Lenders and their respective Affiliates, on the other hand, will have a business relationship that does not create, by implication or otherwise, any fiduciary duty on the part of the Agents, the Lenders or their respective Affiliates, and no such duty will be deemed to have arisen in connection with any such transactions or communications.

SECTION 9.17 Effectiveness of the Merger. The Target and its subsidiaries shall have no rights or obligations under the Loan Documents until the consummation of the Acquisition and the Merger, and any representations and warranties of (or related to) the Target or any of its subsidiaries under the Loan Documents shall not become effective until such time. Upon consummation of the Acquisition, the Target shall succeed to all the rights and obligations of Merger Sub and its subsidiaries under the Loan Documents to which it is a party and all representations and warranties of the Target shall become effective as of the date hereof, without any further action by any Person.

SECTION 9.18 Acknowledgement and Consent to Bail-In of EEA Financial Institutions. Notwithstanding anything to the contrary in any Loan Document or in any other agreement, arrangement or understanding among any such parties, each party hereto acknowledges that any liability of any EEA Financial Institution arising under any Loan Document, to the extent such liability is unsecured, may be subject to the write-down and conversion powers of an EEA Resolution Authority and agrees and consents to, and acknowledges and agrees to be bound by:

(a) the application of any Write-Down and Conversion Powers by an EEA Resolution Authority to any such liabilities arising hereunder which may be payable to it by any party hereto that is an EEA Financial Institution; and

(b) the effects of any Bail-In Action on any such liability, including, if applicable:

(i) a reduction in full or in part or cancellation of any such liability;

(ii) a conversion of all, or a portion of, such liability into shares or other instruments of ownership in such EEA Financial Institution, its parent undertaking, or a bridge institution that may be issued to it or otherwise conferred on it, and that such shares or other instruments of ownership will be accepted by it in lieu of any rights with respect to any such liability under this Agreement or any other Loan Document; or

(iii) the variation of the terms of such liability in connection with the exercise of the write-down and conversion powers of any EEA Resolution Authority.

SECTION 9.19 Certain ERISA Matters.

(a) Each Lender (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that at least one of the following is and will be true:

(i) such Lender is not using “plan assets” (within the meaning of Section 3(42) of ERISA or otherwise for purposes of Title I of ERISA or Section 4975 of the Code) of one or more Benefit Plans with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments or this Agreement;

(ii) the prohibited transaction exemption set forth in one or more PTEs, such as PTE 84-14 (a class exemption for certain transactions determined by independent qualified professional asset managers), PTE 95-60 (a class exemption for certain transactions involving insurance company general accounts), PTE 90-1 (a class exemption for certain transactions involving insurance company pooled separate accounts), PTE 91-38 (a class exemption for certain transactions involving bank collective investment funds) or PTE 96-23 (a class exemption for certain transactions determined by in-house asset managers), is applicable so as to exempt from prohibitions of Section 406 of ERISA and Section 4975 of the Code such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement;

(iii) (A) such Lender is an investment fund managed by a “Qualified Professional Asset Manager” (within the meaning of Part VI of PTE 84-14), (B) such Qualified Professional Asset Manager made the investment decision on behalf of such Lender to enter into, participate in, administer and perform the Loans, the Letters of Credit, the Commitments and this Agreement, (C) the entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement satisfies the requirements of subsections (b) through (g) of Part I of PTE 84-14 and (D) to the best knowledge of such Lender, the requirements of subsection (a) of Part I of PTE 84-14 are satisfied with respect to such Lender’s entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement; or

(iv) such other representation, warranty and covenant as may be agreed in writing between the Administrative Agent, in its sole discretion, and such Lender.

(b) In addition, unless either (I) sub-clause (i) in the immediately preceding clause (a) is true with respect to a Lender or (II) a Lender has provided another representation, warranty and covenant in accordance with sub-clause (iv) in the immediately preceding clause (a), such Lender further (x) represents and warrants, as of the date such Person became a Lender party hereto, to, and (y) covenants, from the date such Person became a Lender party hereto to the date such Person ceases being a Lender party hereto, for the benefit of, the Administrative Agent and the Lead Arrangers and their respective Affiliates, and not, for the avoidance of doubt, to or for the benefit of the Borrower or any other Loan Party, that the Administrative Agent, the Lead Arrangers or any of their respective Affiliates is not a fiduciary with respect to the assets of such Lender involved in such Lender's entrance into, participation in, administration of and performance of the Loans, the Letters of Credit, the Commitments and this Agreement (including in connection with the reservation or exercise of any rights by the Administrative Agent under this Agreement, any Loan Document or any documents related hereto or thereto).

SECTION 9.20 Electronic Execution of Assignments and Certain Other Documents. The words "execution," "execute," "signed," "signature," and words of like import in or related to any document to be signed in connection with this Agreement and the transactions contemplated hereby (including without limitation Assignment and Assumptions, amendments or other Borrowing Requests, waivers and consents) shall be deemed to include electronic signatures, the electronic matching of assignment terms and contract formations on electronic platforms approved by the Administrative Agent, or the keeping of records in electronic form, each of which shall be of the same legal effect, validity or enforceability as a manually executed signature or the use of a paper-based recordkeeping system, as the case may be, to the extent and as provided for in any applicable law, including the Federal Electronic Signatures in Global and National Commerce Act, the New York State Electronic Signatures and Records Act, or any other similar state laws based on the Uniform Electronic Transactions Act.

SECTION 9.21 Acknowledgement Regarding Any Supported QFCs. To the extent that the Loan Documents provide support, through a guarantee or otherwise, for any Swap Agreement or any other agreement or instrument that is a QFC (such support, "QFC Credit Support", and each such QFC, a "Supported QFC"), the parties acknowledge and agree as follows with respect to the resolution power of the Federal Deposit Insurance Corporation under the Federal Deposit Insurance Act and Title II of the Dodd-Frank Wall Street Reform and Consumer Protection Act (together with the regulations promulgated thereunder, the "U.S. Special Resolution Regimes") in respect of such Supported QFC and QFC Credit Support (with the provisions below applicable notwithstanding that the Loan Documents and any Supported QFC may in fact be stated to be governed by the laws of the State of New York and/or of the United States or any other state of the United States):

(a) In the event a Covered Entity that is party to a Supported QFC (each, a "Covered Party") becomes subject to a proceeding under a U.S. Special Resolution Regime, the transfer of such Supported QFC and the benefit of such QFC Credit Support (and any interest and obligation in or under such Supported QFC and such QFC Credit Support, and any rights in property securing such Supported QFC or such QFC Credit Support) from such Covered Party will be effective to the same extent as the transfer would be effective under the U.S. Special Resolution Regime if the Supported QFC and such QFC Credit Support (and any such interest, obligation and rights in property) were governed by the laws of the United States or a state of the United States. In the event a Covered Party or a BHC Act Affiliate of a Covered Party becomes subject to a proceeding under a U.S. Special Resolution Regime, Default Rights under the Loan Documents that might otherwise apply to such Supported QFC or any QFC Credit Support that may be exercised against such Covered Party are permitted to be exercised to no greater extent than such Default Rights could be exercised under the U.S. Special Resolution Regime if the Supported QFC and the Loan Documents were governed by the laws of the United States or a state of the United States. Without limitation of the foregoing, it is understood and agreed that rights and remedies of the parties with respect to a Defaulting Lender shall in no event affect the rights of any Covered Party with respect to a Supported QFC or any QFC Credit Support.

(b) As used in this Section 9.21, the following terms have the following meanings:

“BHC Act Affiliate” of a party means an “affiliate” (as such term is defined under, and interpreted in accordance with, 12 U.S.C. 1841(k)) of such party.

“Covered Entity” means any of the following: (i) a “covered entity” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 252.82(b); (ii) a “covered bank” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 47.3(b); or (iii) a “covered FSI” as that term is defined in, and interpreted in accordance with, 12 C.F.R. § 382.2(b).

“Default Right” has the meaning assigned to that term in, and shall be interpreted in accordance with, 12 C.F.R. §§ 252.81, 47.2 or 382.1, as applicable.

“QFC” has the meaning assigned to the term “qualified financial contract” in, and shall be interpreted in accordance with, 12 U.S.C. 5390(c)(8)(D).
